# The Correspondence Of John Stuart Mill And Auguste Comte

**John Stuart Mill, Auguste Comte**

## **The Correspondence Of John Stuart Mill And Auguste Comte:**

**The Correspondence of John Stuart Mill and Auguste Comte** John Stuart Mill, Auguste Comte, This volume presents eighty nine letters exchanged between John Stuart Mill and Auguste Comte between 1841 and 1847 They address important issues of the mid nineteenth century in philosophy science economics and politics Cumulatively these letters provide a humanistic view of Western Europe and its social problems They add valuable perspective to what we know about the work of Mill and Comte in a critical period of English and French thought The correspondence begins with an admiring letter from Mill who considers himself a positivist at the time and writes to Comte as to an elder colleague A close friendship developed in the course of which they discussed matters of common concern Their understanding extends to personal experiences including their respective mental crises at an early age The opinions expressed about their contemporaries are significant and include comments on Thomas Carlyle John and Sarah Austin and Alexander Bain on philosophers and major authors in France Germany and Italy Mill and Comte eventually encountered issues on which they could not come to consensus especially the equality of women While Mill was an ardent defender of women's rights Comte supported the traditional hierarchy that endowed men with social and political superiority According to Jerome H Buckley Gurner Professor of English Literature Emeritus at Harvard University The correspondence of Mill and Comte now available for the first time in English translation is a remarkable intellectual exchange a dialogue of real significance in the history of ideas This volume will be of great interest to philosophers historians economists women's studies scholars and political scientists **The**

**Correspondence of John Stuart Mill and Auguste Comte** Taylor & Francis Group, 2018-04-13 [The Correspondence of John Stuart Mill and Auguste Comte](#) Oscar Haac, 2017 This volume presents eighty nine letters exchanged between John Stuart Mill and Auguste Comte between 1841 and 1847 They address important issues of the mid nineteenth century in philosophy science economics and politics Cumulatively these letters provide a humanistic view of Western Europe and its social problems They add valuable perspective to what we know about the work of Mill and Comte in a critical period of English and French thought The correspondence begins with an admiring letter from Mill who considers himself a positivist at the time and writes to Comte as to an elder colleague A close friendship developed in the course of which they discussed matters of common concern Their understanding extends to personal experiences including their respective mental crises at an early age The opinions expressed about their contemporaries are significant and include comments on Thomas Carlyle John and Sarah Austin and Alexander Bain on philosophers and major authors in France Germany and Italy Mill and Comte eventually encountered issues on which they could not come to consensus especially the equality of women While Mill was an ardent defender of women's rights Comte supported the traditional hierarchy that endowed men with social and political superiority According to Jerome H Buckley Gurner Professor of English Literature Emeritus at Harvard University The correspondence of Mill and Comte now available for the first time in English translation is a remarkable intellectual

exchange a dialogue of real significance in the history of ideas This volume will be of great interest to philosophers historians economists women s studies scholars and political scientists Provided by publisher

**Auguste Comte and John Stuart Mill on Sexual Equality** Vincent Guillin,2009-08-31 Vincent Guillin uses the issue of sexual equality as a prism through which to examine important differences epistemological methodological and theoretical between Auguste Comte and John Stuart Mill He succeeds in showing how their differing conceptions of science and human nature influence and affect their respective approaches to philosophy and to the analysis of female in equality in particular Guillin shines a bright searchlight into long neglected aspects of both men s thinking for example Mill s proposal to construct an ethology or science of character formation and Comte s seemingly bizarre interest in phrenology and the ways in which these shaped their views of women s intellectual and political capacities Guillin s wide ranging study examines both men s major and minor works their correspondence with one another and the reasons for the final acrimonious break between two of the nineteenth century s most original and important thinkers

**Auguste Comte and John Stuart Mill on Sexual Equality** Vincent Guillin,2009 Drawing on a detailed analysis of their correspondence this books offers a new intepretation of the relation between Auguste Comte and John Stuart Mill which focuses on their controversy over sexual equality

*Later Letters, 1849-1873* John Stuart Mill,1972-12 The Earlier Letters of John Stuart Mill published in two volumes in 1963 were well received by critics and scholars alike The publication of these four volumes of later letters completes this edition of Mill s personal correspondence These volumes contain over 1 800 letters most never before published and some sixty earlier letters that have come to light since the publication of the first two volumes of correspondence The letters have been assembled from widely dispersed collections in the libraries of fifty eight institutions and of some thirty private collections in Britain and in other countries of the Commonwealth Europe and North America In addition many personal letters of which no originals sirvived have been located in contemporary periodicals or biographies of Mill s correspondence

