THE TEXAS WAY Jan Freed, 2011-07-15 HOME ON THE RANCH Jan Freed writes with spice and flair An exciting new voice in contemporary romance bestselling author Susan Wiggs The H H Cattle Company near Gonzales Texas Scott Hayes He s the owner Scott s a hardworking cattleman who s got a reputation with the ladies Not that he has any time for womanizing these days Fact is Scott s putting in twenty hour stretches now that H H is down to one hired hand And the word around these parts is that H H is teetering on the edge of bankruptcy Margaret Winston When Scott calls her a princess he doesn t mean it as a compliment Still Maggie has a few choice names for Scott none of them pretty That s because Maggie knows Scott from the old days and there s bad blood and a good horse between them HOME ON THE RANCH **Shearing Sheep and Angora Goats the Texas Way** Robert Aguero, 2024-06-18 Just as the time of the vaquero is near to running its course the days of the full time sheep and goat shearers tasinques are coming to a close So asserts author Robert Aguero son and grandson of tasinques and recipient of the proud tradition of those who labored with their hands in the dusty corrals of the Nueces River Valley and the Edwards Plateau harvesting the wool and mohair that fueled the industry known by the shearers and their families as la trasquila Aguero himself a veteran of the shearing sheds offers stories and perspectives gleaned both from personal experience and interviews with dozens of individuals intimately connected with the Central Texas wool and mohair industry From the docenteros virtuosos able to shear 200 animals or more per day to the rancheros the owners of the ranches who hired the shearing crews year after year Aguero has captured the essence of a way of life that is rapidly passing into history The work opens with a foreword by esteemed historian Arnoldo De Le n A host of photographs accompanies the narrative capturing visually the dust sweat and noise of the atajo the shearing pen along with the pride in accomplishment that characterizes the tasinque tradition Robert Aguero s Shearing Sheep and Angora Goats the Texas Way A Legacy of Pride both documents and pays homage to an honored way of life and livelihood that is disappearing from the region **The Yankee Chick's Survival Guide to Texas** Sophia Dembling, 2001-12-27 In Texas Yankee is a loose term covering a lot of ground If you re not a Texan or a southerner you re a Yankee and therefore to many Texans suspect There are many rites of passage to being a Yankee in Texas the first time you spot a pickup with a gun rack the first time you realize that a week is a long time to go without Mexican food the first time you recognize a change in seasons your first thunderstorm your first honky tonk Culture Shock in Texas can be intense and is exacerbated by local rules of propriety that tell us to keep our mouths shut But here in this book we are going to talk all about it with good old Yankee outspokenness We ll clear the air share experiences orient newcomers and have some good laughs *Texas* Manuel L. English, 2011-06 After a 13 day siege by the Mexican Army in March 1836 the Alamo fell 185 Texans were killed while trying to defend this fortress The Mexican Army marched on to Goliad where they massacred 350 Texans The Texas Army led by General Sam Houston engaged and defeated General Antonio Lopez de Santa Anna s Mexican forces at the Battle of San Jacinto on April 21 1836

Located in present day Harris County Texas it was the decisive battle of the Texas revolution in a fight that lasted just eighteen minutes About 700 Mexican soldiers were killed and 730 captured while only nine Texans died This battle paved the way for the Republic of Texas to become a sovereign nation Sam Houston became a national celebrity and the Texans rallying cries Remember the Alamo and Remember Goliad became etched into history and legend With its sovereignty declared Texas existed as an independent nation state from 1836 to 1846 with a promising healthy economy It had trade relationships with several other nations especially Great Britain When Texas agreed to join the Union of the United States in 1846 it reserved the right under its constitution to secede from the United States and once more become a nation in itself should its people so decide If this were to happen Texas could be divided into five individual states becoming once again the Republic of Texas The geography natural resources including petroleum agriculture ranching universities and industry of Texas enable it if necessary to be the independent nation that it reserved the right to be At different times by different Texans there have been discussions regarding the need and achievability of Texas seceding from the United States This was generally thought of as all talk and no one publically or seriously considered secession However some Texans now believe recent national politics producing a new federalism have pushed Texas too far from its traditions and beliefs and it s time for the rebirth of the Republic of Texas

Mr. Texas Lawrence Wright, 2024-10-15 AN NPR BEST BOOK OF THE YEAR From the Pulitzer Prize winner and best selling author a hilarious sharply drawn send up of local politics A novel about a dark horse candidate who risks his personal happiness for a career in the Texas House of Representatives Required reading in these politically turbulent times Susan Orlean author of *On Animals* A rollicking satire Paul Begala The New York Times Book Review Sonny Lamb is an affable if floundering rancher with the unfortunate habit of becoming a punchline in his Texas hometown Most recently to everyone s headshaking amusement he bought his own bull at an auction But when a fire breaks out at a neighbor s farm Sonny makes headlines in another way not waiting for help he bolts to the farm where his heroic actions make the evening news Almost immediately and seemingly out of nowhere a handsomely dressed lobbyist from Austin arrives at his ranch door and asks if he d like to run for his West Texas district s seat in the state legislature Though Sonny has zero experience and doesn t consider himself political at all the fate of his ranch and perhaps his marriage to the lovely cowgirl Lola hangs in the balance With seemingly no other choice Sonny decides to throw his hat in the ring As he navigates life in politics from running a campaign to negotiating in the capitol Sonny must learn the ropes weighing his own ethics and environmental concerns against the pressures of veteran politicians savvy lobbyists and his own party In tracing Sonny s attempt to balance his marriage and morality with an increasingly volatile professional life Lawrence Wright has crafted an irresistibly funny and clever roller coaster ride about one man s pursuit of goodness in the Lonestar State
