The Coolie Connection From The Orient To The Occident:

The Coolie Connection Mahin Gosine,1992 **Aspects of Indentured Inland Emigration to North-East India, 1859-1918** Jagdish Chandra Jha,1996 Based Mainly On Archival Material This Work Shows How The Tea Planters The Colonial Government And The Local Government Combined To Exploit The Meek And Docile Non Assamese Immigrant Labour In North East India Sociology and Social Anthropology in India Yogesh Atal,2009 The Indian Council of Social Science Research the premier organization for social science research in India conducts periodic surveys in the major disciplines of the social sciences to assess disciplinary developments as well as to identify gaps in research in these disciplines **The Ivory Tower and Beyond** Susan Cochrane,Doug Munro,Max Quanchi,2009-03-26 There is a tradition of participant history among historians of the Pacific Islands unafraid to show their hands on issues of public importance and risking controversy to make their voices heard This book explores the theme of the participant historian by delving into the lives of J C Beaglehole J W Davidson Richard Gilson Harry Maude and Brij V Lal They lived at the interface of scholarship and practical engagement in such capacities as constitutional advisers defenders of civil liberties or upholders of the principles of academic freedom As well as writing history they made history and their excursions beyond the ivory tower informed their scholarship Doug Munro s sympathetic engagement with these five historians is likewise informed by his own long term involvement with the sub discipline of Pacific History Contradictory Indianness Atreyee Phukan,2022-07-15 As Contradictory Indianness shows a postcolonial Caribbean aesthetics that has from its inception privileged inclusivity interraciality and resistance against Old World colonial orders requires taking into account Indo Caribbean writers and their reimagining of Indianness in the region Whereas for instance forms of Indo Caribbean cultural expression in music cuisine or religion are more readily accepted as creolizing thus Caribbeanizing processes an Indo Caribbean literary imaginary has rarely been studied as such Discussing the work of Ismith Khan Harold Sonny Ladoo Totaram Sanadhya LalBihari Sharma and Shani Mootoo Contradictory Indianness maintains that the writers engagement with the regional and transnational poetics of the Caribbean underscores symbolic bridges between cultural worlds conventionally set apart the Africanized and Indianized and distinguishes between cultural worlds assumed to be the same indenture and South Asian Indianness This book privileges Indo Caribbean fiction as a creolizing literary imaginary to broaden its study beyond a narrow canon that has inadvertently or not enabled monolithic and unidimensional perceptions of Indian cultural identity and evolution in the Caribbean and continued to impose a fragmentary and disconnected study of post indenture aesthetics within indenture s own transnational cartography Arising from Bondage Ron Ramdin,2000-04 Arising from Bondage is an epic story of the struggle of the Indo Caribbean people From the 1830 s through World War I hundreds of thousands of indentured laborers were shipped from India to the Caribbean and settled in the former British Dutch French and Spanish colonies Like their predecessors the African slaves they labored on the sugar estates Unlike the Africans their status was ambiguous not actually

enslaved yet not entirely free they fought mightily to achieve power in their new home Today in the English speaking Caribbean alone there are one million people of Indian descent and they form the majority in Guyana and Trinidad and Tobago This study based on official documents and archives as well as previously unpublished material from British Indian and Caribbean sources fills a major gap in the history of the Caribbean India Britain and European colonialism It also contributes powerfully to the history of diaspora and migration The World Next Door Rajini Srikanth,2004 This book grows out of the question At this particular moment of tense geopolitics and inter linked economies what insights can South Asian American writing offer us about living in the world South Asian American literature with its focus on the multiple geographies and histories of the global dispersal of South Asians pulls back from a close up view of the United States to reveal a wider landscape of many nations and peoples South Asian American poets novelists and playwrights depict the nation as simultaneously discrete and entwined with the urgencies of places as diverse as Bangladesh Sri Lanka India Burma Pakistan and Trinidad Drawing on the cosmopolitan sensibility of scholars like Anthony Appiah Vinay Dharwadker Martha Nussbaum Bruce Robbins and Amartya Sen this book exhorts North American residents to envision connectedness with inhabitants of other lands The world out there arrives next door Current Awareness Bulletin ,1993 America and India in a 'give & Take' Relationship Jagat K. Motwani,2003 **Oriental and Occidental Culture** Maurice Parmelee,1928

The Indian Diaspora N. Jayaram,Yogesh Atal,2004-05-24 N Jayaram provides a well presented overview of the patterns of emigration from India highlighting the key disciplinary perspectives and strategic approaches The study of Indian diaspora has emerged as a rich and variegated area of multidisciplinary research interest This volume brings together nine seminal articles by well known scholars which deal with the empirical reality of Indian diaspora and the theoretical and methodological issues raised by it Between them they cover a variety of important aspects such as asocial adjustment family change religion language ethnicity and culture American Immigrant Cultures David Levinson,Melvin Ember,1997 The United States is a nation of immigrants Since the Declaration of Independence but especially since the mid nineteenth century **Global Indian Diaspora** Jagat K. Motwani,Mahin Gosine,Jyoti Barot-Motwani,1993 **Diaspora Philanthropy and Equitable Development in China and India** Peter F. Geithner,Paula D. Johnson,Lincoln C. Chen,2004 In an era of accelerated globalization the relationship between diaspora philanthropy and economic and social development is increasingly relevant This volume advances understanding of diaspora philanthropy in Chinese American and Indian American communities especially the implications for development of the world s two most populous countries *Across the Dark Waters* David Dabydeen,Brinsley Samaroo,1996 Across the Dark Waters presents fresh insights and new research in the area of race and gender relations Indo African cross cultural accommodation and Indo Caribbean history **Indian Diasporic Literature** Shalini Dube,2009 *Transnational Indian Diaspora* Ajaya Kumar Sahoo,2006 **Man in India** Sarat Chandra Roy (Rai Bahadur),2008 *Eastern and Western Synergies and Imaginations* Katrine Wong,2020-10-12

Eastern and Western Synergies and Imaginations Texts and Histories is a product of east west studies crossed with adaptation studies it goes beyond evaluation of cultural interactions and discussion of forms and manners of adaptation This volume brings together critical discourses from various cultural locales which have developed from and thrived on the notion of East meets West or West meets East The 10 chapters trace and investigate cross trans or multi cultural interpretations of fictional and non fictional narratives that feature people and events in cities and regions which thrive or have thrived as East West hubs thereby expounding multiple layers of relationship between source texts and new texts An allegorical play The Three Ladies of Macao premi red in December 2016 is now published as appendix in this volume

Religion and Politics

Jan-Erik Lane,Hamadi Redissi,2020-07-24 Offering a timely new appraisal of the political and social impact of Islam Religion and Politics will be welcomed by political scientists and historians alike In this work Jan Erik Lane and Hamadi Redissi employ a Weberian approach underlining the social consequences of religious beliefs to account for the political differences between the major civilizations of the world against the background of the rise of modern capitalism in the Occidental sphere Compared with Weber and his emphasis upon economic modernization the perspective on religion is broadened to encompass post modernity particular attention is paid to human rights and the rule of law This thought provoking work raises the question of whether the tenets of Islam might be reconciled with the requirements of post modernity
