that When Christ calls a man he bids him come and die Drawing from the Sermon on the Mount Bonhoeffer offers a critical examination of the distinction between cheap grace and costly grace He describes cheap grace as self bestowed characterized by the preaching of forgiveness without repentance baptism without church discipline and communion without confession According to Bonhoeffer cheap grace is grace without discipleship Conversely he defines costly grace as the gift that must be earnestly sought symbolized by the door at which one must knock It is costly because it demands a person s life yet it is grace because it is given by God and provides a path to true life The Cost of Discipleship was first published in 1936 Blue Harvest Publishing is dedicated to introducing individuals to the revelation of Jesus Christ through the publication of Christian content This book is part of the Blue Harvest Publishing Classics series selected for its wisdom and influence The Cost of Discipleship is an excellent addition to any Christian library

Summary of Dietrich Bonhoeffer's The Cost of Discipleship Everest Media,2022-05-27T22:59:00Z Please note This is a companion version not the original book Sample Book Insights

- 1 Cheap grace is the deadly enemy of our Church It is the principle of grace as a doctrine a principle and a system It means forgiveness of sins proclaimed as a general truth and the love of God taught as the Christian conception of God
- 2 Cheap grace is the justification of sin without the justification of the repentant sinner It is the preaching of forgiveness without requiring repentance baptism without church discipline Communion without confession and absolution without personal confession
- 3 Costly grace is the Incarnation of God It is costly because it calls us to follow Jesus Christ and it is grace because it calls us to follow Jesus Christ It is costly because it condemns sin and grace because it justifies the sinner
- 4 The Church of Rome was able to tolerate the monastic movement and even use it to justify the secularization of its own life Monasticism was thus a living protest against the Church s secularization but the Church was able to limit the application of the commandments of Jesus to a restricted group of specialists