*Auguste Comte: Volume 2* Mary Pickering,1993 This volume explores the life and works of Auguste Comte during the last and most controversial part of his career the period from 1842 to 1857

*John Stuart Mill* Nicholas Capaldi,2004-01-12 Nicholas Capaldi s biography of John Stuart Mill traces the ways in which Mill s many endeavours are related and explores the significance of Mill s contribution to metaphysics epistemology ethics social and political philosophy the philosophy of religion and the philosophy of education He shows how Mill was groomed for his life by both his father James Mill and Jeremy Bentham the two most prominent philosophical radicals of the early nineteenth century Yet Mill revolted against this education and developed friendships with both Thomas Carlyle and Samuel Taylor Coleridge who introduced him to Romanticism and political conservatism A special feature of this biography is the attention devoted to his relationship with Harriet Taylor No one exerted a greater influence than the woman he was eventually to marry Nicholas Capaldi reveals just how deep her impact was on Mill s thinking about the emancipation of women

**A Companion to Nineteenth-Century Philosophy** John Shand,2019-04-10 Investigate the

challenging and nuanced philosophy of the long nineteenth century from Kant to Bergson Philosophy in the nineteenth century was characterized by new ways of thinking a desperate searching for new truths As science art and religion were transformed by social pressures and changing worldviews old certainties fell away leaving many with a terrifying sense of loss and a realization that our view of things needed to be profoundly rethought The Blackwell Companion to Nineteenth Century Philosophy covers the developments setbacks upsets and evolutions in the varied philosophy of the nineteenth century beginning with an examination of Kant s Transcendental Idealism instrumental in the fundamental philosophical shifts that marked the beginning of this new and radical age in the history of philosophy Guiding readers chronologically and thematically through the progression of nineteenth century thinking this guide emphasizes clear explanation and analysis of the core ideas of nineteenth century philosophy in an historically transitional period It covers the most important philosophers of the era including Hegel Fichte Schopenhauer Mill Kierkegaard Marx Nietzsche Bradley and philosophers whose work manifests the transition from the nineteenth century into the modern era such as Sidgwick Peirce Husserl Frege and Bergson The study of nineteenth century philosophy offers us insight into the origin and creation of the modern era In this volume readers will have access to a thorough and clear understanding of philosophy that shaped our world

*The Workshop and the World: What Ten Thinkers Can Teach Us About Science and Authority* Robert P. Crease, 2019-03-26 A fascinating look at key thinkers throughout history who have shaped public perception of science and the role of authority When does a scientific discovery become accepted fact Why have scientific facts become easy to deny And what can we do about it In *The Workshop and the World* philosopher and science historian Robert P Crease answers these questions by describing the origins of our scientific infrastructure the workshop and the role of ten of the world s greatest thinkers in shaping it At a time when the Catholic Church assumed total authority Francis Bacon Galileo Galilei and Ren Descartes were the first to articulate the worldly authority of science while writers such as Mary Shelley and Auguste Comte told cautionary tales of divorcing science from the humanities The provocative leaders and thinkers Kemal Atat rk and Hannah Arendt addressed the relationship between the scientific community and the public in times of deep distrust As today s politicians and government officials increasingly accuse scientists of dishonesty conspiracy and even hoaxes engaged citizens can t help but wonder how we got to this level of distrust and how we can emerge from it This book tells dramatic stories of individuals who confronted fierce opposition and sometimes risked their lives in describing the proper authority of science and it examines how ignorance and misuse of science constitute the preeminent threat to human life and culture An essential timely exploration of what it means to practice science for the common good as well as the danger of political action divorced from science *The Workshop and the World* helps us understand both the origins of our current moment of great anti science rhetoric and what we can do to help keep the modern world from falling apart

John Stuart Mill Gregory Claeys, 2022-02-24 Very Short Introductions Brilliant Sharp Inspiring John Stuart Mill 1806-73 is widely regarded as the

leading liberal philosopher economist and political theorist of nineteenth century Britain In his lifetime he was best known for his *System of Logic* 1843 and the *Principles of Political Economy* 1848 Today Mill is chiefly identified with *On Liberty* 1859 perhaps the definitive text of modern liberal statement of its subject and probably the single most important work of modern political thought Mill was also the first major male feminist thinker of the period author of *The Subjection of Women* 1869 and the first as an MP to introduce a bill for female enfranchisement before Parliament This Very Short Introduction offers a brief survey of the life and key ideas of this most influential Victorian British writer Moving chronologically Gregory Claeys outlines the philosophical background out of which Mill developed chiefly through the ideas of Jeremy Bentham and James Mill He demonstrates how Mill's personal life especially his mental crisis of 1827 and his relationship with Harriet Taylor were integral to his intellectual development Throughout Claeys considers Mill's key works set within the context of his lesser writings and correspondence and discusses the more controversial aspects of his thought concerning religion secularism and birth control

