Germany Volker Bach, 2016-09-30 In international culinary history Germany is still largely a blank space its unparalleled wealth of source material and large body of published research available only to readers of German This books aims to give everybody else an overview of German foodways at a crucial juncture in its history The Reformation era broadly speaking from the Imperial Reforms of the 1480s to the beginning of the Thirty Years War laid the foundations for many developments in German culture language and history not least the notion of its existence as a country Understanding the food traditions and habits of the time is important to anyone studying Germany s culinary history and identity Using original source material food production processing and consumption are explored with a view to the social significance of food and the practicalities of feeding a growing population Food habits across the social spectrum are presented looking at the foodways of rich and poor in city and country The study shows a foodscape richly differentiated by region class income gender and religion but united by a shared culinary identity that was just beginning to emerge An appendix of recipes helps the reader gain an appreciation of the practical aspects of food in the age of Martin Luther **BOB COOK AND THE GERMAN SPY** PAUL G. TOMLINSON, 1917

German Cookery Elizabeth Schuler, 1968-12-13 From the Crown Classic Cookbook series which features a collection of the world s best loved international cookbooks specially adapted for use in American kitchens *Bob Cook and the German Spy* Paul G. Tomlinson, 2004-10 Every one knows that Germany is famous for her spy system Scarcely a land on earth but is or was honeycombed with the secret agents of the German Government Ever since this country began to send war munitions to the Allies an organized band of men has plotted and schemed against the peace and welfare of the United States When America itself declared war their efforts naturally were redoubled Our Secret Service has been

wonderfully efficient but it has not been humanly possible to apprehend every spy and plotter at once It is a big task to unravel all the secrets of this great German organization We are at war with Germany now and it is the duty of every American to help his government in every way he can This book is the story of how two boys too young to enlist did their bit right in their own home town It is not an exaggerated tale but presents in story form what has actually happened all around us Due allowance is made for the fact that the most of our citizens of German birth and descent are good Americans No one whose motto is America First need fear offense from anything contained in the story of Bob Cook and The German Spy Two boys loved their country and did their duty by it May we all do as well **Cooking the German Way** Helga

Parnell,2003-01-01 An introduction to the cooking of Germany featuring such traditional recipes as spaetzle hot potato salad Black Forest torte and marzipan Also includes information on the history geography customs and people of this European country **The Cook's Encyclopedia of Chocolate** Christine McFadden,Christine France, *The German Cookbook*

German National Cookery for American Kitchens Henriette Davidis,1904 *Homosexuality in the German Armed Forces* Klaus Storkmann,2024-12-30 Until 1979 homosexual men were systematically exempt from military service in the Bundeswehr Although homosexuality alone was no longer a cause for being unfit for service the principle applied to homosexual soldiers was compulsory military service yes career no In most cases same sex orientation made it impossible to become an officer And it was classified as a security risk It was not until 2000 that the Federal Ministry of Defense changed its course Klaus Storkmann is the first to examine the Bundeswehr's handling of homosexual soldiers on the basis of interviews court records and papers of the Federal Ministry of Defense A comparison with other armed forces and the public service in the Federal Republic of Germany places the Bundeswehr actions in a larger context The study proves that homosexuality has always been an issue in the military and continues to be so in many places it is based on retrospective views on former German armed forces in particular the National People's Army of the GDR and includes side glances at armies of other states *Industrial Education and Industrial Conditions in Germany*,1905 **The Chautauquan**,1883

Tearing the Silence Ursula Hegi,2011-05-24 Ursula Hegi grew up in Germany and moved to the United States at age eighteen As she grew older and raised a family questions about her roots and her native land haunted her until at last she felt compelled to write about them *Tearing the Silence* brings together her interviews with dozens of German born Americans and their confrontations with the taboo of the Holocaust **German Raiders of the First World War** Chris Sams,2017-04-20 The untold and full story of German warships and auxiliary cruisers in the Pacific Ocean during the First World War Combines the views of the British German French and Canadian commanders for the first time Lavishly illustrated with many unpublished images of interest to the military historian and modeller alike As the world plunged into war in

August 1914 two German fleets and several cruisers lay beyond the North Sea posing a serious threat to British merchant vessels and naval superiority Beyond the British blockade there was little chance of reinforcements and resupply of ammunition Admiral Souchon crossed the Mediterranean with a superior French and British fleet in pursuit Vice Admiral von Spee had to decide what to do half a world away from Germany with colonies and friendly shipping rapidly being overtaken by Allied forces With only the ammunition onboard his vessels he had to fight his way through British lines to get his men home Karl von M ller led the Emden on a daring campaign of commerce raiding as did the commander of the Karlsruhe Other cruisers also carried out warfare seriously affecting Allied merchant shipping However the Royal Navy spent precious resources to remove these threats and Admiral Craddock swept down the coast of North America chasing phantoms only to find what he was looking for was at Coronel and the Falklands Islands
