Indexed Legislative History of the "Justice System Improvement Act of 1979" ,1980 *Out-of-Control Criminal Justice* Daniel P. Mears,2017-09-28 Out of Control Criminal Justice shows that our system of criminal justice is broken it is out of control The author writes that a research based strategy is needed that builds on the insights of those who work within criminal justice or are affected by it Such a strategy must entail continuous evaluation and improvement so that what works can be expanded and what does not can be eliminated Out of Control Criminal Justice identifies how systems problems plague our criminal justice systems It then presents a comprehensive strategy for bringing these systems under control to reduce crime to increase justice and accountability and to do so at less cost The strategy can be used too to create greater responsiveness to victims and communities effectiveness in reducing racial and ethnic disparities and understanding of the causes and consequences of crime After describing this new approach the book identifies the tools needed to implement a systems solution to create a safer and more just society *Jimmy Carter* United States.
