Text Vol 8 Transactions Of The Society For Textual Scholarship:

Shakespeare Studies, volume 45 James R. Siemon, Diana E. Henderson, 2017-12-31 Shakespeare Studies is an annual volume featuring the work of scholars critics and cultural historians from across the globe This issue includes a Forum on the drama of the 1580s from eleven contributors a Next Gen Plenary from four contributors three articles and reviews of sixteen books Text D. C. Greetham, W. Speed Hill, Peter Shillingsburg, 1996-04 The distinguished annual in interdisciplinary textual studies **Bulletin**, 1997 **Impressive Shakespeare** Harry Newman, 2019-01-16 Impressive Shakespeare reassesses Shakespeare's relationship with print culture in light of his plays engagement with the language and material culture of three interrelated impressing technologies wax sealing coining and typographic printing It analyses the material and rhetorical forms through which drama was thought to imprint early modern audiences and readers with ideas morals and memories and looking to our own cultural moment shows how Shakespeare has been historically constructed as an impressive dramatist Through material readings of four plays Coriolanus A Midsummer Night's Dream Measure for Measure and The Winter's Tale Harry Newman argues that Shakespeare deploys the imprint as a self reflexive trope in order to advertise the value of his plays to audiences and readers and that in turn the language of impression has shaped and continues to shape Shakespeare's critical afterlife The book pushes the boundaries of what we understand by print culture and challenges assumptions about the emergence of concepts now central to Shakespeare's perceived canonical value such as penetrating characterisation poetic transformation and literary fatherhood Harry Newman's suggestive analysis of techniques and tropes of sealing coining and printing produces a revelatory account of Shakespearean creative poetics It's sustainably startling in its rereading of familiar lines but the chapter I found most original is on Measure for Measure Newman is the first critic to attempt to interpret the play's authorial status as part of its own thematic and linguistic interrogation of illegitimacy and counterfeiting He makes authorship matter in a literary and creative rather than a quantitative and statistical sense Impressive Shakespeare is a brilliant scholarly debut Emma Smith Editor Shakespeare Survey Professor of Shakespeare Studies Hertford College Oxford *A Reference Guide for English Studies* Michael J. Marcuse, 2023-11-15 Text and Authority in the Older Upaniṣads Signe Cohen, 2008-06-30 The Upaniṣads have often been treated as a unified corpus of religious and philosophical texts separate from the older Vedic tradition It is well known that the Upaniṣads were initially composed and transmitted within specific schools of Vedic recitation or *kh*s but the *kh* affiliation of each Upaniṣad has received very little attention in the scholarly literature The author offers a new interpretation of the older Upaniṣads in the light of the Vedic school affiliations of each text This book argues that issues of textual authority and in particular the authority of the various Vedic schools are central in the Upaniṣads and that the Upaniṣads can on one level be read as texts about text While analyzing the theme of textual authority in the Upaniṣads the author also outlines a theory of textual criticism as applied to orally transmitted texts that will be of use to textual scholars in other fields as well

Reminiscences of an Octogenarian Bruce M. Metzger, 1995-09-01 Bruce Manning Metzger's memoirs trace his life from his childhood in the Pennsylvania Dutch country and his student years at Princeton through his distinguished career of teaching, writing, lecturing, and editing. Professor Metzger's work has won him the gratitude of both biblical scholars and the larger Bible-reading public. His text-critical work on the New Testament is reflected in the standard Greek text now used and appreciated by scholars worldwide. His efforts on the Revised Standard and New Revised Standard versions of the Bible helped produce the readable, accurate English translations used for study and devotion by so many. His work on The Reader's Digest Bible and The Oxford Companion to the Bible has made the Bible more accessible for an untold number of readers. In these memoirs, Professor Metzger's own words put a human face on his monumental scholarly achievements. The wide array of stories and vignettes from Senator Joseph McCarthy's attack on RSV committee members and Metzger's audiences with the pope to the time Professor Metzger and other members of the NRSV committee had to crawl out of a library window to get to their dinner offer the reader a personal insight into some of the twentieth century's crucial developments in the text and translation of the Bible.

Yeats The Poet Edward Larrissy, 2014-07-15 This work addresses Yeats's antinomies, seeing their origin and structure in his divided Anglo-Irish inheritance and examining the notion of measure. It then explores how this relates to freemasonry, Celticism, and Orientalism and looks at the Blakean esoteric language of contrariety and outline which provided Yeats with the vocabulary of self-understanding.

A Synoptic Hamlet: a Critical-Synoptic Edition of the Second Quarto and First Folio Texts of Hamlet Jesús Tronch-Pérez, Jesús Tronch, 2002 A Synoptic Hamlet is an alternative response to the editorial problems of this multiple-text play. Like most critical editions, it presents the early texts in a manner helpful to the general reader by modernizing spelling and punctuation and emending non-sensical readings. However, it does not hide the text's diversity by exclusively selecting readings from either the Second Quarto or the First Folio in order to reconstruct a single reading version corresponding to the authentic Hamlet. Rather, it makes their significant variants immediately available in the line itself, offering alternative editorial interpretations of identical or similar readings at certain points. Thus, the reader can have a direct appreciation of the divergence and similarity between these early texts from which the Hamlet of today is known.

Studies in Plato and the Platonic Tradition Mark Joyal, 2017-07-28 This book, which honours the career of a distinguished scholar, contains essays dealing with important problems in Plato, the Platonic tradition, and the texts and transmission of Plato and later Platonic writers. It ranges from the discussion of issues in individual Platonic dialogues to the examination of Platonism in the Middle Ages. The essays are written by leading scholars in the field and reflect the current state of knowledge on the various problems under discussion. The collection as a whole testifies to the importance of the Platonic writings for the history of ideas and to the vitality that the study of these writings continues to possess.

Embracing the Tune of Expression: An Emotional Symphony within **Text Vol 8 Transactions Of The Society For Textual Scholarship**

In some sort of taken by monitors and the ceaseless chatter of instant conversation, the melodic elegance and emotional symphony created by the published term usually diminish into the back ground, eclipsed by the relentless noise and interruptions that permeate our lives. Nevertheless, set within the pages of **Text Vol 8 Transactions Of The Society For Textual Scholarship** a marvelous literary prize brimming with fresh feelings, lies an immersive symphony waiting to be embraced. Constructed by a masterful composer of language, this charming masterpiece conducts viewers on a mental journey, skillfully unraveling the hidden songs and profound affect resonating within each carefully constructed phrase. Within the depths of this touching analysis, we will examine the book is key harmonies, analyze their enthralling publishing style, and submit ourselves to the profound resonance that echoes in the depths of readers souls.
