e-Conquer Creative Writing For Primary Levels 6

Natalie A J, 2012-05-14 CONQUER CREATIVE WRITING BOOK 6 consists of units covering four areas all of which aim to strengthen a student's writing ability. It provides students with situations outside their normal classroom learning, inviting them to stretch their imagination and express their thoughts through writing, thus enabling them to enjoy and be creative in writing. In this book, students will learn to write descriptive, narrative, expository, and imaginative compositions, differentiate and organize ideas using the methods of classification, comparison, and contrast, sequencing, and cause and effect, relate to a given situation and its possible outcomes, and think and write creatively. Students will find the exercises interesting and the open-ended questions challenging. It is our desire that students who have completed this series will find themselves equipped to discuss issues beyond their years.
