The Crystal Frontier

**Alicia Gaspar de Alba, Georgina
Guzmán**

The Crystal Frontier:

The Crystal Frontier Carlos Fuentes, 2013-05-14 The nine stories comprising *The Crystal Frontier* a brilliant work of fiction from Carlos Fuentes all concern people who in one way or another have had something to do with or still are part of the family of one Leonardo Barroso a powerful oligarch of northern Mexico with manifold connections to the United States

The Crystal Frontier Carlos Fuentes, 1997 Presents a fictional portrait of the relationship between the United States and Mexico as played out in a Mexican dynasty led by a powerful oligarch with complex ties north of the border *Crystal Frontier* Carlos Fuentes, 1998

Mexico Reading the United States Linda Egan, Mary K. Long, 2009-07-17 A provocative and uncommon reversal of perspective Elena Poniatowska *The Rhizomatic West* Neil Campbell, 2008-12-01 Is the American West in Sergio Leone's spaghetti westerns the same American West we find in Douglas Coupland's *Generation X* In Jim Jarmusch's movies In Calixto's music Or is the American West as this book tells us a constantly moving mutating idea within a complex global culture And what precisely or better yet imprecisely does it mean Using Gilles Deleuze and Félix Guattari's concept of the rhizome Neil Campbell shows how the West or westness continually breaks away from a mainstream notion of American rootedness and renews and transforms itself in various cultural forms A region long traversed by various transient peoples from tribes and conquerors to immigrants traders and trappers the West reflects a mythic quest for settlement permanence and synthesis even notions of a national or global identity at odds with its rootless history culture and nature Crossing the concept of roots with routes this book shows how notions of the West in representations ranging from literature and film to photography music and architectural theory give expression to ideas about identity nationhood and belonging in a world increasingly defined by movement across time and borders *The Rhizomatic West* offers a new vision of the American West as a hybrid performative space a staging place for myriad intersecting and constantly changing identities *Border Fictions* Claudia Sadowski-Smith, 2008 *Border Fictions* offers the first comparative analysis of multiethnic and transnational cultural representations about the United States borders with Mexico and Canada Blending textual analysis with theories of globalization and empire Claudia Sadowski Smith forges a new model of inter American studies *Border Fictions* places into dialogue a variety of hemispheric perspectives from Chicana o Asian American American Indian Latin American and Canadian studies Each chapter examines fiction that ranges widely from celebrated authors such as Carlos Fuentes Leslie Marmon Silko and Alberto Ros to writers whose contributions to border literature have not yet been fully appreciated including Karen Tei Yamashita Thomas King Janette Turner Hospital and emerging Chicana o writers of the U S Mexico border Proposing a diverse and geographically expansive view of border and inter American studies *Border Fictions* links the work of these and numerous other authors to civil rights movements environmental justice activism struggles for land and border crossing rights as well as to anti imperialist forms of nationalism in the United States neighboring countries The book forces us to take into account the ways in which shifts in the nature of

global relations affect literary production especially in its hemispheric manifestations **The Reptant Eagle** Roberto Cantú, 2015-01-12 Carlos Fuentes 1928 2012 was the most prominent novelist in contemporary Mexico and until his recent death one of the leading voices in Latin America's Boom generation. He received the most prestigious awards and prizes in the world including the Latin Civilization Award presented by the Presidents of Brazil, Mexico, and France; the Miguel de Cervantes Prize; and the Prince of Asturias Award. During his fecund and accomplished life as a writer, literary theorist, and political analyst, Fuentes turned his attention to the major conflicts of the twentieth century: from the Second World War and the Cuban Revolution to the Soviet invasion of Czechoslovakia, the war in Vietnam, and the post-revolutionary crisis of the one-party rule in Mexico, and attended to their political and international importance in his novels, short fiction, and essays. Known for his experimentation in narrative techniques and for novels and essays written in a global range that illuminate the conflicts of our times, Fuentes's writings have been rightfully translated into most of the world's languages. His literary work continues to spur and provoke the interest of a global readership on diverse civilizations and eras from Imperial Spain and post-revolutionary France to Ancient and Modern Mexico, the United States, and Latin America. **The Reptant Eagle: Essays on Carlos Fuentes and the Art of the Novel** includes nineteen essays and one full introduction written exclusively for this volume by renowned Fuentes scholars from Asia, Europe, the United States, and Latin America. Collected into five parts, the essays integrate wide-ranging methods and innovative readings of *The Death of Artemio Cruz* (1962), *Aura* (1962), *Terra Nostra* (1975), and among other novels, *Distant Relations* (1980); they analyze the visual arts in Fuentes's novels, Diego Rivera's murals, and world film, chart, and comment on the translations of Fuentes's narratives into Japanese and Romanian, and propose comprehensive readings of *The Buried Mirror* (1992) and *Personas* (2012). Fuentes's posthumous book of essays, **Beyond their Comprehensive and Interdisciplinary Scope**, the book's essays trace Fuentes's conscious resolve to contribute to the art of the novel and to its uninterrupted tradition from Cervantes and Rabelais to Thomas Mann and Alejo Carpentier, and from the Boom generation to Latin America's Boomerang group of younger writers. This book will be of importance to literary critics, teachers, students, and readers interested in Carlos Fuentes's world-embracing literary work. **Tres Voces in Carlos Fuentes' *The Crystal Frontier* Compared to the Double-consciousness in W.E.B. Du Bois' *The Souls of Black Folk*** Natalie A. Martinez, 2000 **The Move Beyond Form** M. Hughes, 2013-03-12 Fictional narratives of the late twentieth century often cross boundaries. This study argues that the undoing of structure in postmodern art form demands a different way of thinking and represents a commentary on the material and social conditions of the late twentieth century and beyond. **Tracking Capital** Sharae Deckard, Michael Niblett, Stephen Shapiro, 2024-03-01 **Tracking Capital** introduces new ways to understand the entanglement of cultural forms and practices in economic, social, and ecological crises and struggles. Building on the fundamental insights of world systems analysis, the book offers readers a series of rubrics, keywords, and concepts such as *zemi*, *periphery*, *registration*, and *commodity chains* to enable more integrated transdisciplinary methods of literary and

