## **The Corporate Shaman A Business Fable For The Modern Age:**

The Corporate Shaman Richard Whiteley, 2002-03 A struggling high tech company isn't making its numbers The company's executives are caught in a stranglehold preoccupied with thoughts of quitting or being fired and the company is quickly spinning out of control With the help of a shaman Jason Hand the CEO's engage in a transformational process that renews their sagging corporation

**The Beauty of the Primitive** Andrei A. Znamenski, 2007-07-16 For the past forty years shamanism has drawn increasing attention among the general public and academics There is an enormous literature on shamanism but no one has tried to understand why and how Western intellectual and popular culture became so fascinated with the topic Behind fictional and non-fictional works on shamanism Andrei A Znamenski uncovers an exciting story that mirrors changing Western attitudes toward the primitive The Beauty of the Primitive explores how shamanism an obscure word introduced by the eighteenth century German explorers of Siberia entered Western humanities and social sciences and has now become a powerful idiom used by nature and pagan communities to situate their spiritual quests and anti-modernity sentiments The major characters of The Beauty of the Primitive are past and present Western scholars writers explorers and spiritual seekers with a variety of views on shamanism Moving from Enlightenment and Romantic writers and Russian exile ethnographers to the anthropology of Franz Boas to Mircea Eliade and Carlos Castaneda Znamenski details how the shamanism idiom was gradually transplanted from Siberia to the Native American scene and beyond He also looks into the circumstances that prompted scholars and writers at first to marginalize shamanism as a mental disorder and then to recast it as high spiritual wisdom in the 1960s and the 1970s Linking the growing interest in shamanism to the rise of anti-modernism in Western culture and intellectual life Znamenski examines the role that anthropology psychology environmentalism and Native Americana have played in the emergence of neo-shamanism He discusses the sources that inspire Western neo-shamans and seeks to explain why lately many of these spiritual seekers have increasingly moved away from non-Western tradition to European folklore A work of intellectual discovery The Beauty of the Primitive shows how scholars writers and spiritual seekers shape their writings and experiences to suit contemporary cultural ideological and spiritual needs With its interdisciplinary approach and engaging style it promises to be the definitive account of this neglected strand of intellectual history

**Self-Help Books** Sandra K. Dolby, 2010-10-01 Understanding instead of lamenting the popularity of self-help books Based on a reading of more than three hundred self-help books Sandra K Dolby examines this remarkably popular genre to define self-help in a way that s

compelling to academics and lay readers alike Self Help Books also offers an interpretation of why these books are so popular arguing that they continue the well established American penchant for self education they articulate problems of daily life and their supposed solutions and that they present their content in a form and style that is accessible rather than arcane Using tools associated with folklore studies Dolby then examines how the genre makes use of stories aphorisms and a worldview that is at once traditional and contemporary The overarching premise of the study is that self help books much like fairy tales take traditional materials especially stories and ideas and recast them into extended essays that people happily read think about try to apply and then set aside when a new embodiment of the genre comes along *The Director*, 2004-08

Stone Age Wisdom , Shamanism is the practice of communicating with the natural and spiritual worlds through shamans or medicine men It is deeply devotional and transformative but not God based This text shows readers how to apply the principles of shamanism to their daily lives Edgewalkers Judi Neal, 2006-10-30 In ancient cultures each village had a shaman or medicine man who would visit the invisible world to obtain vital information guidance and healing for members of the tribe These edgewalkers have contemporary counterparts in today s organizations those individuals who don t fit squarely into any one box in their metaphorical travels they interpret trends from the marketplace translate messages across departments and envision the future impact of today s decisions and actions Edgewalking doesn t come without its own risks and challenges these unconventional people often clash with more traditional rule bound colleagues and they are often frustrated by organizational systems that emphasize quantitative results over creative impulses And yet in today s fast changing diverse and globalized business environment organizations must recruit and support these people in order to stay competitive Featuring colorful interviews and practical tools to gauge and manage your own edgewalking skills Edgewalkers explores the opportunities that are created by defying formal boundaries and fostering creativity at every level of the organization They re the first people to volunteer to head up a new business unit lead a cross company initiative or take on an overseas assignment They re the glass half full folks who are constantly thinking out of the box forging alliances with colleagues in other departments seeking out new solutions to old problems and anticipating challenges on the horizon And in today s increasingly diverse workplaces they are often people who have pursued unusual educational and career paths traveled widely and speak more than one language Judi Neal has a term for these people Edgewalkers Literally an edgewalker is someone who walks between two worlds In ancient cultures each village had a shaman or medicine man who would visit the invisible world to obtain vital information guidance and healing for members of the tribe Today s corporate edgewalkers serve a similar function interpreting trends from the marketplace translating messages across departments and envisioning the future impact of today s decisions and actions Edgewalking doesn t come without its own risks and challenges these unconventional people often clash with more traditional rule bound colleagues and they are often frustrated by organizational systems that emphasize quantitative results over creative impulses And yet in today s fast changing

globalized business environment organizations must recruit and support these people in order to stay competitive Featuring colorful interviews with edgewalkers from a variety of fields and practical tools to gauge and manage your own edgewalking skills Edgewalkers explores the opportunities that are created by defying formal boundaries and fostering creativity at every level of the organization

## **The Corporate Shaman A Busineb Fable For The Modern Age Introduction**

In todays digital age, the availability of The Corporate Shaman A Busineb Fable For The Modern Age books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of The Corporate Shaman A Busineb Fable For The Modern Age books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of The Corporate Shaman A Busineb Fable For The Modern Age books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing The Corporate Shaman A Busineb Fable For The Modern Age versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, The Corporate Shaman A Busineb Fable For The Modern Age books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether youre a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing The Corporate Shaman A Busineb Fable For The Modern Age books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for The Corporate Shaman A Busineb Fable For The Modern Age books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions

of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, The Corporate Shaman A Busineb Fable For The Modern Age books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips.
