

THE BILLINGS METHOD

*Controlling fertility
without drugs or devices*

Two doctors have discovered that nature has provided women with an observable signal of fertility each menstrual cycle, and that women can use this knowledge of their bodies to achieve or avoid pregnancy. The Pill and the IUD are potentially harmful man-made methods of dealing with natural processes. They are not necessary to control fertility...

The Billings Method Evelyn Billings, Ann Westmore, 2000 **The Billings Method of Natural Family Planning** Evelyn Billings, Ann Westmore, 1980 *The Subfertility Handbook* Gabor Kovacs, 1997-09-11 An essential practical guide for clinicians treating patients with infertility Biomedicine and Beatitude Nicanor Pier Giorgio Austriaco, 2021-06-25 This timely and up to date new edition of Biomedicine and Beatitude features an entirely new chapter on the ethics of bodily modification It is also updated throughout to reflect the pontificate of Pope Francis recent concerns including ethical issues raised by the COVID 19 pandemic and feedback from the many instructors who used the first edition in the classroom

Population and Society Dudley L. Poston, Jr, Leon F. Bouvier, 2016-12-28 This comprehensive yet accessible textbook is an ideal resource for undergraduate and graduate students taking their first course in demography Clearly explaining technical demographic issues without using extensive mathematics Population and Society is sociologically oriented but incorporates a variety of social sciences in its approach including economics political science geography and history It highlights the significant impact of decision making at the individual level especially regarding fertility but also mortality and migration on population change The text engages students by providing numerous examples of demography s practical applications in their lives and demonstrates the extent of its relevance by examining a wide selection of data from the United States Africa Asia and Europe This thoroughly revised edition includes four new chapters covering topics such as race and sexuality and encourages students to consider the broad implications of population growth and change for global challenges such as environmental degradation The Contraception Deception: Catholic Teaching on Birth Control Patrick Coffin, 2018-05-01 The Contraception Deception Catholic Teaching on Birth Control by author Patrick Coffin is a comprehensive assessment of the Church s sexual ethic In this expanded revised edition of *Sex Au Naturel What It is and Why It s Good for Your Marriage* Coffin demonstrates how the rejection of *Humanae Vitae* impacts more than just our national birthrates With relevant insight into the development and reception of Paul VI s landmark 1968 encyclical Coffin explains why *Humanae Vitae* is more timely than ever In *The Contraception Deception* you ll learn where exactly the Bible teaches against birth control the differences between contraception and natural family planning hint they re more profound than you think why other reproductive technologies fall short of God s vision for marriage and family and most importantly how to rely on the ever present grace of God rather than your own strength in faithfully following this challenging life giving aspect of Christian discipleship **The Long Sexual Revolution** Hera Cook, 2004-02-05 In this book Hera Cook traces the path of sexuality in England and shows how its route was determined by the gradual exertion of control over fertility Most sexual activity had major economic and social costs the most fundamental of which was the physical cost of children upon women s bodies Around 1800 birth rates reached historical heights Using a combination of demographic and qualitative sources Dr Cook examines the connection between the struggle to lower fertility and the increasing repression of sexuality

throughout the nineteenth century Contraception became a viable option in the early twentieth century The book charts the resulting slow relaxation of attitudes to sexuality and the remaking of heterosexual physical behaviour culminating in the sexual revolution of the 1960s *Bodies of Technology* Ann Rudinow Saetnan, Nelly Oudshoorn, Marta Stefania Maria Kirejczyk, 2000 This work is based on a concern for women's health and autonomy and on the premise that technology and society mutually shape one another A basic question is one of cultural appropriation Do technologies take on different shapes different practices and have different impacts as they spread from one place to another By juxtaposing a number of culturally and historically contextualized studies of similar technologies the editors demonstrate that although technologies globalize by spreading among cultures they are also localized by the cultures they encounter **Humanae Vitae, 50 Years Later** Theresa Notare, 2019-06-28 In the life of the Catholic Church the papal encyclical *Humanae vitae* represents a deepening of understanding regarding the nature of married love and the transmission of life Despite fifty years 1968 2018 since its promulgation many Catholics have yet to discover the treasure of these rich teachings This volume therefore seeks to elucidate the encyclical's reaffirmation of the divine plan It does this in a unique way by providing essays from experts of various disciplines that include history theology science medicine law and governmental policy The occasion of the fiftieth anniversary of *Humanae vitae* offers a teaching moment In this compendium experts representing a variety of disciplines including history culture theology medicine law and psychology present their reflections upon God's divine plan as described in *Humanae vitae* The authors first presented this work in an abbreviated form at a symposium held at The Catholic University of America April 4-6 2018 Here their presentations are substantively developed and hopefully will encourage further scholarly work Ultimately their purpose is to help the reader arrive at a more positive understanding of the teachings found in *Humanae vitae* Although designed for the educated reader the essays presume that when the teachings of *Humanae vitae* are embraced by men and women they can contribute to the healing of the wounds of a world broken by sin but redeemed by Christ **Human Sexuality** Vern L. Bullough, Bonnie Bullough, 2014-01-14 First Published in 1994 The purpose of an encyclopedia is to gather in one place information that otherwise would be difficult to find Bring together a collection of articles that are authoritative and reflect a variety of viewpoints The contributors come from a wide range of disciplines from nursing to medicine from biology to history and include sociologists psychologists anthropologists political scientists literary specialists academics and non academics clinicians and teachers researchers and generalists
