The Croft And The Ceilidh:

The Croft and the Ceilidh Gideon S. May,1980-07 Beyond the Soundtrack Daniel Ira Goldmark, Lawrence Kramer, Richard Leppert, 2007-06-08 This groundbreaking collection by the most distinguished musicologists and film scholars in their fields gives long overdue recognition to music as equal to the image in shaping the experience of film. Refuting the familiar idea that music serves as an unnoticed prop for narrative these essays demonstrate that music is a fully imagined and active power in the worlds of film. Even where films do give it a supporting role and many do much more music makes an independent contribution. Drawing on recent advances in musicology and cinema studies *Beyond the Soundtrack* interprets the cinematic representation of music with unprecedented richness. The authors cover a broad range of narrative films from the silent era not so silent to the present. Once we think beyond the soundtrack this volume shows there is no unheard music in cinema.

Nurse, Come You Here! Mary J. MacLeod, 2015-05-05 From the author of *Call the Nurse* come new tales of a London nurse working to help and heal a community on a remote Scottish island. Lively touching engaging reading for fans of *Call the Midwife* and *All Creatures Great and Small*. Julia MacLeod shares unique and enchanting experiences as a nurse in rural Scotland. Her stories will ring true with every nurse or anyone who has ever cared for a family or a community whether in Scotland or America. *Call the Nurse* is a delightful read. LeAnn Thieman author *Chicken Soup for the Nurse's Soul*. Mary J Macleod and her husband left the London area for an idyllic place to raise their young children in the late sixties and they found the island of Papavray in the Scottish Hebrides. There they bought a croft house on a small acre of land and Mary J also known as Julia became the district nurse. At the age of eighty she first recounted her family's adventures in her debut *Call the Nurse* where she introduced readers to the austere beauties of the island and the hardy charm and warmth of the islanders. The anecdotes in this new volume take us to the end of her stay on Papavray after which the MacLeod family left for California. Once again we meet the crofters Archie Mary and Fergie and other friends. There are stories of troubles joy and tragedy of children lost and found the cow that wandered into the kitchen a distraught young mother who strides into the icy surf with her infant child the ghostly apparition that returns after death to reveal the will in a sewing box. There are accidents and broken bones twisters that come in from the sea and acts of simple courage and uncommon generosity. Here again a nurse's compassion meets Gaelic fortitude in these true tales of a bygone era.

Books in Scotland ,1982 Bruach Blend Lillian Beckwith, 2001 Meet some familiar and some less familiar inhabitants of Bruach. We meet also Bonny the cow Crumley the bull and Harry the hedgehog who together make up Miss Peckwitt's colourful and uncontrollable collection of animals and other livestock. Cover
