The Cross And The Common Man:

The Cross and the Common Man Herman William Gockel,1956 The Cross Douglas Vickers,2010-04-02 A question has challenged the human conscience for two thousand years How are we to explain the presence of Jesus Christ in this world Or who indeed was Jesus Christ A man like the rest of men Or was he a divine Person Why was it that well practiced soldiers who failed to fulfill their commission to arrest him said Never man spoke like this man The early church confirmed the apostles declaration that Jesus Christ was the eternal Son of God and that he came into the world to fulfill a messianic redemptive assignment Christ Jesus the apostle to the Gentiles explained came into the world to save sinners In *The Cross* Its Meaning and Message in a Postmodern World Douglas Vickers sees the cross as the watershed of history The divine objectives that the cross addressed bear vitally on the human condition vitiated as that is by the entailment of sin In an age in which postmodernist claims have rejected absolute criteria of truth and validity the Christ of the cross provides the only refuge for those burdened by the search for meaning *The Cross* explores the way of reconciliation between God and man It affirms the apostolic claim that In Christ are hid all the treasures of wisdom and knowledge Cross and Common Man H. Gockel,1955 *Man At The Cross* Rev. Bagan Tewa,2012-08-27 *MAN AT THE CROSS* seeks simply to awaken the feminine intuitive side of the human race which seems to be dormant in our male dominated society because it comes to the conclusion that if we are to learn lessons from the past in order to affect much needed change looking at the structure of ancient societies that were peaceful and in harmony with God and nature it was the woman who was at the head And if she was not at the head she had equal power in these societies This book does this through an honest soul searching approach to looking at our past history It is prophetic profound and insightful in its reach from the United States Europe the Caribbean and everywhere else in between The reader is sure to be engaged as the author moves naturally to and from the voice of a layman to prophetic wisdom as Reverend speaking here from this pulpit which compels all to listen and pay attention **The Writer and the Cross** Darren J.N. Middleton,2022-06-27 Spiritually engaged readers commonly look toward fiction to better understand the depth of a faithful life and Christians are no exception Many followers of Jesus value beautifully written deftly characterized and pulse quickening literary art that seems more satisfying than dry tedious doctrinal textbooks This book surveys 12 pieces of historical fiction that feature notable Christian thinkers They include an illustrated children s book about St Irenaeus of Lyons a novel about Martin Luther s Reformation a screenplay focusing on Dietrich Bonhoeffer and even a story about Pope Francis narrated in popular manga style Rather than arcane literary analyses this book provides thoughtful and sometimes painful interviews with the authors of the covered works Most interviewees are little known or emerging writers Some have published their work with a church or denominational press others with a major publishing empire or popular print on demand platforms Storytellers reflect on their literary choices and the contexts of their writing sharing what modern Christians can learn from historical religious fiction *The Other Side of the Cross* Harold D. Dunckel,2019-02-15 If

you know God but seem to lack His power and strength elementary things could be getting in the way Jesus in His teaching spoke of this Men do not put new wine into old wineskins otherwise the wineskins burst Matt 9 16 17 Learn what these elementary things are and how they hinder your life with God See how they can be removed and replaced with better things Know the depth and richness of the born again stage Know how it feels to live in the overcoming stage Enjoy life in the ruling stage Be crowned with life in the heavenly stage

The Cross of Christ W. Richard Oakes Jr., 2020-10-06 The Cross of Christ Islamic Perspectives takes an in depth look at all of the classical Muslim scholars considered to have affirmed Jesus crucifixion Each chapter provides the important historical and intellectual context for the commentators As well critical new translations of key texts are provided offering important access to vital documents The author argues that rather than affirming the historicity of the crucifixion the Isma ilis tend to assume its historicity in order to advance important Isma ili doctrines The author also contends that the commentators who explored ways to affirm the crucifixion nonetheless made extensive use of traditional substitution legends that deny the crucifixion In order to orient the reader the book starts by introducing the reader to the Jesus of the Qur an It then compares Him to the Jesus of the New Testament and the Jesus of para biblical literature Upon this Qur anic skeleton the author layers a myriad of details found in seventeen works of classic Islamic literature so that a truly unique authentic and authoritative Jesus of Islam emerges

In the Shadow of the Cross: The Deeper Meaning of Calvary Ray Pritchard, The fallen cross stands as a symbol for the spiritual condition of the church of Jesus Christ in the early days of the twenty first century In many places and many churches the cross has fallen to the ground Instead of boasting in the cross we have neglected it substituting in its place religious activity and therapeutic

language designed to help us feel better about ourselves And yet when the story is truly told it must be said that Christianity is supremely the religion of the cross At the center of our faith a dying man hangs suspended between heaven and earth Pastor Ray Pritchard takes a fresh look at the cross and the God man on it and asks who is He why is He there what are the words he is speaking What did the cross mean to God What did the cross mean to Satan What does the cross mean to you today Pastor Ray Pritchard asks these spiritually provocative questions in what will prove to be a spiritual tonic for your soul Center your world around the anchor of our faith the cross Discover the atonement found where grace and wrath meet Linger at the foot of the cross Paul's Message of the Cross as Body Language Wenhua Shi,2008 Revised version of the author's doctoral thesis Still Worlds Collide Clifford P.
