

True tales of 14 believers who defied the  
savage Roman emperors and evaded assassins  
sent by them; confronted Attila the Hun unarmed,  
saving Rome from destruction by his Mongol hordes;  
repelled bloodthirsty Moslem invaders of Europe; overcame  
the deadly Druids; risked death to carry the Sacraments to  
souls with a crippling disease; and — to preach the gospel to souls  
in the remotest regions — climbed even to the roof of the world!

## **The Courageous Christians:**

The Courageous Christians William L. Coleman, 1982 Uses the text of Acts and puzzles questions and answers anagrams and fun facts about the Bible to demonstrate to teens the courageous spirit of Christians      **Christians Courageous** Aloysius Roche, 2009-06-15 Bold heroes of the Faith For every half dozen heroes antiquity could muster Christendom produced thousands and often from the strangest holes and corners Instead of drying up the spirit of adventure the Fire of Pentecost kindled it anew and made it burn with an unquenchable flame The Master s parting instructions to His followers resulted in a host of enterprises quite as daring as any to be found in Homer Some of these are brought vividly to life in these stories about courageous Christians from the earliest days of Christianity to modern times Although written primarily for youthful readers they are sure to interest all those to whom the achievements of their fellow Christians are a matter of pride and encouragement Here you ll read about among others The pagan actor whose mockery of the Faith led him to convert and even die a Christian martyr The blind boy who became an adviser to great saints The brave bishop who successfully defended the true Faith against his fellow bishops and even the Emperor The monk who was martyred in the Coliseum trying to stop the bloodshed of the gladiators there The priest who suffered cruel deprivations to convert a savage tribe with a dictionary The Irish monk who crossed the Sea of Darkness to discover America The celebrated Spanish novelist who helped save Christendom from the Turks at the Battle of Lepanto The unarmed bishop who with words alone drove Attila the Hun from the gates of Rome The stirring adventures of these brave Christian souls remind us that God has in hand for each of us a unique mission worthy of all our imagination and of all our daring      *Courageous Christians* Joyce Vollmer Brown, 2000 Our kids need Christian heroes but sometimes parents feel they lack Christian role models outside the home This is a family reader created to fill that gap with stories of believers who demonstrated sacrificial love incredible courage and mountain moving faith      *Courageous Grace* Gayle Haggard, 2013 As a Bible teacher Gayle had taught for decades about the amazing power of grace in a person s life Yet it took a crisis in her husband s life and the crumbling of her own life around her for her to have an epiphany about the true nature of grace In *Courageous Grace* Gayle chronicles and explains her newfound insights Despite common misperceptions grace is not safe It s not easy Frankly it takes courage to show grace to those who deserve less Oftentimes the person showing God s grace gets counted among the sinners just as Jesus experienced centuries ago Gayle explores the story of Jesus forgiving the adulterous woman to reveal the courageous side of showing grace We live in a society that vacillates between glorifying sin and crucifying those who fall Gayle encourages us to take the road less traveled daring to do the hard work of showing God s grace to the sinners among us It s what followers of Christ are called to do      **Profiles in Christian Courage** Kerry Walters, 2014-08-07 Everyday life requires courage From physical challenges to moral and spiritual ones *Profiles in Christian Courage* tells the stories of inspiring figures whose lives can encourage us in our own struggles In twenty reader friendly chapters Kerry Walters explores the meaning and scope of Christian courage

