**The Creepy Thing** Fernando Krahn,1982 A small boy goes fishing and catches a creepy thing with a strange life of its own *Rotten School #14: Night of the Creepy Things* R.L. Stine,2009-04-14 Why are the Rotten School kids screaming in terror Maybe it s because everyone on campus is making a horror movie Bernie Bridges wants to make the most terrifying film of all If he does he ll win a part in the famous director B A Gool s next film *EEK III Revenge of the Warts* Bernie thinks he s got some great creepy ideas But he s better watch out on Halloween night it s going to be a real scream **Unidentified Texas Objects** Carol Walt,2009-04-17 Things are not always as they seem around the small town of Brangus Texas The citizens see strange lights in the sky and Tillie Brooks reports them to the Air Force Tiffany Hardamon has a talk with God and Vessie Lou Culpepper finds a flaming meteorite that seems to be growing in her pasture A brilliant child named Alpha concerns her parents because she appears interested only in science and galaxies far away A mysterious ape man lives at Mabry Clifford s ranch A novella that ends the book introduces us to Charlie Goodnight Myers a woman who dislikes Christmas but who goes all out to make it a time her neighbors will never forget The stories are amusing and have an unusual twist to surprise the reader Welcome to Brangus Texas *Baby Teeth: Bitesized Tales of Terror* Debbie Cowens,Grant Stone,Paul Mannering,M. Darusha Wehm,Lee Murray,Jack Newhouse,Elizabeth Gatens,Lewis Morgan,Jean Gilbert,Matthew Sanborn Smith,Dan Rabarts,Jake Bible,Celine Murray,Jenni Sands,Alan Lindsay,Sally McLennan,Matt Cowens,Eileen Mueller,Darian Smith,Anna Caro,Jan Goldie,AJ Ponder,Michael J Parry,Kevin G Maclean,Piper Mejia,Morgan Davie,JC Hart,2013-11-01 Leave the lights on tonight So you ll see them coming 27 New Zealand and American authors delve into the strange the unexpected and the downright terrifying things that kids say in this collection of all new flash fiction From the mouths of babes come 37 stories from the haunting to the hilarious to the horrific **Kolobians Seek the Afterlife** illustrator Penny Moroney,2016-07-07 Two adventurers from another planet come to earth seeking information about the afterlife They solicit help from a young earth boy and after telling him about their planet he agrees to help They are joined by a leadership personality and an intellectual personality from the far away planet They begin a fantasy journey to learn about immortality and the afterlife from any source available They have the ability to visit any time and any place in their search for things that have been written or spoken They discover things that are known by religions about creation and the beginning of life and about the afterlife but cannot understand some of them They are joined by a faith personality from their planet who has perceived their confusion These six distinctly different personalities explore information from various sources and discuss some ramifications of their findings They learn doctrines and theories about creation and immortality and the many forms that afterlife might take They search for and find truth in many forms The story is not only about finding information but also the thought processes involved to understand the information An important facet of the story is the fact that non humans think differently than humans and ask different questions This story is about the acceptance of truth The

strongest and most adventuresome personality develops some fears and anxiety about religious sacrifices but is persuaded to continue the quest After search for the afterlife has generated more question than answers they turn to a search for the meaning of life The story is about their adventures and their conclusions regarding religion and the meaning of life The story is told using playful and sometimes irreverent dialogue The tale is made more interesting with the inclusion of illustrations by the very talented artist Penny Moroney 1

**Fragments From The Darkside** Jerry Wayne Thomas,2023-10-25 In the short novel Ginger the protagonist Gene has many problems to deal with which include a relationship with his girlfriend Anna a job he cares nothing about and living up to the respect and knowledge of his elder neighbor Abe But when Gene purchases a doll out of curiosity no problem will ever measure up to what Ginger will bring into his life In The People Of Sleepy Hill an entire society of strange looking people after the depression are munching on a protein source that s will make you think twice when going out to eat A young teenager is caught in a situation where he s afraid to sleep in the very short piece titled At Nighttime What s not strange for him is the terrors that follow his fears are seen and somehow unseen at the same time The Snowman is a chill of a terror in the cold region of Alaska in winter where a now matured man swears he sees a force so frightening he needs to send a letter to the governor to grab immediate attention to warn others that this part of the state is not safe at least once every ten years Magic comes to life in Sand Boy where a young boy s drawings in the sand are as real as the sand itself to a desperate woman wanting to bring her dead husband back to life in Zombie Love Plus seven other adventures from the dark side I hope this collection of stories propel you beyond your wildest imaginations

**Ethical Machines** Reid Blackman,2022-07-12 What will you do when your AI misbehaves The promise of artificial intelligence is automated decision making at scale but that means AI also automates risk at scale Are you prepared for that risk Already many companies have suffered real damage when their algorithms led to discriminatory privacy invading and even deadly outcomes Self driving cars have hit pedestrians HR algorithms have precluded women from job searches mortgage systems have denied loans to qualified minorities And often the companies who deployed the AI couldn t explain why the black box made the decision it did In this environment AI ethics isn t merely an academic curiosity it s a business necessity In Ethical Machines Reid Blackman gives you all you need to understand AI ethics as a risk management challenge He ll help you build procure and deploy AI in a way that s not only ethical but also safe in terms of your organization s reputation regulatory compliance and legal standing and do it at scale And don t worry the book s purpose is to get work done not to ponder deep and existential questions about ethics and technology Blackman s clear and accessible writing helps make a complex and often misunderstood concept like ethics easy to grasp Most importantly Blackman makes ethics actionable by tackling the big three ethical risks with AI bias explainability and privacy and tells you what to do and what not to do to mitigate them With practical approaches to everything from writing a strong statement of AI ethics principles to creating teams that effectively evaluate ethical risks Ethical Machines is the one guide you need to ensure your AI advances your company s objectives
