

The background of the entire cover is a dense field of red blood cells, depicted in various sizes and orientations, creating a sense of depth and movement. The cells are a vibrant red color with a slightly darker center, giving them a three-dimensional appearance.

**Seventh
Edition**

Hematology

for Students and Practitioners

Including Practical Hematology

A circular inset in the lower-left quadrant provides a magnified view of several red blood cells. The cells are clearly visible as biconcave discs, with their characteristic shape and color emphasized. The background within the circle is dark, making the red cells stand out.