offers tips on how to cultivate it in daily life and profiles of Christians who have exemplified it themselves The portraits are of modern women and men from all parts of the globe Some are well known such as Mother Theresa C S Lewis or Thea Bowman while others are less known Some faced extreme physical threats while others faced spiritual or emotional darkness But they are all inspiring role models for everyday courage in our own lives [Courage](#) Tom Berlin,2021-02-11 Courage is the foundational virtue required for the Christian life But often we wonder if we have what it takes to live the vital life Jesus offers his disciples In *Courage* Jesus and the Call to Brave Faith pastor and author Tom Berlin challenges us to unlock the courage that we already possess as Christ followers By examining the life of Christ we will begin to understand what true courage is and how God works in the lives of Christ followers as they exhibit a brave faith Once we have eyes to hear what Jesus is showing us once have ears to hear we can begin to find the remarkable life Jesus offers us Additional components for a six week study include a DVD featuring Tom Berlin and a comprehensive Leader Guide [Profiles in Christian Courage](#) Kerry Walters,2014-08-07 Everyday life requires courage From physical challenges to moral and spiritual ones *Profiles in Christian Courage* tells the stories of inspiring figures whose lives can encourage us in our own struggles In twenty reader friendly chapters Kerry Walters explores the meaning and scope of Christian courage offers tips on how to cultivate it in daily life and profiles of Christians who have exemplified it themselves The portraits are of modern women and men from all parts of the globe Some are well known such as Mother Theresa C S Lewis or Thea Bowman while others are less known Some faced extreme physical threats while others faced spiritual or emotional darkness But they are all inspiring role models for everyday courage in our own lives [Christians among the Virtues](#) Stanley Hauerwas,Charles Pinches,2022-12-06 *Christians among the Virtues* investigates the distinctiveness of virtues as illuminated by Christian practice using a discussion of Aristotle s ethics together with the work of significant contemporary scholars such as Alasdair MacIntyre and Martha Nussbaum Hauerwas and Pinches converse with learn from and also critically engage powerful and explicitly non Christian accounts of virtues and then form a specifically Christian account of certain key virtues including obedience hope courage and patience This book will deepen the current public debate about virtue by showing how different traditions and practices yield distinctive understandings of the virtues and by articulating the particularity of virtues informed by Christian practice Hauerwas and Pinches begin with a discussion of Aristotle s account of happiness virtue and friendship and explore how the temporal character of life threatens the possibility of being virtuous The authors then contrast this idea with the Christian recognition of our temporal limitations as a call to virtue rather than a threat In the second section the authors address a work by John Casey which attempts to present an account of the virtues purged of their Christian heritage This analysis as well as the critical readings of MacIntyre and Nussbaum will be of particular interest to philosophers and theologians alike The authors bring a theological voice to the popular and philosophical debates about virtue While the work encourages Christians to think about what is unique to Christian virtue its specificity does not limit its applicability but opens

up and deepens the debate over the particular interpretations of virtues calling on others to present more specific articulations of what it means to be courageous obedient hopeful and patient and to contrast those accounts with the Christian interpretations presented by the authors In this respect Christians among the Virtues is the first work in what could be called the second stage of the recovery of the virtues the work of understanding the difference among interpretations of the virtues in the light of different practices and traditions

**Take Heart** Matt Chandler, 2018-03-20 How to look around positively and reach out confidently in an increasingly post Christian culture Christendom is dead But maybe that's a good thing The Christian culture that has underpinned Western society for centuries has been eroded We're now at the point where to disagree with people on issues such as marriage and sexuality is seen as hateful Christians are no longer seen as honourable but as bigots But history testifies that the more people try to destroy Christianity the more it grows So we are entering an exciting period of time because we're back in the place where Christ's church can thrive at the margins of society In this stirring passionate book Matt Chandler shows us we need Christian courage like never before and how to live with compassion and conviction able to look around positively and reach out confidently It encourages us not to be thwarted by fear but to depend on God and have confidence that Christ will build his church despite continual marginalization A must read for any Christian who wants to understand how to stand firm and walk forwards in an increasingly secular culture

*Courageous* Dr. Robert Jeffress, 2020-02-04 Christians face relentless attacks from an ungodly culture a formidable adversary and our own fallen natures Yet we cannot afford to surrender to these very real enemies Just as survivalists use 10 specific strategies to overcome threatening situations *Courageous* explains 10 biblical strategies for surviving and thriving in a world that is hostile to our faith As A W Tozer said A scared world needs a fearless church *Courageous* is a clarion call for Christians to boldly live out their faith If you've felt your faith is under attack if you're struggling with the temptation to follow the crowd despite biblical teaching to the contrary or if you're just feeling weary the 10 strategies in *Courageous* will provide fresh fire and new hope