cultural study Throughout Sharae Deckard Michael Niblett and Stephen Shapiro foreground the role of culture in both consolidating and contesting the classism racism sexism and ecocide constitutive of the modern world system In the context of capitalism s ongoing bloody war against the poor the powerless and the planet Tracking Capital provides tools with which to diagnose the morbid symptoms of the present as well as to plot possible steps on the road to a better future

Neobaroque in the Americas Monika Kaup,2012 In a comparative and interdisciplinary analysis of modern and postmodern literature film art and visual culture Monika Kaup examines the twentieth century s recovery of the baroque within a hemispheric framework embracing North America Latin America and U S Latino a culture As neobaroque comes to the forefront of New World studies attention to transcultural dynamics is overturning the traditional scholarship that confined the baroque to a specific period class and ideology in the seventeenth century Reflecting on the rich nonlinear genealogy of baroque expression Neobaroque in the Americas envisions the baroque as an anti proprietary expression that brings together seemingly disparate writers and artists and contributes to the new studies in global modernity

Redreaming America Debra A. Castillo,2012-02-01 What would American literature look like in languages other than English and what would Latin American literature look like if we understood the United States to be a Latin American country and took seriously the work by U S Latinos as in Spanish Debra A Castillo explores these questions by highlighting the contributions of Latinos as writing in Spanish and Spanglish Beginning with the anonymously published 1826 novel Jicotncal and ending with fiction published at the turn of the twenty first century the book details both the characters and authors struggles with how to define an American self Writers from Cuba Puerto Rico and Mexico are featured prominently alongside a sampling of those writers from other Latin American heritages Peru Colombia Chile Castillo concludes by offering some thoughts on U S curricular practice

Making a Killing Alicia Gaspar de Alba,Georgina Guzmán,2010-11-01 Since 1993 more than five hundred women and girls have been murdered in Ciudad Ju rez across the border from El Paso Texas At least a third have been sexually violated and mutilated as well Thousands more have been reported missing and remain unaccounted for The crimes have been poorly investigated and have gone unpunished and unresolved by Mexican authorities thus creating an epidemic of misogynist violence on an increasingly globalized U S Mexico border This book the first anthology to focus exclusively on the Ju rez femicides as the crimes have come to be known compiles several different scholarly interventions from diverse perspectives including feminism Marxism critical race theory semiotics and textual analysis Editor Alicia Gaspar de Alba shapes a multidisciplinary analytical framework for considering the interconnections between gender violence and the U S Mexico border The essays examine the social and cultural conditions that have led to the heinous victimization of women on the border from globalization free trade agreements exploitative maquiladora working conditions and border politics to the sexist attitudes that pervade the social discourse about the victims The book also explores the evolving social movement that has been created by NGOs mothers organizing efforts and other grassroots forms

