The Crosseyed Christ:

Stumbling over the Cross Joni S. Sancken, 2016-04-21 It has never been easy to preach about the cross and resurrection of Jesus but difficulties today are particularly challenging Hearers ask tough questions of the church and the Christian faith and they are not satisfied by formulaic answers People are often suspicious of doctrine and are attracted to a broad but vague or pluralistic spirituality rather than the classical claims of Christianity In this climate preachers often see preaching on the central events of the Christian story the crucifixion and resurrection as more of a problem than a possibility more of a burden than a joy They wonder not only how to preach the old old story of cross and resurrection but whether they should preach these themes at all This book addresses these concerns and shows preachers how to preach the cross and resurrection in fresh culturally relevant ways that deepen Christian discipleship Each chapter shows the relevance of preaching the cross for addressing a particular congregational concern What has ironically become a stumbling block in the pulpit the stone that preachers often reject preaching on the cross and resurrection of Jesus can serve as the cornerstone for building up the congregation for discipleship in our world **Evil Children in Religion, Literature, and Art** E.

Ziolkowski, 2001-05-21 Evil Children in Religion Literature and Art explores the genesis development and religious significance of a literary and iconographic motif involving a gang of urchins usually male who mock or assault a holy or eccentric person typically an adult Originating in the biblical tale of Elisha's mockery 2 Kings 2 23 24 this motif recurs in literature hagiography and art from antiquity up to our own time strikingly defying the conventional Judeo Christian and Romantic image of the child as a symbol of innocence **The Cure for Common Christianity** Tommy Galloway, 2007-04 Using a command of theology and a unique witty writing style Pastor Galloway outlines the formula to alleviate church apathy The cure is simple a full fledged return to the basics of Christianity Christian *The Word in Season: Jul-Sep 2024*, 2024-06-17 The Word in Season is a quarterly Christian devotional that connects faith and life in a timely reflection for each day These messages and prayers are based on scripture readings from Revised Common Lectionary Daily Readings Each day offers a Bible verse a personal commentary or meditation a suggested prayer concern and a unique prayer Various writers contribute to each issue offering a variety of perspectives I Can't See God-- Because I'm in the Way Bruce Bickel, Stan

Jantz, 2009 Advises readers to examine their relationship with God and describes how to restore faith and interest in spirituality without falling for the clichés of their own belief behaviors God Laughs & Plays David James Duncan, 2007 Duncan offers a collection of churchless sermons stories memoir and conversations with the affirmation that the way of life preached and embodied by Jesus is apolitical **We Wish to See Jesus** Pastor Dennis Thomas, 2012-11-30 We Wish To See Jesus is a daily devotional book giving a quick cogent thought from the four gospels in chronological narrative designed to help you see Jesus every day of the year Jesus has love in his heart mercy in his eyes grace on his lips healing in his hands power in his spirit forgiveness in his blood and you on his mind **God Is Love** Brian Doyle, 2003 A collection of essays on

spirituality from Portland Magazine featuring the work of nationally known writers such as Barry Lopez Terry Tempest Williams and Cynthia Ozick Take Up and Preach Blayne A. Banting,2016-03-08 The foundation of a good biblical sermon is the biblical text Take Up and Preach is a helpful guide for the preacher in how to approach a biblical text with the intention of preaching its life giving message Blayne Banting uses memorable images and careful instructions to aid the preacher through the process of understanding a theology of preaching selecting and interpreting a preaching text right up to the point of producing the sermon outline Take Up and Preach both grounds and guides the preacher in a sound method for biblical preaching and does so with a number of practical helps to aid in the process The Book of Life Ronald Thomas Brake,2023-02-09 What is life all about What wisdom and life lessons have you learned What are the enduring essential truths and treasures of life that you must share and pass on to your children family and friends A father's intention is to leave a rich legacy of love to his own family by providing solid and simple instructions and meaningful answers to life's most important questions He ambitiously begins to layout the basics of finding lasting purpose meaning and direction in life when he realizes that this is much more than just a personal project His book became a mission to bring a message of TRUTH to anyone who dares to read it This foundational journey of life and faith tackles some tough subjects HEAVEN and HELL LIFE and DEATH There is also a curious character an alter ego who persistently poses questions commonly asked by critics and skeptics of Christianity Using candid personal experiences and creative illustrations the author seeks to establish common ground with fellow travelers Where have you been on life's journey Where are you headed