### **The Necessity and the Source of Christian Courage in the Work of the Ministry**

Joseph Haven, 1859

**Claiming the Courageous Middle** Shirley A. Mullen, 2024-04-16

Today's political and cultural polarization has led to suspicion and animosity in our churches, our workplaces, and even our families. It has also led to a false sense that our options are limited to choosing a side. But there is a better way. Shirley Mullen invites readers to claim the powerful redemptive potential of the courageous middle. Far from being a place of bland averaging, moral cowardice, wobbling indecisiveness, or lazy indifference, the courageous middle is a place where thoughtful individuals work with urgency to foster attentive rather than dismissive listening in order to garner what is true and praiseworthy even from those with whom they disagree. Their Christian faith, which makes it impossible for them to align themselves fully with one side or the other, uniquely equips them to call their communities to imagine a more hopeful, grace-filled future. This book offers a Christian theological framework for the work of middle space drawn from the Old and New Testaments. It also includes practical advice on how to prepare for this work, examples of those who have called their communities to alternatives beyond binary options, and discussion questions.

*Following Jesus in a Culture of Fear (The Christian Practice of Everyday Life)* Scott

Bader-Saye, 2007-06-01 Through politics, marketing, news programming, and popular culture, we are taught to fear, often in ways that profit others. But what does all this fear do to our moral lives as it forms or deforms our character and our judgment? Drawing on Christian scripture and tradition, *Following Jesus in a Culture of Fear* articulates a response to fear that resists an ethic of security in favor of fostering an ethic of risk. The Christian virtues of hospitality, peacefulness, and generosity are presented as the way to defeat the counter virtues of suspicion, preemption, and control. Pastors, students, and lay people will find this unique book both accessible and intriguing.

**EXCERPT** Do not be afraid. We live in a time when this biblical refrain cannot be repeated too often. Both John Paul II in 1978 and his successor Benedict XVI in 2005 used these words to begin their papacies. Among all the things the church has to say to the world today, this may be the most important. No one has to be convinced that we live in fearful times, though we are not always sure what we should be afraid of and why. We suspect that our fears make us vulnerable to manipulation, but we find it hard to quell the fear long enough to analyze how it is being produced and directed for the benefit of others. One reason we are a more fearful culture today, despite the fact that the dangers are not objectively greater than in the past, is because some people have incentives and means to heighten, manipulate, and exploit our fears. Fear is a strong motivator, and so those who want and need to motivate others—politicians, advertisers, media executives, advocacy groups, even the church—turn to fear to bolster their message. I call this the fear for profit syndrome, and it is rampant. We have become preoccupied with unlikely dangers that take on the status of imminent threats, producing a culture where fear determines a disproportionate number of our personal and communal decisions. The sense of ever-increasing threats can overwhelm our ability to evaluate and respond proportionately to each

new risk thus we allow fear to overdetermine our actions      The Virtue of Courage Blaine J. Fowers, 2025-06-12 The contributors to this volume offer new insights on Aristotelian perspectives of courage as well as Stoic Confucian Christian or Thomist Jewish and African perspectives of the virtue They offer important observations about the communal ethnic and religious elements of courage They ask what place courage has in healthcare or contemporary career development and how courage might be applied by ordinary citizens as well as by leaders in contemporary liberal democracies These essays make it clear that reflections on courage are highly salient in a world that is experiencing global political unrest and profound uncertainty about the future      *Philippians* Frank Thielman, 1995 Most Bible commentaries take us on a one way trip from our world to the world of the Bible But they leave us there assuming that we can somehow make the return journey on our own In other words they focus on the original meaning of the passage but don't discuss its contemporary application The information they offer is valuable but the job is only half done The NIV Application Commentary Series helps us with both halves of the interpretive task This new and unique series shows readers how to bring an ancient message into a modern context It explains not only what the Bible meant but also how it can speak powerfully today

## **The Courageous Christians Introduction**

In today's digital age, the availability of The Courageous Christians books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of The Courageous Christians books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of The Courageous Christians books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing The Courageous Christians versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, The Courageous Christians books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing The Courageous Christians books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for The Courageous Christians books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, The Courageous Christians books and manuals for download have transformed the way we access

information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of The Courageous Christians books and manuals for download and embark on your journey of knowledge?