of activism related to the crimes Contributors include U S and Mexican scholars and activists as well as personal testimonies of two mothers of femicide victims *Utopian Dreams, Apocalyptic Nightmares* Miguel López-Lozano,2008 *Utopian Dreams* *Apocalyptic Nightmares* traces the history of utopian representations of the Americas first on the part of the colonizers who idealized the New World as an earthly paradise and later by Latin American modernizing elites who imagined Western industrialization cosmopolitanism and consumption as a utopian dream for their independent societies Carlos Fuentes Homero Aridjis Carmen Boullosa and Alejandro Morales utilize the literary genre of dystopian science fiction to elaborate on how globalization has resulted in the alienation of indigenous peoples and the deterioration of the ecology This book concludes that Mexican and Chicano perspectives on the past and the future of their societies constitute a key site for the analysis of the problems of underdevelopment social injustice and ecological decay that plague today s world Whereas utopian discourse was once used to justify colonization Mexican and Chicano writers now deploy dystopian rhetoric to interrogate projects of modernization contributing to the current debate on the global expansion of capitalism The narratives coincide in expressing confidence in the ability of Latin American and U S Latino popular sectors to claim a decisive role in the implementation of enhanced measures to guarantee an ecologically sound ethnically diverse and just society for the future of the Americas **Women in Contemporary Mexican Politics** Victoria E. Rodríguez,2010-01-01 Since the mid 1980s a dramatic opening in Mexico s political and electoral processes combined with the growth of a new civic culture has created unprecedented opportunities for women and other previously repressed or ignored groups to participate in the political life of the nation In this book Victoria Rodr guez offers the first comprehensive analysis of how Mexican women have taken advantage of new opportunities to participate in the political process through elected and appointed office nongovernmental organizations and grassroots activism Drawing on scores of interviews with politically active women conducted since 1994 Rodr guez looks at Mexican women s political participation from a variety of angles She analyzes the factors that have increased women s political activity from the women s movement to the economic crises of the 1980s and 1990s to increasing democratization to the victory of Vicente Fox in the 2000 presidential election She maps out the pathways that women have used to gain access to public life and also the roadblocks that continue to limit women s participation in politics especially at higher levels of government And she offers hopeful yet realistic predictions for women s future participation in the political life of Mexico [forum for inter-american research Vol 4](#) Wilfried Raussert,2023-07-20 Volume 4 of 6 of the complete premium print version of journal forum for inter american research fiar which is the official electronic journal of the International Association of Inter American Studies IAS fiar was established by the American Studies Program at Bielefeld University in 2008 We foster a dialogic and interdisciplinary approach to the study of the Americas fiar is a peer reviewed online journal Articles in this journal undergo a double blind review process and are published in English French Portuguese and Spanish **Who's Who of Twentieth Century Novelists** Tim Woods,2008-02-21 Taking in

novelists from all over the globe from the beginning of the century to the present day this is the most comprehensive survey of the leading lights of twentieth century fiction Superb breadth of coverage and over 800 entries by an international team of contributors ensures that this fascinating and wide ranging work of reference will be invaluable to anyone with an interest in modern fiction Authors included range from Joseph Conrad to Albert Camus and Franz Kafka to Chinua Achebe Who's Who of Twentieth Century Novelists gives a superb insight into the richness and diversity of the twentieth century novel

Fashion, Gender and Agency in Latin American and Spanish Literature Stephanie N. Saunders, 2021 In the last two decades the glorification of sewing whether involving needlework tailoring or fashion design has thrived in Latin American and Iberian cultural works particularly literature In the last two decades the glorification of sewing whether involving needlework tailoring or fashion design has thrived in Latin American and Iberian cultural works particularly literature While fast fashion has relegated the handicraft to maquiladoras in the Global South Spanish and Latin American authors have created protagonists whose skill with needle and thread allows them to break out of culturally confining roles and spaces In this fictional realm seamstresses and tailors enter exciting adventures as spies peacemakers or explorers all facilitated by their artistry and expertise This book examines the depiction of women and the textile arts in contemporary Hispanic and Brazilian literature Employing space and gender theories the book explores how sewing traditionally viewed as respectable only if practiced at home gives agency and encourages self reflection and mobility allowing protagonists to transgress physical and socially prescribed limits Texts analyzed include Mar a Due as s El tiempo entre costuras 2009 C sar Aira s La costurera y el viento 1994 Pedro Lemebel s Tengo miedo torero 2001 Francesc Ponte de Peebles s The Seamstress 2009 and children's literature Encouraging readers to look behind garments to the agents of production the book shows how contemporary authors through their celebrations of an age old skill help to renew interest in sewing tailoring upcycling and embroidery

Faith-Based War T. Walter Herbert, 2014-12-05 The American invasion of Iraq was largely governed by faith based policy The shock and Awe strategy alongside a grossly mismanaged occupation led to the loss of American lives Faith Based War presents an analysis of the imperialist Christian militarism behind the Bush Administration America's self perception as God's Chosen is examined and its catastrophic results detailed The book offers an ethical political and theological perspective on the perversion of Christian teaching behind the war in Iraq and the moral culpability of the American empire

Latino American Cinema Scott L. Baugh, 2012-04-13 Latino American cinema is a provocative complex and definitively American topic of study This book examines key mainstream commercial films while also spotlighting often underappreciated documentaries avant garde and experimental projects independent productions features and shorts and more Latino American Cinema An Encyclopedia of Movies Stars Concepts and Trends serves as an essential primary reference for students of the topic as well as an accessible resource for general readers The alphabetized entries in the volume cover the key topics of this provocative and complex genre films filmmakers star performers concepts and

historical and burgeoning trends alongside frequently overlooked and crucially ignored items of interest in Latino cinema. This comprehensive treatment bridges gaps between traditional approaches to U.S. Latino and Latin American cinemas, placing subjects of Chicana and Chicano, Puerto Rican, Cuban, and diasporic Cuban and Mexican origin in perspective with related Central and South American and Caribbean elements. Many of the entries offer compact definitions, critical discussions, overviews, and analyses of star artists, media productions, and historical moments, while several foundational entries explicate concepts, making this single volume encyclopedia a critical guide as well.