ABOUT THE SERIES The Very Short Introductions series from Oxford University Press contains hundreds of titles in almost every subject area These pocket sized books are the perfect way to get ahead in a new subject quickly Our expert authors combine facts analysis perspective new ideas and enthusiasm to make interesting and challenging topics highly readable

**John Stuart Mill on History** Jay M. Eisenberg, 2018-10-15 Though Mill has been the subject of an imposing volume of scholarship his philosophy of history has received scant attention This inquiry considers the role of history in Mill's break from the Benthamite radicals his effort to define a methodology for the study of society modelled on the natural sciences and his speculations about the course and meaning of history A dominant theme is Mill's struggle to reconcile his ambition to develop a comprehensive science of society with his convictions that human nature is malleable and that history progresses as a consequence of intellectual achievement and diversity of beliefs Mill's compatibilist vision of the individual as driven by deterministic psychological laws and as also capable of freely choosing a life of autonomous self culture was mirrored in his philosophy of history as Mill retained the materialistic stadial theory of social development proposed during the Scottish Enlightenment and an idealistic vision of history derived from the Saint Simonians Guizot and Comte Though Mill claimed the primacy of the intellect in advancing material living conditions he believed that the culmination of instrumental rationalism in his own Age of Commerce was undermining and marginalizing other forms of individual accomplishment indeed individuality itself in the suffocating conformity of mass culture Mindful of what he considered to be the culturally stationary states of Asia Mill dreaded the prospect that a commercial culture with no higher ambition than the acquisition of ever greater wealth would also become inert as the consequence of overbearing social conventions and intellectual stagnation Like Smith and Ricardo Mill anticipated the inevitability of the economically stationary state as the consequence of the fall in the rate of profits under free market capitalism but rather than await its arrival Mill seized on its possibilities The stationary state became Mill's vehicle for advocating an egalitarian supra

subsistence economy in the expectation that cultural priorities would shift to the pursuit of higher moral intellectual and aesthetic aspirations and the revitalization of individual autonomy      *Mill: A Guide for the Perplexed* Sujith

Kumar,2013-01-31 A student s guide to the life and thought of John Stuart Mill one of the most widely read and studied thinkers in political philosophy      Out of Joint Nomi Claire Lazar,2019-05-28 How constructions of time shape political beliefs about what is possible and what is inevitable To secure power in a crisis leaders must sell deep change as a means to future good But how could we know the future Nomi Claire Lazar draws on stories across a range of cultures and contexts ancient and modern to show how leaders use constructions of time to frame events These frames carry an implicit promise to secure or subvert an expected future shaping belief in what is possible and what is inevitable Ranging imaginatively across history and geography this elegant book probes temporal sources of order and transformation Its analytical wisdom discloses how calendars and representations of time shape political legitimacy dispositions and action Ira I Katznelson author of *Fear Itself The New Deal and the Origins of Our Time* Great political leaders for good or ill seek to shape our daily lives by playing with time itself That is the central insight of this elegant erudite volume one that means I will henceforth listen to speeches and manifestos with new ears and new tools to rebut them Anne Marie Slaughter President and CEO New America Nomi Lazar gives us a fascinating exploration of the political construction of time itself as structured by calendars dating systems and other mechanisms used for legitimation revolution and a myriad of other political purposes A memorable and endlessly interesting book Adrian Vermeule Harvard Law School      **The Blackwell Companion to Major Classical Social**

**Theorists** George Ritzer,2008-04-15 The Blackwell Companion to Major Classical Social Theorists provides a comprehensive review of classical social theory Containing original essays especially commissioned for this volume leading experts and practitioners examine the life and work of 12 major theorists Includes 12 original essays by leading scholars on major classical social theorists Covers the key figures who shaped social theory such as Marx Weber and Durkheim as well as additional classical theorists such as Harriet Martineau and W E B Du Bois Essays include biographical sketches the social and intellectual context and the impact of the thinker s work on social theory generally Includes bibliographies of the theorist s most important works as well as key secondary works Can be used in conjunction with The Blackwell Companion to Major Contemporary Social Theorists edited by George Ritzer for a complete reference source in social theory      *Concepts of Philosophy in Asia and the Islamic World* Raji C. Steineck,Ralph Weber,Robert Gassmann,Elena Lange,2018-05-07 The contributions to *Concepts of Philosophy in Asia and the Islamic World* reflect upon the problems implied in the received notions of philosophy in the respective scholarly literatures They ask whether and for what reasons a text should be categorized as a philosophical text or excluded from the canon of philosophy and what this means for the concept of philosophy The focus on texts and textual corpora is central because it makes authors expose their claims and arguments in direct relation to specific sources and discourages generalized reflections on the characteristics of for example Japanese

