The Creed What Christians Believe And Why It Matters:

The Creed Luke Timothy Johnson, 2007-12-18 This thoughtful fully accessible exploration of the creed the list of beliefs central to the Christian faith delves into its origins and illuminates the contemporary significance of why it still matters During services in Christian communities the members of the congregation stand together to recite the creed professing in unison the beliefs they share For most Christians the creed functions as a sort of ABC of what it means to be a Christian and to be part of a worldwide movement Few people however know the source of this litany of beliefs a topic that is further confused by the fact that there are two different versions the Apostle s Creed and the Nicene Creed In *The Creed* Luke Timothy Johnson a New Testament scholar and Catholic theologian clarifies the history of the creed discussing its evolution from the first decades of the Christian Church to the present day By connecting the deep theological conflicts of the early Church with the conflicts and questions facing Christians today Johnson shows that faith is a dynamic process not based on a static set of rules Written in a clear graceful style and appropriate for Christians of all denominations *The Creed* is destined to become a classic of modern writings on spirituality

to the long term survival of the human race **What Christians Believe** Anna Wierzbicka,2019-02-28 Many people today both Christians and non Christians are confused about or unaware of the essentials of Christian faith In this book Anna Wierzbicka takes a radically new approach to the task of communicating what Christians believe to the widest possible audience The Story of God and People the heart of the book sets out the core tenets of Christian faith in narrative form using simple language that is accessible to anyone even those with no familiarity with Christianity or Christian vocabulary The Story is not only simple but also universal though written in English it is not phrased in full English English as we know it today shaped by history culture and tradition but in Minimal English Minimal English contains only those 400 or so English words that can be translated into any other language essentially it corresponds to the shared core of all languages In the introduction to the book Wierzbicka explains Minimal English and minimal languages in general and in The Story of God and People that follows she demonstrates the effectiveness of Minimal English as a tool for global understanding At the same time the use of Minimal English allows her not only to retell the Christian story in a strikingly new way but also to rethink its meaning bringing into relief its internal cohesion logic and beauty **What Do We Believe? Why Does It Matter?** Jeff Astley,2016-04-30 What do We Believe Why Does it Matter provides a general introduction to the basic beliefs of Christian theology together with their significance for Christian worship living and thinking and the intellectual problems they raise

Unbinding Christianity Jan G. Linn,2020 Unbinding Christianity is a book that will be good news for some readers while stretching others in uncomfortable ways It begins with the premise that traditional Christian teaching is focused on right beliefs while the life and teachings of Jesus was all about right living The book represents a fresh voice for Christians who struggle to accept traditional beliefs by assuring them that Jesus himself said much more about right values than he did right beliefs The goal of this book is to unbind Christianity from the wrappings of creeds doctrines dogma and beliefs in order to make room for an understanding of what it means to be Christian defined by values that invites unity among Christians without the need for conformity of beliefs One of the important by products of a values based Christianity is that it paves the way for Christians with different beliefs to find common ground with one another while also freeing them to build bridges of understanding with non Christian WORDS OF PRAISE If you have found it impossible to continue believing in some of the doctrines the church has taught to be essential and don't know if you can continue being a Christian Jan Linn offers some much needed guidance Craig Watts Unbinding Christianity is a thought provoking argument for expansion of Christianity's often employed litmus tests of inclusion and rejection Joshua Santana This book is a wake up call to all of us who choose to follow Jesus a challenge for us to rethink what it truly means to be Christian Heather Cargill **The Divine Heart of Darkness** Catherine Bird,2017-11-01 How can we use the experience of darkness to lift our spirits challenge our hearts and minds and draw us closer into the heart of God The Doctrine of Creation Bruce Riley Ashford,Craig G. Bartholomew,2020-11-10 According to Bruce Ashford and Craig Bartholomew one of the best sources for regaining a robust

biblical doctrine of creation is the recovery of Dutch neo Calvinism Tracing historical treatments and exploring theological themes Ashford and Bartholomew develop the Kuyperian tradition s rich resources on creation for systematic theology and the life of the church today The Revelatory Body Luke Timothy Johnson,2015 Argues that theology can respond faithfully to the living God only by paying due attention to human bodily experience Scripture points to the human body and lived experience as the preeminent arena of God s continuing revelation in the world says Luke Timothy Johnson Attentively discerning the manifestations of God s Spirit in and through the body is essential for theology to recover its nature as an inductive art rather than as traditionally conceived a deductive science Willingness to risk engaging actual human situations as opposed to abstract conceptualizations of those situations is required of the theologian Johnson argues He celebrates the intimations of divine presence and power in such human experiences as play pain pleasure work and aging showing how theology can respond faithfully to the living God only by paying due attention to human bodily experience
