The Culture Of The Cold War The American Moment

Deborah Weinstein

The Culture Of The Cold War The American Moment:

The Culture of the Cold War Stephen J. Whitfield, 1996-05-19 In a new epilogue to this second edition he extends his analysis from the McCarthyism of the 1950s including its effects on the American and European intelligentsia to the civil rights movement of the 1960s and beyond

The Culture of the Cold War Stephen J. Whitfield, 1996-05-19 In a new epilogue to this second edition he extends his analysis from the McCarthyism of the 1950s including its effects on the American and European intelligentsia to the civil rights movement of the 1960s and beyond

The Cold War Richard Brownell, 2008-10-24 In today's worlds of drones military strikes and weapons of mass destruction it's difficult to imagine a nonviolent war of constant hostility between world super powers Readers will be intrigued by this conflict known as the Cold War They will learn that it was a geopolitical ideological and economic struggle between two world superpowers the USA and the USSR starting in 1947 and ending in 1991

Diplomacy at the Brink David M. Watry, 2014-12-10 A groundbreaking new study of Anglo American relations during the Cold War *Diplomacy at the Brink* argues for a reevaluation of Dwight D Eisenhower's foreign policy toward allies and enemies alike Contrary to his reputation as a level headed moderate the Eisenhower who emerges in David M Watry's exhaustively researched book is a conservative ideologue a leader whose aggressively anti Communist and anticolonialist foreign policies represented a major shift away from the containment policy of the Truman presidency Watry contends that Eisenhower worked closely with John Foster Dulles to engage in aggressive brinksmanship that diametrically opposed Winston Churchill's diplomacy of peaceful coexistence At a time when British economic interests favored cooperation with China Eisenhower planned nuclear war against it when Anthony Eden considered Gamal Abdel Nasser a Soviet agent and invaded Egypt Eisenhower supported Arab nationalism and used economic and political blackmail to force Britain to withdraw Such stances fractured the special relationship between America and Great Britain and played a vital role in the dissolution of the British Empire Watry's thorough examination of the important clash of U S U K foreign policy demonstrates that America's new anti colonial policies and the unilateral use of American power against perceived Communist threats put Eisenhower and Dulles on a collision course with Churchill and Eden that rocked the world

Local Foods Meet Global Foodways Benjamin Lawrance, Carolyn de la Peña, 2013-09-13 This book explores the intersection of food and foodways from global and local perspectives The collection contributes to interdisciplinary debates about the role and movement of commodities in the historical and contemporary world The expert contributions collectively address a fundamental tension in the emerging scholarly terrain of food studies namely theorizing the relationship between foodstuff production and cuisine patterns They explore a wide variety of topics including curry bread sugar coffee milk pulque Virginia ham fast food obesity and US ethnic restaurants *Local Foods Meet Global Foodways* considers movements in context and in doing so complicates the notions that food shapes culture as it crosses borders or that culture adapts foods to its neo local or global contexts By analysing the dynamics of contact between mobile foods and or

people and the specific cultures of consumption they provoke these case studies reveal the process whereby local foods become global or global foods become local to be a dynamic co creative development jointly facilitated by humans and nature This volume explores a vast expanse of global regions such as North and Central America Europe China East Asia and the Pacific India sub Saharan Africa the Atlantic Ocean and the USSR Russia It includes a foreword by the eminent food scholar Carole Counihan and an afterword by noted theorist of cuisine Rachel Laudan and will be of great interest to students and researchers of history anthropology geography cultural studies and American studies This book is based on a special issue of Food and Foodways

The Trickster in Ginsberg Katherine Campbell Mead-Brewer, 2013-05-11 This scholarly close reading of Allen Ginsberg's Howl considers the iconic poem through a four part trickster framework appetite boundlessness transformative power and a proclivity for setting and falling victim to tricks and traps The book pursues various different narratives of the trickster Coyote and the historical and biographical contexts of Howl from a truly interdisciplinary perspective This study seeks to contribute to the current literature on the poetry of the Beats and of Allen Ginsberg specifically his Howl and the ways it continues to expand in meaning depth and significance today

Viva Kennedy Ignacio M. García, 2000 For a few brief months during the presidential campaign of 1960 Mexican Americans caught a glimpse of their own Camelot in the promise of John F Kennedy Grassroots Viva Kennedy Clubs sprang up not only in the southwestern United States but also across California and the upper Midwest to help elect the young Catholic standard bearer The leaders of the Viva Kennedy Clubs were confident and hopeful that their participation in American democracy would mark the beginning of the end of discrimination violence and poverty in the barrio Although the dream of attaching their own Camelot to Kennedy's ultimately ended in disappointment these participatory efforts contributed to an identity building process for Mexican Americans that led to greater emphasis on Americanization for some and to the more radical rhetoric of the Chicano Movement for others In Viva Kennedy Ignacio M Garcia surveys the background development and evolution of the Viva Kennedy Clubs and their post election incarnation as PASO the Political Association of Spanish Speaking Organizations He argues that patriotic fervor of the 1940s and postwar economic expansion spurred middle class Mexican Americans to strive for full inclusion in American society Ironically those involved in the Viva Kennedy movement showed their militancy in fighting discrimination even as they upheld America's conservative values They believed that discrimination could be overcome through government actions that recognized their civil rights and through their own political participation Garcia describes the post election problems of the Viva Kennedy reformers who first saw the Kennedy administration ignore its campaign promises to them and then encountered their own factional squabbles chronic funding problems and a growing unease among Anglo Americans wary of Mexican American political power Based on research and interviews with key leaders of the Viva Kennedy movement such as Ed Idar Jr Edward R Roybal and Albert Pena Jr this study unveils a portrait of a people in transition and provides a nuanced picture of twentieth century Mexican American history