culture or the Indian mind The volume demonstrates that close and historically informed readings are the sine qua non in discussing what philosophy is in Asia and the Islamic world just as much as with regard to Western literature Contributors are Yoko Arisaka Wolfgang Behr Thomas Fr hlich Lisa Indraccolo Paulus Kaufmann Iso Kern Ralf M ller Gregor Paul Lisa Raphals Fabian Sch fer Ori Sela Rafael Suter Christian Uhl Viatcheslav Vetrov Yvonne Schulz Zinda and Nicholas Zufferey

*Confessing the Faith Yesterday and Today* Alan P.F. Sell, 2013-02-26 What is it to confess the Christian faith and what is the status of formal confessions of faith How far does the context inform the content of the confession These questions are addressed in Part One with reference to the Reformed tradition in general and to its English and Welsh Dissenting strand in particular In an adverse political context the Dissenters plea for toleration under the law was eventually granted The question of tolerance remains alive in our very different context and in addition we face the challenge of confessing and commending the faith in an intellectual environment in which many question Christianity s relevance and rebut traditional defenses of it In Part Two it is recognized that Christian confessing is an ecclesial not simply an individual calling and that the one confessing church catholic is visibly divided over doctrine and practice Suggestions for ameliorating this situation are offered though the final resolution may be a matter for the eschaton Until then Christians are called to witness faithfully and to live hopefully as citizens of heaven In an epilogue the challenges and pitfalls of systematic theology as a discipline involving both confession and commendation are explored **Mill on God** Alan P.F. Sell, 2012-09-01 Mill on God is

Professor Sell s latest impressive study in a long list of substantial theological writings and historical and philosophical works on religion Drawing upon several of Mill s classic philosophical texts his posthumous publications on religion and a range of informal communications Sell has produced easily the best available introduction to Mill s religious thought the intellectual context of his religious views and the reception of his ideas and arguments This combative and elegant work of historical and philosophical interpretation teases out the important ambiguities and tensions in Mill s thoughts and amply demonstrates the centrality of his concern with religion James E Crimmins International Academic Advisor and Professor of Political Science Huron University College Canada Auguste Comte and Positivism Gertrud Lenzer, 2017-09-08 Although Auguste Comte is

conventionally acknowledged as one of the founders of sociology and as a key representative of positivism few new editions of his writings have been published in the English language in this century He has become virtually dissociated from the history of modern positivism and the most recent debates about it Gertrud Lenzer maintains that the work of Comte is for better or for worse essential to an understanding of the modern period of positivism This collection provides new access to the work of Comte and gives practitioners of various disciplines the possibility of reassessing concepts that were first introduced in Comte s writings Today much of the ordinary business of academic disciplines is conducted under the assumption that the realm of science is essentially separate from the realms of politics and science A close reading of Comte will reveal how deeply such current ideas and theories were originally embedded in a particular political context One of his

central methodological principles was that the theory of society had to be removed from the arena of political practice precisely in order to control that practice by means of these same sciences. It is in Comte's work that the reader will be able to observe how the forces of social and political reaction began to be powerfully organized to combat the critical forces in its own and later eras. Auguste Comte and Positivism will be of importance to the work of philosophers, sociologists, political theorists, and historians.

**How History Matters to Philosophy** Robert C. Scharff, 2014-02-03

In recent decades, widespread rejection of positivism's notorious hostility toward the philosophical tradition has led to renewed debate about the real relationship of philosophy to its history. *How History Matters to Philosophy* takes a fresh look at this debate. Current discussion usually starts with the question of whether philosophy's past should matter, but Scharff argues that the very existence of the debate itself demonstrates that it already does matter. After an introductory review of the recent literature, he develops his case in two parts. In Part One, he shows how history actually matters for even Plato's Socrates, Descartes, and Comte in spite of their apparent promotion of conspicuously ahistorical Platonic, Cartesian, and Positivist ideals. In Part Two, Scharff argues that the real issue is not whether history matters; rather, it is that we already have a history, a very distinctive and unavoidable inheritance which paradoxically teaches us that history's mattering is merely optional. Through interpretations of Dilthey, Nietzsche, and Heidegger, he describes what thinking in a historically determinate way actually involves and he considers how to avoid the denial of this condition that our own philosophical inheritance still seems to expect of us. In a brief conclusion, Scharff explains how this book should be read as part of his own effort to acknowledge this condition rather than deny it.

