Grossman,Nia Lane Chester,2013-04-15 In the past social scientists have relied predominantly on traditional models of work to understand women s experiences These models however have been based on men s occupational experiences which have been assumed to be the same for women More recently researchers and theorists from a variety of disciplines have begun to challenge earlier assumptions as inaccurate reflections of the realities for female workers Newer studies have concentrated on the historical and social reasons for women s employment and career choices including changes in economy family and social conditions To provide a deeper understanding of women worker s realities by including the meaning they make of their work experiences the editors have assembled the research of social scientists from various disciplines whose investigations focused exclusively on this subject Their qualitative methodology provides a forum for women to voice issues raise questions and share self reflections about their work experiences and the meaning they make of their work in the context of the rest of their lives The common themes that are interwoven within the fabric of women s work experience are the need to expand traditional definitions of what constitutes work the fluid nature of boundaries between personal life and work life the importance of the relational aspects of their work the issues related to the uses of power at work the role of work in the development of women s sense of self and personal identity and the degree to which women s work experience is colored by discrimination and sexism *The Transition to Parenthood* Gerald Y. Michaels,Wendy A. Goldberg,1988-10-13 This 1988

book brings together leading scholars from a range of disciplines concerned with the study of the transition to parenthood The text discusses the reasons why some new parents experience an enhanced sense of self and a deepening of important relationships whereas others experience crisis and conflict Unhappy mothers Sarah Crook,2025-07-29 In the decades

following the Second World War mothers experiences of loneliness boredom and unhappiness were increasingly widely acknowledged The language of postnatal depression came to be attached to this but mothers organised around their own discontent in ways that challenged the medical model *Unhappy mothers* draws attention to the social political and professional contexts within which knowledge about unhappy mothering developed Drawing upon an extensive range of archival material the book addresses themes around expertise feminism and the value given to lived experience The

Work of Psychoanalysis Dana Birksted-Breen,2016-02-05 Psychoanalysts working in clinical situations are constantly confronted with the struggle between conservative forces and those which enable something new to develop Continuity and

change stasis and transformation are the major themes discussed in *The Work of Psychoanalysis* and address the fundamental question How does and how can change take place *The Work of Psychoanalysis* explores the underlying coherence of the complex linked issues of theory and practice Drawing on clinical cases from her own experience in the consulting room Dana Birksted Breen focuses on what takes place between patient and analyst giving a picture of the interlocking and overlapping vertices that make up the work needed in psychoanalysis Some of the key topics covered include sexuality aspects of female identity eating disorders time dreams disturbances in modalities of thought and terminating psychoanalysis This book draws different traditions into a coherent theoretical position with consequences for the mode of working analytically *The Work of Psychoanalysis* will appeal to psychoanalysts and academics in psychoanalysis psychotherapists as well as postgraduate students studying courses in these fields **The Gender of Psychology** Tamara Shefer, Floretta Boonzaier, Peace Kiguwa, 2006 Psychology as a discipline has been criticised for perpetuating sexism reproducing gender inequality and neglecting marginalised perspectives **The Israel Annals of Psychiatry and Related Disciplines** ,1978 Spare Rib ,1978 **The First Pregnancy** Jellemieke Christine Hees-Stauthamer, 1985
