1953

GENRE

Historical

ABOUT THE TITLE

The title *The Crucible* refers to a vat capable of withstanding high temperatures and intended for melting metal into liquid. The 1692 Salem witch trials created a personal and public “crucible” for the citizens of Salem Village, Massachusetts, whose characters were tested under enormous social

pressure to determine the guilt or innocence of those accused of practicing witchcraft.

🕒 In Context

Puritanism

The Puritan religion had its roots in a movement to “purify” the Church of England, formed in 1534 when Henry VIII broke from the Roman Catholic church, of any elements of Catholicism. Puritans drew on the teachings of John Calvin (1509–64). Their beliefs included predestination, the idea that some people are “elected” by God at their birth to go to heaven; their strict religious beliefs informed every aspect of their lives.

Unable to achieve the reform they sought or to practice their religion freely in England, many Puritans left England. Between 1630 and 1640 about 20,000 people, mostly Puritans, settled in the Massachusetts Bay Colony, founded in 1628, with centers in Boston and Salem. Their form of government was a theocracy, a government ruled by religious leaders in the name of God.

As Arthur Miller points out in his “Overture” to *The Crucible*, the theocracy allowed the Puritans to survive as a community in a harsh environment. At the same time the repressive and judgmental government gave the citizens no vent for ordinary human emotions—a condition that, in Miller’s opinion, led inevitably to the Salem witch trials.

The Salem Witch Trials

The Salem witch trials began in early 1692 when a group of Puritan girls in Salem Village (present-day Danvers), Massachusetts, exhibited odd symptoms, including screaming