## Whispering the Strategies of Language: An Psychological Quest through **The Correspondence Of John Stuart Mill And Auguste Comte**

In a digitally-driven earth where screens reign great and instant transmission drowns out the subtleties of language, the profound secrets and mental subtleties concealed within words usually move unheard. Yet, situated within the pages of **The Correspondence Of John Stuart Mill And Auguste Comte** a captivating fictional value pulsing with natural thoughts, lies a fantastic journey waiting to be undertaken. ### **The Correspondence Of John Stuart Mill And Auguste Comte Introduction**

In the digital age, access to information has become easier than ever before. The ability to download The Correspondence Of John Stuart Mill And Auguste Comte has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download The Correspondence Of John Stuart Mill And Auguste Comte has opened up a world of possibilities. Downloading The Correspondence Of John Stuart Mill And Auguste Comte provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading The Correspondence Of John Stuart Mill And Auguste Comte has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download The Correspondence Of John Stuart Mill And Auguste Comte. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading The Correspondence Of John Stuart Mill And Auguste Comte. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites

that prioritize the legal distribution of content. When downloading The Correspondence Of John Stuart Mill And Auguste Comte, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download The Correspondence Of John Stuart Mill And Auguste Comte has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

### **FAQs About The Correspondence Of John Stuart Mill And Auguste Comte Books**

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. The Correspondence Of John Stuart Mill And Auguste Comte is one of the best book in our library for free trial. We provide copy of The Correspondence Of John Stuart Mill And Auguste Comte in digital format, so the resources that you find are reliable. There are also many Ebooks of related with The Correspondence Of John Stuart Mill And Auguste Comte. Where to download The Correspondence Of John Stuart Mill And Auguste Comte online for free? Are you looking for The Correspondence Of John Stuart Mill And Auguste Comte PDF? This is definitely going to save you time and cash in something you should think about. If you trying to find then search around for online. Without a doubt there are numerous these available and many of them have the freedom. However without doubt you receive whatever you purchase. An alternate way to get ideas is always to check another The Correspondence Of John Stuart Mill And Auguste Comte. This method for see exactly what may be included and adopt these

ideas to your book. This site will almost certainly help you save time and effort, money and stress. If you are looking for free books then you really should consider finding to assist you try this. Several of The Correspondence Of John Stuart Mill And Auguste Comte are for sale to free while some are payable. If you arent sure if the books you would like to download works with for usage along with your computer, it is possible to download free trials. The free guides make it easy for someone to free access online library for download books to your device. You can get free download on free trial for lots of books categories. Our library is the biggest of these that have literally hundreds of thousands of different products categories represented. You will also see that there are specific sites catered to different product types or categories, brands or niches related with The Correspondence Of John Stuart Mill And Auguste Comte. So depending on what exactly you are searching, you will be able to choose e books to suit your own need. Need to access completely for Campbell Biology Seventh Edition book? Access Ebook without any digging. And by having access to our ebook online or by storing it on your computer, you have convenient answers with The Correspondence Of John Stuart Mill And Auguste Comte To get started finding The Correspondence Of John Stuart Mill And Auguste Comte, you are right to find our website which has a comprehensive collection of books online. Our library is the biggest of these that have literally hundreds of thousands of different products represented. You will also see that there are specific sites catered to different categories or niches related with The Correspondence Of John Stuart Mill And Auguste Comte So depending on what exactly you are searching, you will be able to choose ebook to suit your own need. Thank you for reading The Correspondence Of John Stuart Mill And Auguste Comte. Maybe you have knowledge that, people have search numerous times for their favorite readings like this The Correspondence Of John Stuart Mill And Auguste Comte, but end up in harmful downloads. Rather than reading a good book with a cup of coffee in the afternoon, instead they juggled with some harmful bugs inside their laptop. The Correspondence Of John Stuart Mill And Auguste Comte is available in our book collection an online access to it is set as public so you can download it instantly. Our digital library spans in multiple locations, allowing you to get the most less latency time to download any of our books like this one. Merely said, The Correspondence Of John Stuart Mill And Auguste Comte is universally compatible with any devices to read.