The Pathological

Family Deborah Weinstein, 2013-02-19 While iconic popular images celebrated family life during the 1950s and 1960s American families were simultaneously regarded as potentially menacing sources of social disruption The history of family therapy makes the complicated power of the family at midcentury vividly apparent Clinicians developed a new approach to psychotherapy that claimed to locate the cause and treatment of mental illness in observable patterns of family interaction and communication rather than in individual psyches Drawing on cybernetics systems theory and the social and behavioral sciences they ambitiously aimed to cure schizophrenia and stop juvenile delinquency With particular sensitivity to the importance of scientific observation and visual technologies such as one way mirrors and training films in shaping the young field The Pathological Family examines how family therapy developed against the intellectual and cultural landscape of postwar America As Deborah Weinstein shows the midcentury expansion of America's therapeutic culture and the postwar fixation on family life profoundly affected one another Family therapists and other postwar commentators alike framed the promotion of democracy in the language of personality formation and psychological health forged in the crucible of the family As therapists in this era shifted their clinical gaze to whole families they nevertheless grappled in particular with the role played by mothers in the onset of their children's aberrant behavior Although attitudes toward family therapy have shifted during intervening generations the relations between family and therapeutic culture remain salient today **The Ashgate**

Research Companion to Moral Panics Charles Krinsky, 2016-03-23 The Ashgate Research Companion to Moral Panics offers a comprehensive assemblage of cutting edge critical and theoretical perspectives on the concept of moral panic All chapters represent original research by many of the most influential theorists and researchers now working in the area of moral panic including Nachman Ben Yehuda and Erich Goode Joel Best Chas Critcher Mary deYoung Alan Hunt Toby Miller Willem Schinkel Kenneth Thompson Sheldon Ungar and Grazyna Zajdow Chapters come from a range of disciplines including media studies literary studies history legal studies and sociology with significant new elaborations on the concept of moral panic and its future informed and powerful critiques and detailed empirical studies from several continents A clear and comprehensive survey of a concept that is increasingly influential in a number of disciplines as well as in popular culture this collection of the latest research in the field addresses themes including the evolution of the moral panic concept sex panics media panics moral panics over children and youth and the future of the moral panic concept **Decolonization and the**

Remaking of Christianity Elizabeth A. Foster, Udi Greenberg, 2023-08-29 In the decades following the era of decolonization global Christianity experienced a seismic shift While Catholicism and Protestantism have declined in their historic European strongholds they have sustained explosive growth in Asia Latin America and Africa This demographic change has established Christians from the Global South as an increasingly dominant presence in modern Christian thought culture and politics Decolonization and the Remaking of Christianity unearths the roots of this development charting the metamorphosis of Christian practice and institutions across five continents throughout the pivotal years of decolonization The essays in this

collection illustrate the diverse new ideas rituals and organizations created in the wake of Western imperialism's formal collapse and investigate how religious leaders politicians theologians and lay people debated and shaped a new Christianity for a postcolonial world Contributors argue that the collapse of colonialism and broader cultural challenges to Western power fostered new organizations theologies and political engagements across the world ultimately setting Christianity on its current trajectory away from its colonial heritage These essays interrogate decolonization's varied and conflicting impacts on global Christianity while also providing a novel framework for rethinking decolonization's modern legacies Taken together this book charts the relationship between decolonization and Christianity on a truly global scale Contributors Joel Cabrita Darcie Fontaine Elizabeth A Foster Udi Greenberg David Kirkpatrick Eric Morier Genoud Phi V n Nguyen Justin Reynolds Sarah Shortall Lydia Walker Charlotte Walker Said Albert Wu Gene Zubovich Suicide of a Superpower Patrick J.

