The Crazy Gang:

The Crazy Gang Maureen Owen, 1986 Critical Perspectives on the Western Lee Broughton, 2016-09-19 For decades the Western film has been considered a dying breed of cinema yet filmmakers from Quentin Tarantino to Ethan and Joel Coen find new ways to reinvigorate the genre As Westerns continue to be produced for contemporary audiences scholars have taken a renewed interest in the relevance of this enduring genre In *Critical Perspectives on the Western* From A Fistful of Dollars to Django Unchained Lee Broughton has compiled a wide ranging collection of essays that look at various forms of the genre on both the large and small screen Contributors to this volume consider themes and subgenres celebrities and authors recent idiosyncratic engagements with the genre and the international Western These essays also explore issues of race and gender in the various films discussed as well as within the film genre as a whole Among the films and television programs discussed in this volume are *The Assassination of Jesse James by the Coward Robert Ford* *Django Kill Justified* *Meek's Cutoff* *Tears of the Black Tiger* *Appaloosa* *The Frozen Limits* and *Red Harvest* Featuring a diverse selection of chapters that represent current thinking on the Western *Critical Perspectives on the Western* will appeal to fans of the genre film students and scholars alike

Appropriating Shakespeare Louise Geddes, 2017-04-05 *Appropriating Shakespeare* A Cultural History of *Pyramus and Thisbe* argues that the vibrant transformative history of Shakespeare's play within a play from *A Midsummer Night's Dream* across four centuries allows us to see the way in which Shakespeare is used to both create and critique emergent cultural trends Because of its careful distinction between good and bad art *Pyramus and Thisbe*'s playful meditation on the foolishness of over reaching theatrical ambition is repeatedly appropriated by artists seeking to parody contemporary aesthetics resulting in an ongoing assessment of Shakespeare's value to the time Beginning with the play's own creation as an appropriation of Ovid designed to keep the rowdy clown in check *Appropriating Shakespeare* is a wide ranging study that charts *Pyramus and Thisbe*'s own metamorphosis through opera novel television and of course theatre This unique history illustrates *Pyramus and Thisbe*'s ability to attract like minded experimental genre bending artists who use the text as a means of exploring the value of their own individual craft Ultimately what this history reveals is that in excerpt *Pyramus and Thisbe* affirms the place of artist as both consumer and producer of Shakespeare

Who Are Ya? Kevin Day, 2020-10-01 Excellent *The Times* Kevin's immense knowledge shines on every page Gary Lineker A football book by a fan for the fans A treasure trove Alan Davies An entertaining romp through the back alleys and glamour parks of English football *FourFourTwo* Partly autobiographical partly polemical but mostly funny *Who Are Ya?* is a snapshot of modern football exploring the history of all 92 English Football League clubs During his time as a broadcaster comedian and former *Match of the Day* presenter Kevin Day has spoken to thousands of football players managers and most importantly fans from across the generations He spent thousands of hours crossing the country on trains planes automobiles coaches and once a donkey called Lightning watching football at all levels This book is the result of that a tale of being chased down a railway line at

Cardiff a story of meeting George Best an account of a lady getting her first Hull City tattoo at the age of 80 Crisply funny and with a host of celebrity football fan contributors including Stephen Fry Jo Brand Alfie Boe Eddie Izzard Gabby Logan and Romesh Ranganathan Who Are Ya celebrates the joys and miseries of being a football supporter The Crazy Gang Dave Bassett, Wally Downes, 2015-10-29 If we can sell Newcastle Brown to Japan and if Wimbledon can make it to the First Division there is surely no achievement beyond our reach Margaret Thatcher The Crazy Gang is the story of a football miracle Promoted to the Football League in 1977 Wimbledon FC was a small team from south London that against the odds went all the way to the top of the First Division then to win the FA Cup in only just over a decade With no money scant resources and a blend of youth players and offcuts from other clubs they were christened Rag Arse Rovers They played hard on the pitch and partied hard off it Dave Harry Bassett was the manager who drilled a fierce fighting spirit into his players an unbreakable team ethos but he was also an underrated master tactician and pioneer of innovative training methods Wally Downes was the midfield fulcrum of the Dons but also the ringleader for the various acts of debauchery and general silliness that earned the club their reputation In The Crazy Gang Harry and Wally are joined by a host of former Wimbledon players and staff both famous names like Vinnie Jones Lawrie Sanchez and Dave Beasant but also unsung heroes in the club's history to tell it as it really was This is real football the way fans remember it and a world away from multimillionaire Premier League primadonnas Lucan Matthew Leigh, 1997 The Pharsalia Lucan's epic on the civil war between Caesar and Pompey is a document of fundamental importance for students of the history and literature of Rome in the early imperial period Whether one is a historian of the Republican opposition to Nero or a literary critic teasing out the ideological implications of intertextuality it is impossible to ignore this poem Taking as his guiding theme the unusual prominence of spectacle and spectators in the Pharsalia the tendency of either the narrator to represent complicity with or apathy towards the action of various characters as that of one who watches and does not engage or of individual characters to celebrate the actions which they undertake by turning them into theatrical displays for others to watch Dr Leigh demonstrates the importance of this phenomenon for narrative and intertextual concerns as well as for history and socio political matters He shows how Lucan can take devices characteristic of Virgilian narrative and transform them to launch an attack on the Augustan ideology of the Aeneid and produce a savagely Republican anti Aeneid which represents the civil wars as the death of Rome By studying the tension between the narrator's impassioned interventions and his characters' often manic zeal to transform civil war into performance this work discovers a Lucan who is as funny as he is serious as reflective as he is committed
