Competition Asa Briggs, 1995-03-23 Part of a five volume history of the rise and development of broadcasting in the United Kingdom **Now That's Funny!** Peter Desberg, Jeffrey Davis, 2017-06-07 There is a feeling of pure delight that comes from laughing out loud while watching a hilarious movie or a TV show Yet as funny as these lines may be they are the work of people you will never see The magic behind any comedy hit begins when an idea is hatched in the mind of a comedy writer and is then put down on paper And while few of us are privy to this fascinating process for writers Peter Desberg and Jeffrey Davis the challenge of observing and understanding how comedy is born has culminated in a unique new book Now That's Funny Desberg and Davis provide an intimate look into the minds of twenty four of Hollywood's funniest comedy writers who have given us such shows as Saturday Night Live Monk Everybody Loves Raymond The Simpsons Frasier Maude Home Improvement Valerie Modern Family Cheers There's Something about Mary The Honeymooners Suddenly Susan Newhart Sabrina the Teenage Witch Archie Bunker's Place The Tracey Ullman Show Wings Who's The Boss and more How do you get to see the creative wheels turn The authors premise was simple Using a Q and A format they provided each writer with a

story idea and let them run with it Each of the writers was told there were no rules no boundaries and no limits Because everyone started with the same concept the authors could see how some writers jumped in and began creating while others asked lots of questions how some writers stuck closely to the premise while others turned it on its head What emerges is an entertaining look illuminating and hilarious in turn at the creative process behind hit TV shows and movies If you re one of the millions who have enjoyed watching the work of comedy writers here is an opportunity to go behind the scenes and see the madness unfold Now that s funny Space 1999 and Critical Theory John K. Balor,2017-11-11 The television series SPACE 1999 was in its first series shaped by the late sixties and early seventies counterculture movements making SPACE 1999 into an example of how certain SF scholars see a natural alignment between science fiction and critical theory However due to changes in the political climate SPACE 1999 went through an ideological reversal in its second series As a result the schizophrenic nature of the series has ever since caused debate This book is written on an idealistic basis It is sold at the lowest price the publisher was willing to accept A free e book version can be downloaded at www.lulu.com *Theories of Creative Writing Studies* Ge Hongbing,2025-08-15 This book provides a groundbreaking approach to creative writing theory offering a comprehensive exploration of its core principles and methodologies Focusing on creative writing as an ontological practice it redefines the essence of literature and writing while integrating new perspectives on AI assisted writing creative industries and writing pedagogy This work combines Chinese and global views to address the pressing need for a systematic theoretical framework in the field of creative writing It is intended for graduate students researchers and educators in creative writing literary studies and cultural industries The book offers valuable insights into the evolving landscape of creative writing theory and its application in education industry and culture Key features include its original theoretical framework an interdisciplinary approach that connects theory and practice and the exploration of AI s impact on creative writing This book is a must have resource for advancing both academic and practical understanding of creative writing
