**The Cross in Our Context** Douglas John Hall, 2003 In this small gem of theological reflection North America's foremost theologian of the cross offers a profound and compelling contemplation on the relevance of the church's most fundamental confession Hall ponders what confessing Jesus as crucified means in today's context one that is postmodern pluralistic multicultural and in some respects post-Christian A digest of his monumental trilogy this book lays out in brief compass the heart of Hall's theology of the cross contrasting it sharply with the theology of established Christianity showing how it reframes classical Christology and soteriology and drawing the implications for what it means to be human for Christian ethics and for the church

**The Cross of Christ** John Stott, 2006-08-31 Why should the cross an object of Roman distaste and Jewish disgust be the emblem of our worship and the axiom of our faith And what does it mean for us today In this thoughtful comprehensive study of Scripture tradition and the modern world John R W Stott brings you face to face with the centrality of the cross in God's plan of redemption

**The Mystery of the Cross** Judith Couchman, 2010-03-05 Christianity is a religion founded on the mystery of the cross of Christ Leo the Great At the center of Christianity sits the cross of Christ From the beginning Christ's followers celebrated the cross as a symbol of their faith It was honored in church worship carved into rough tombstones pressed onto loaves of bread and set out as a sign of sanctuary The cross represented what Christians believed who they hoped for and how they approached life In this thoughtful book Judith Couchman takes up forty images of the cross from early Christianity As we discover the meaning and significance of each of these uses we learn a little more about the early church More than that she helps us focus on the meaning of the cross and the Savior's sacrifice Ideal for Lenten devotional reading and appropriate for any season of the church calendar this book includes original illustrations of each cross image The Mystery of the Cross will enrich your understanding of Christian tradition and draw you into Christ's presence

**The Cross** Max Lucado, 1998 For all eternity the cross of Christ manifests the supreme evidence that God so loved the world With dramatic photos and memorable selections from Max Lucado's treasured writings this magnificent gift book celebrates the glory the mystery and the inescapable reality of the cross Images by internationally known photographers depict the cross in moving ways carved atop an ancient cathedral drawn in the sand caressed in the

prayer worn hands of an aged nun And cross centered inspirational thoughts drawn from Lucado s bestselling books and beautifully highlight God s ultimate sacrifice      **The Cross: Crucified with Christ, and Christ Alive in Me** J. C.

Ryle,2019-11-01 I am crucified with Christ nevertheless I live yet not I but Christ lives in me and the life which I now live in the flesh I live by the faith of the Son of God who loved me and gave himself for me Galatians 2 20 I want to tell you what perhaps the greatest Christian who ever lived the Apostle Paul thought of the cross of Christ Believe me the cross is one of deepest importance This is no mere question of controversy this is not one of those points on which men may agree to differ and feel that differences will not shut them out of heaven A man must be right on this subject or he is lost forever Heaven or hell happiness or misery life or death blessing or cursing in the last day all hinges on the answer to this question What do you think about the cross of Christ Let me show you 1 What the apostle Paul did not glory in 2 What Paul did glory in 3 Why all Christians should think and feel about the cross like Paul      The Cross Robin M. Jensen,2017-04-17 This erudite history illuminates the social cultural as well as theological developments of the cross through 2000 years of its symbolic evolution Library Journal Jesus s death on the cross posed a dilemma for Saint Paul and the early Church fathers Crucifixion was a humiliating form of execution reserved for slaves and criminals How could their messiah and savior have been subjected to such an ignominious death Wrestling with this paradox they reimagined the cross as a triumphant expression of Christ s sacrificial love and miraculous resurrection Over time the symbol s transformation raised myriad doctrinal questions particularly about the crucifix the cross with the figure of Christ and whether it should emphasize Jesus s suffering or his glorification How should Jesus s body be depicted alive or dead naked or dressed Should it be shown at all Robin Jensen s wide ranging study focuses on the cross in painting and literature the quest for the true cross in Jerusalem and the symbol s role in conflicts from the Crusades to wars of colonial conquest The Cross also reveals how Jews and Muslims viewed the most sacred of all Christian emblems and explains its role in public life in the West today      The Cross Donald Hankey,1919

