Israelite leaders were the Hyksos pharaohs of Lower Egypt and so the biblical Jacob was probably the Hyksos pharaoh Jacob. This earlier date for the exodus means that the biblical plagues were probably a real event caused by the island of Thera Santorini exploding and the fallout from this natural catastrophe caused a historically documented civil war and great exodus of the Hyksos Israelite people from Egypt. However, if these links between Egyptian and Israelite history are true, then it is possible that Mt Sinai was actually the Israelite name for the Great Pyramid of Giza. The sacred mountain of the Jews was actually a pyramid. Sequel to Jesus Last of the Pharaohs Followed by Solomon Pharaoh of Egypt and Eden in Egypt L. **The Rapture of Darkness** Jack Spring, 2011-12-14 Will St Malachy's Prophecy of the Popes be fulfilled in 2012 are these the End Times? The Rapture of Darkness is the inspiring story of an American Vice President, an Irish Bishop, and a Professor of Antiquities determined to save the Catholic Church, America, and the World before the arrival of the Doomsday Date of December 21, 2012. Finally, a novel has been written as an antidote to The Da Vinci Code and Left Behind series. Most believe that Cal St Martin is the debonair professor of antiquities at Trinity College in Dublin, Ireland. But the new American president, Mike Rounds, knows the real truth. Prof Cal St Martin is a man with a hidden past and a secret mission. Three days before the Presidential election, the story begins when a satellite falls from orbit and strikes Washington D.C. Mike concludes that it isn't a random event or terrorism when a strange gold box is found amidst the wreckage, addressed to The Future Bishop of Armagh, Ireland. Then four members of the U.S. Supreme Court vanish without a trace, and several top secret stealth planes go missing. So Mike goes to Armagh, Ireland, to deliver the gold box to the new Archbishop, Diarmuid Martin, and sets out to discover who is responsible for the strange events. Mike's journey takes him into a world of international political intrigue, adventure, and religious mystery involving stolen relics, missing underworld leaders, end times predictions, and the prophecies of an obscure twelfth-century Irish saint named Malachy. As Mike solves the mystery of who is responsible for the thefts and abductions, the Archbishop unravels clues left by Professor St Martin which will answer the questions on everyone's mind: Are these the Last Days? And will Doomsday 2012 really bring the end of the world? **Gold in the Black Hills** Watson Parker, 2012-04 **The Gold Crusades** Douglas Fetherling, 1997-12-15 Among the hordes of starry-eyed argonauts who flocked to the California gold rush of 1849 was an Australian named Edward Hargraves. He left America empty-handed only to find gold in his own backyard. The result was the great Australian rush of the 1850s, which also attracted participants from around the world. A South African named P.J. Marais was one of them. Marais too returned home in defeat only to set in motion the diamond and gold rushes that transformed southern Africa. And so it went. Most previous historians of the gold rushes have tended to view them as acts of spontaneous nationalism. Each country likes to see its own gold rush as the one that either shaped those that followed or epitomized all the rest. In *The Gold Crusades: A Social History of Gold Rushes 1849-1929*, Douglas Fetherling takes a different approach. Fetherling argues that the gold rushes in the United States, Canada, Australia, New Zealand, and South Africa shared the same causes and results, the same characters and characteristics. He
