Testimony Of St Paul:

The Testimony of St. Paul to Christ Viewed in Some of Its Aspects Richard John Knowling, 1905 [The Testimony of St. Paul](#) Carlo Maria Martini, 1989 **The Testimony of St. Paul to Christ** Richard John Knowling, 1906 [The Testimony of St. Paul to Christ](#) Richard John Knowling, 2015-07-07 Excerpt from *The Testimony of St Paul to Christ Viewed in Some of Its Aspects* The following pages whilst they make no pretension to exhaust a great subject represent an earnest endeavour to emphasise the permanent interest and significance of St Paul s testimony to Christ It may perhaps seem needless to have referred from time to time to the theories of Dr Van Manen but two reasons for this may be given 1 that an attempt has been made to deal with such theories at first hand 2 that these theories have not only been popularised in Germany during the past year by a certain Pastor Kalthoff but also in England by J M Robertson in *Pagan Christs* and by the publications of the Rationalist Press Association With regard to the second series it may be well to add that the testimony of St Paul to the facts and teaching of the Gospels is worked out on lines different from those pursued in the *Witness of the Epistles* as it is here considered in relation to each group of the Apostle s letters The last chapter of the whole book is devoted to the study of some recent literature which has appeared during the writer s tenure of the Boyle Lectureship and it has seemed best to treat such literature with some fulness as it has been of marked importance About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works [St. Paul a witness to the resurrection.
