The Slang of Sin Tom Dalzell, 1998 Lists and defines the terminology used in association with such vices as drinking sex drugs and gambling

Slang Michael Adams, 2012-08-01 Slang writes Michael Adams is poetry on the down low and sometimes lowdown poetry on the down low but rarely if ever merely lowdown It is the poetry of everyday speech the people's poetry and it deserves attention as language playing on the cusp of art In *Slang The People's Poetry* Adams covers this perennially interesting subject in a serious but highly engaging way illuminating the fundamental question What is Slang and defending slang and all forms of nonstandard English as integral parts of the American language Why is an expression like bed head lost in a lexical limbo found neither in slang nor standard dictionaries Why are snow boarding terms such as fakie goofy foot ollie and nollie not considered slang As he addresses these and other lexical curiosities Adams reveals that slang is used in part to define groups distinguishing those who are down with it from those who are out of it Slang is also a rebellion against the mainstream It often irritates those who color within the lines indeed slang is meant to irritate sometimes even to shock But slang is also inventive language both fun to make and fun to use Rather than complain about slang as bad language Adams urges us to celebrate slang's playful resistance to the commonplace and to see it as the expression of an innate human capacity not only for language but for poetry

overwhelming cities in unprecedented numbers At the center of this development are young refugee men who migrate to urban areas This volume the first full length study of urban refugees in hiding tells the story of Burundi refugee youth who escaped from remote camps in central Tanzania to work in one of Africa s fastest growing cities Dar es Salaam This steamy rundown capital would seem uninviting to many particularly for second generation survivors of genocide whose lives are ridden with fear But these young men nonetheless join migrants in Bongoland meaning Brainland where as the nickname suggests only the shrewdest and most cunning can survive Mixing lyrics from church hymns and street vernacular descriptions of city living in cartoons and popular novels and original photographs this book creates an ethnographic portrait of urban refugee life where survival strategies spring from street smarts and pastors warnings of urban sin and mastery of popular youth culture is highly valued Pentecostalism and a secret rift within the seemingly impenetrable Hutu ethnic group are part of the rich texture of this contemporary African story Written in accessible prose this book offers an intimate picture of how Africa is changing and how refugee youth are helping to drive that change *Masked Identities* Dale

Kulhawy,James Michael Duncan,Harry Bolton Seed,1969 The objective of this investigation was to develop procedures for conducting finite element analyses of stresses and movements in embankments during construction The procedures developed involve incremental analyses simulating successive stages during construction of the embankment and employ nonlinear stress strain parameters determined from the results of laboratory tests Previous studies of the nonlinear stress dependent stress strain behavior of soils were extended during this investigation to include variations of Poisson s ratio values as well as modulus values for use in incremental analyses In order to examine the suitability of these procedures for representing the stress strain characteristics of a wide variety of soils under both drained and undrained test conditions the procedures were applied to 46 different soils ranging from cobble sizes to highly plastic clays for which stress strain information had been published or was available from other sources In each case it was found that the simple procedures developed for representing nonlinear stress dependent soil stress strain behavior were convenient and provided reasonably accurate representations of the actual soil behavior Author *Century Illustrated Monthly Magazine ...* ,1921