**The Cross** Douglas Vickers,2010-04-02 A question has challenged the human conscience for two thousand years How are we to explain the presence of Jesus Christ in this world Or who indeed was Jesus Christ A man like the rest of men Or was he a divine Person Why was it that well practiced soldiers who failed to fulfill their commission to arrest him said Never man spoke like this man The early church confirmed the apostles declaration that Jesus Christ was the eternal Son of God and that he came into the world to fulfill a messianic redemptive assignment Christ Jesus the apostle to the Gentiles explained came into the world to save sinners In The Cross Its Meaning and Message in a Postmodern World Douglas Vickers sees the cross as the watershed of history The divine objectives that the cross addressed bear vitally on the human condition vitiated as that is by the entailment of sin In an age in which postmodernist claims have rejected absolute criteria of truth and validity the Christ of the cross provides the only refuge for those burdened by the search for meaning The Cross explores the way of reconciliation between God and man It affirms the apostolic claim that In Christ are hid all the treasures of wisdom and

knowledge     *Jesus on the Cross: WHY?* Philip St. Romain, 2010-06-07 What exactly do we mean when we say that Jesus died for our sins What are the implications of his death for our lives today In this book author Philip St Romain elaborates an understanding of the crucifixion that makes sense today and shows how this understanding and appreciation can make a difference in people s lives St Romain s reflections focus on several themes including the crucifixion as a fulfillment of the Jewish traditions of a suffering servant as a new covenant between God and the human race as an expiatory sacrifice as a means of breaking the power of sin His discussions are carried on in pastoral terms derived from scripture and his experience of living and working in the world Most chapters include a section on catechetical considerations of a renewed understanding of the crucifixion as well as questions for personal reflection and discussion     **The Cross** Rod Parsley, 2013 Rod Parsley takes you deep into the mysterious territories of what the Bible calls the foolishness of the cross and the scandal of Jesus s sacrifice to explore the significance of the cross in the unfailing light of Scripture     History of the cross Henry Dana Ward, 2022-07-30 Reprint of the original first published in 1871     **The Cross of Christ** Andrew Murray, 2017-09-05 Andrew Murray relates in this work the importance of the cross to Christian belief and to the lessons which Jesus Christ wanted to teach all of mankind Although demonstratively brief Murray s explanations contain a conviction and poignancy explaining the centrality and vitality of the crucifix to the Christian faith The crucifixion s importance in Christ s message and destiny and the reasons behind why his spirit was led to a painful end upon the cross are keenly discussed by Murray He delivers explanations of the cross as a symbol of Christian attainment wherein God takes possession of the human soul and frees it from sin for eternity Andrew Murray authored 200 works on the religion and ministry of Christianity the Bible and on topics inspiring Christians to lead virtuous and happy lives Murray spent most of his life imparting the word of God in churches throughout South Africa and in the 1880s became an important figure in the founding of the South African General Mission     **Savior** Magrey deVega, 2020-12-15 The cross is the central symbol of the Christian faith But what exactly did Jesus do to save us from our sins Why was the cross necessary and what does it mean for us today In *Savior What the Bible Says About the Cross* Magrey deVega faithfully describes the need for reconciliation between humankind and a holy God through Jesus death on the cross The Bible uses many images to understand the meaning of Jesus death and resurrection and deVega guides us through these images to achieve a richer understanding of the Christian faith By exploring the mystery of salvation through the cross we can deepen our love for God and others and strengthen our commitment to follow Jesus Components for this six session study will include a book leader guide and a DVD with videos featuring deVega presenting each chapter s main ideas and themes The leader guide will include instructions for showing and discussing these videos as an option for the group leader     **Heaven on Earth to Me; Or, The Cross of Jesus** David THOMPSON (Author of "The Bleeding Heart, " etc.), 1865     *The Sign of the Cross in the Nineteenth Century* Mgr. **The Theology of the Cross in Historical Perspective** Anna M.

Madsen,2007-01-01 The theology of the cross is indisputably a trendy concept today Numerous seminars books and dissertations tackle the topic But The Theology of the Cross in Historical Perspective demonstrates that theology of the cross is no passing fancy Theologies of the cross appear at the beginnings of the church in the sixteenth century reformations of the church and in the more contemporary modernization of the church Without theologies of the cross what the church is called to be and to preach becomes unclear So then what is the theology of the cross Anna Madsen surveys the theology of the cross in the thinking of Paul and Luther She also outlines several important twentieth century contributions to the subject On the basis of her analysis Madsen suggests that the theology of the cross reveals God to be found even in death In death after all boundaries disappear The theology of the cross assures Christians that God is present in the death of sin and in the realities of suffering and uncertainty Given that it announces God s presence the theology of the cross is ultimately a theology of grace freedom and trust