Lyman, 2009-08 This book is an exciting opportunity for exercising individual thought based upon humanity s search for a significant role in the ongoing drama of a much better world It is a challenge to all of humanity of every race and culture every religious faith and to those who possess an avid religion of no religion the pure atheist Throughout the book the author proclaims the dignity of the human creature as he seeks his destiny It reflects a destiny that exists beyond all human comprehension and is not to be restricted by any religion especially Christianity The author suggests that the most tragic happening for the Christian faith is that it has been categorized as just another religion The central theme of the book is that there is an awesomely bigger picture for the success of human life and we are a precise part of its unfolding as humans with the gifts of a reasoning mind and a delicate inner spirit searching for meaning and destiny The book suggests that the ultimate destiny and goal is the ultimate perfection of human nature his character and his behavior This lies at the heart of all searching minds and spirits as they are driven to a discovery or destiny Contained in Paul s letter to the Corinthians in the first century is his observation that the human eye has never seen or the ear heard nor has there entered into the mind of any man what it is that God has prepared for those who love Him This book affirms that God is and that God possesses the true blueprint for the perfection of human nature Our human destiny is dependent upon our relationship to the Master Creator and our cooperation with Him This is a crucial ingredient of all religions and for all human beings who can recognize that God has created the human creature in His own image of a mind and spirit capable of communication with Him This book does not attempt to identify the realistic facts of what the bigger picture is like It only challenges us to realize that there is a bigger picture and we humans must participate in the development of it We can only use our God given minds and our spirits to cooperate with God in the attainment of a perfect humanity in a perfect new world The book is designed as a thinking and pondering opportunity It consists of nine chapters containing commentaries on the meaning of life followed by thought provoking sermons preached many years ago but are currently challenging with a great depth of thought that enables the reader to ponder and consider and experience what it is that is happening to us as a part of the drama of world history and cosmic exploration The Christian event is vital to our thinking exploration because it was a happening that revealed the simple but essential fact that we humans are a part of a dramatic movement of life that involves the entire panorama of the cosmic universe The book is full of affirmations that we humans are a part of a much more significant existence than we realize Chapter titles reflect the insightful progress of the book Chapter 1 The Prelude Chapter II The Glory of Life Chapter III The Vital Truth That Eludes Us Chapter IV Life is Utterly Amazing Chapter V What is Really Going On Chapter VI Faith Is Vital Chapter VII When Hope Comes Alive Chapter VIII Love Is Like a Miracle and Chapter IX Your Ultimate Goal The final statement of the author reflects his common sense analysis of human life He states that There is

no such thing as perfection in this life but ultimately in God's Bigger Picture there will be It is God's goal for His human creation you and me

Popularizing Anti-Semitism in Early Modern Spain and its Empire Francois Soyer, 2014-03-06 This book charts the history and influence of the most vitriolic and successful anti-Semitic polemic ever to have been printed in the early modern Hispanic world and offers the first critical edition and translation of the text into English First printed in Madrid in 1674 the *Centinela contra judos* Sentinel against the Jews was the work of the Franciscan Francisco de Torrejoncillo who wrote it to defend the mission of the Spanish Inquisition to call for the expansion of discriminatory racial statutes and finally to advocate in favour of the expulsion of all the descendants of converted Jews from Spain and its empire Francisco de Torrejoncillo combined the existing racial theological social and economic strands within Spanish anti-Semitism to demonize the Jews and their converted descendants in Spain in a manner designed to provoke strong emotional responses from its readership
