Philosophical Foundations for a Christian Worldview J. P. Moreland, William Lane Craig, 2003-03-31 Arguments are clearly presented and rival theories are presented with fairness and accuracy **BOOK JACKET** [Subject Guide to Books in Print](#), 1975 *The Core of the Cosmos* Alnita H. Dyall, 1990 **The Plain Truth** Herbert W. Armstrong, 1973 **How the West Was Lost** Patrick Michael Murphy, 2005-05-18 His premise is that civilizations have life spans and the Western civilization that produced America and Europe has been replaced in our lifetime and before our very eyes To people whose minds were made by the West the civilization we now find ourselves in often feels wrong evil even but we also find ourselves feeling oddly affectionate toward this strange new world And the more time that passes the more normal the New Civ gets to feel We sometimes have to pinch ourselves to remember that society once had roots in a universe that knew something of moral absolutes where the horrible behaviors we now read about in every morning newspaper were so rare that one such event in a year would have felt like the world is just about to end But these things are what passes for normalcy today We are still able to be reminded of what we know in our bones although it gets harder all the time something has gone terribly wrong That s what this book is about **Plain Truth**, 1973 *Stranded in Paradise* Lori Copeland, 2002-09-14 A woman finds herself once more as well as a wonderful new man on a Hawaiian vacation in this inspirational romantic comedy Tess Nelson is poised to take a well deserved step up the corporate ladder when she s suddenly fired With no job and nothing to fill her days just a nonrefundable ticket for a trip to Hawaii Tess decides a tropical vacation is just what she needs But Tess s journey to paradise is a disaster from the beginning A sprained ankle at the airport Then there s the lost contact lens and the lost luggage the lightning storm at a luau and the hotel fire Not to mention the approaching hurricane And the attractive annoying young man who keeps crossing her path and really shaking her up All Tess wants to do is get her life back under control But God it seems has something else in mind like opening her heart to everything her life could be **God, Us and the Universe** Nicholas P.
