Texas Mutiny Bullets Ballots And Boss Rule:

Texas Mutiny Sheila Allee, 2003-08-01 The seemingly endless plains of South Texas weren't vast enough to contain both Jake Floyd and George Parr. Destiny drew the reserved lawyer and the blustery power monger to the same political arena, tragedy bound them inextricably together to the bitter end.

Duval County Tejanos Alfredo E. Cardenas, 2024-10-15 In Texas to hear the words Duval County evokes Archie and George Parr, politics and corruption. But this does not represent the full truth about this South Texas county and its Tejano citizens. Duval County Tejanos accentuate the significance and meaning of place, showcasing Tejanos as historical actors, not bit players. This cultural region comprises *la familia*, *las costumbres*, *la fe*, *católica*, y *las comidas*. And we must not leave out *la política*. Tejanos were engaged in community life; they organized politically, cultivated land, and promoted agriculture, livestock raising, the local economy, churches, schools, patriotic celebrations, and social activities. American newcomers sought to start and develop a trade economy, but Mexicanos wanted to make sure they held on to their land. The Civil War stunted economic and governmental development but did not prevent the population from growing in numbers and diversity, including the arrival of Americanos in more significant numbers. Still, old-time pioneers and newcomers joined hands to build a faith community, develop schools, improve transportation, and bring commerce to serve their needs. In 1876, Duval County citizens formally petitioned Nueces County for the opportunity to organize themselves. When the railroad rolled into the county seat, San Diego, in 1879, their world changed forever. During the last quarter of the nineteenth century, the Duval County economy exhibited vitality and adaptability; sheep and cattle raising and cotton farming anchored and sustained the local economy. Moreover, Texas land programs opened opportunities to previously landless Tejano farmers. Duval County Tejanos continued to be alarmed as Americanos were cementing their political influence out of proportion to their numbers. In the 1870s, Tejanos pursued organized politics to attain fairness and acquire political power corresponding to their population. In the twentieth century, the political atmosphere intensified as Tejanos pushed forward their agenda of assuming their proper role, consistent with their numbers. Ultimately, the Americano actors were replaced by new faces more willing to share in the power structure, both politically and economically, and Tejanos achieved political strength commensurate with their numbers.

The Eagle Has Eyes José Angel Gutiérrez, 2019-03-01 This book is the first of its kind to bring transparency to the FBI's attempts to destroy the incipient Chicano Movement of the 1960s. While the activities of the deep state are current research topics, this has not always been the case. The role of the U.S. government in suppressing marginalized racial and ethnic minorities began to be documented with the advent of the Freedom of Information Act and most recently by disclosures of whistle blowers. This book utilizes declassified files from the FBI to investigate the agency's role in thwarting Cesar E. Chavez's efforts to build a labor union for farm workers and documents the roles of the FBI, California state police, and local police in assisting those who opposed Chavez. Ultimately, *The Eagle Has Eyes* is a must read for academics and activists alike.

The 1931-1940: American Film Institute Catalog of

Motion Pictures Produced in the United States American Film Institute, 1993 The entire field of film historians awaits the AFI volumes with eagerness Eileen Bowser Museum of Modern Art Film Department Comments on previous volumes The source of last resort for finding socially valuable films that received such scant attention that they seem lost until discovered in the AFI Catalog Thomas Cripps Endlessly absorbing as an excursion into cultural history and national memory Arthur Schlesinger Jr *Bulletin of the Atomic Scientists*, 1970-06 The Bulletin of the Atomic Scientists is the premier public resource on scientific and technological developments that impact global security Founded by Manhattan Project Scientists the Bulletin's iconic Doomsday Clock stimulates solutions for a safer world Paths Out of Dixie Robert Waite Mickey, 2015 The transformation of the American South from authoritarian to democratic rule is the most important political development since World War II It has re sorted voters into parties remapped presidential elections and helped polarize Congress Most important it is the final step in America's democratization Paths Out of Dixie illuminates this sea change by analyzing the democratization experiences of Georgia Mississippi and South Carolina Robert Mickey argues that Southern states from the 1890s until the early 1970s constituted pockets of authoritarian rule trapped within and sustained by a federal democracy These enclaves devoted to cheap agricultural labor and white supremacy were established by conservative Democrats to protect their careers and clients From the abolition of the whites only Democratic primary in 1944 until the national party reforms of the early 1970s enclaves were battered and destroyed by a series of democratization pressures from inside and outside their borders Drawing on archival research Mickey traces how Deep South rulers dissimilar in their internal conflict and political institutions varied in their responses to these challenges Ultimately enclaves differed in their degree of violence incorporation of African Americans and reconciliation of Democrats with the national party These diverse paths generated political and economic legacies that continue to reverberate today Focusing on enclave rulers their governance challenges and the monumental achievements of their adversaries Paths Out of Dixie shows how the struggles of the recent past have reshaped the South and in so doing America's political development **Congressional Record** United States.