Buchanan,2024-07-02 The New York Times bestselling conservative author explains why he believes certain social trends will lead to the downfall of the United States America is disintegrating The one Nation under God indivisible of the Pledge of Allegiance is passing away In a few decades that America will be gone forever In its place will arise a country unrecognizable to our parents This is the thrust of Pat Buchanan's Suicide of a Superpower his most controversial and thought provoking book to date Buchanan traces the disintegration to three historic changes America's loss of her cradle faith Christianity the moral social and cultural collapse that have followed from that loss and the slow death of the people who created and ruled the nation And as our nation disintegrates our government is failing in its fundamental duties unable to defend our borders balance our budgets or win our wars How Americans are killing the country they profess to love and the fate that awaits us if we do not turn around is what Suicide of a Superpower is all about Praise for Suicide of a Superpower Suicide of a Superpower traces the changes in governance and culture in America that foreshadow a decline of epic proportions Buchanan is no stranger to controversy Nor is he prone to exaggerate The crises he describes are real and he is not afraid to say they may prove too much for our democracy to cope with Jack Kenny The New American Magazine Progressives may recoil at these assertions as well as his positions on immigration affirmative action and morality though they may share his sentiments regarding war and America's unnecessary military presence around the world Not to disappoint his loyal followers Buchanan reveals the essence of conservative thought and its origins with clarity and precision Publishers Weekly

Discontented America David J. Goldberg,1999-02-08 In a class by itself Goldberg provides an engaging nicely written narrative and draws upon a variety of secondary and primary sources to create an outstanding historical synthesis Ohio Historian America's Half-Century Thomas J. McCormick,1995-02 Revised and updated through 1993 it describes how the end of the Cold War affected the United States's global role as well as suggesting what possibilities lie ahead for a restructured world system American Literature and Culture in an Age of Cold War Steven Belletto, Daniel Grausam,2012-10 Authors and artists discussed include Joseph Conrad Edwin Denby Joan Didion Ralph Waldo Emerson Allen

Ginsberg Frank Berbert Richard Kim Norman Mailer Malcolm X Alan Nadel and John Updike *Flat-World Fiction* Liliana M. Naydan, 2021-12-15 Flat World Fiction analyzes representations of digital technology and the social and ethical concerns it creates in mainstream literary American fiction and fiction written about the United States in the first two decades of the twenty first century In this period authors such as Don DeLillo Jennifer Egan Dave Eggers Joshua Ferris Jonathan Safran Foer Mohsin Hamid Thomas Pynchon Kristen Roupenian Gary Shteyngart and Zadie Smith found themselves not only implicated in the developing digital world of flat screens but also threatened by it while simultaneously attempting to critique it As a result their texts explore how human relationships with digital devices and media transform human identity and human relationships with one another history divinity capitalism and nationality Liliana M Naydan walks us through these complex relationships revealing how authors show through their fiction that technology is political In the process these authors complement and expand on work by historians philosophers and social scientists creating accessible literary road maps to our digital future **Race, Ralph Ellison and American Cold War Intellectual Culture** R. Purcell, 2013-10-31

While the arms race of the post war period has been widely discussed Purcell explores the under acknowledged but critical role another kind of race that is race as a biological and sociological concept played within the global and cultural Cold War

How the Arabian Nights Inspired the American Dream, 1790-1935 Susan Nance, 2009 The leisure abundance and contentment that many imagined were typical of Eastern life were the same characteristics used to define the American dream **BOOK JACKET** Historia de Estados Unidos Carmen de la Guardia, 2013-06-12 La historia de los Estados Unidos es una historia rica y con muchas m s sutilezas que la que en muchas ocasiones sus historiadores nos han dejado ver Esta Historia de los Estados Unidos pretende acompa ar al lector a trav s de un recorrido por el tiempo y el espacio estadounidense Engarzado alrededor de su crecimiento territorial demogr fico econ mico pol tico y de prestigio cultural este libro tambi n se detiene en los conflictos y en las fisuras que hacen que la historia de esta potencia sea una historia rica compleja y que su comprensi n este expuesta a m ltiples interpretaciones Uno de los rasgos que m s han resaltado las obras centradas en la Historia de los Estados Unidos es el de su excepcionalismo Si bien en casi todas las historias nacionales se habla de excepcionalismo en los trabajos hist ricos sobre los Estados Unidos la insistencia sobre la singularidad de su desarrollo hist rico es todav a mayor Desde la fundaci n de las primeras colonias inglesas en Am rica del Norte el deseo de alejamiento y de realizaci n de un mundo verdaderamente nuevo m s equilibrado y justo que el de la vieja Europa estuvo presente Esa idea de separaci n de ruptura de diferencia ha sido un hilo conductor seg n muchos historiadores del desarrollo hist rico de la naci n americana Una de las primeras conclusiones de este breve recorrido por la Historia de los Estados Unidos es que las corrientes culturales los ritmos econ micos los movimientos y los conflictos sociales son similares a los del resto de Am rica y de Europa Es verdad que la Historia de Estados Unidos tiene matices que la separan de otras historias nacionales pero est n m s relacionados con el ritmo y las caracter sticas de su propio crecimiento que con razones de

excepcionalidad política o cultural

The Stigmatization of Conspiracy Theory since the 1950s Katharina

Thalmann, 2019-03-06 Are conspiracy theories everywhere and is everyone a conspiracy theorist This ground breaking study challenges some of the widely shared assessments in the scholarship about a perceived mainstreaming of conspiracy theory It claims that conspiracy theory underwent a significant shift in status in the mid 20th century and has since then become highly visible as an object of concern in public debates Providing an in depth analysis of academic and media discourses Katharina Thalmann is the first scholar to systematically trace the history and process of the delegitimization of conspiracy theory By reading a wide range of conspiracist accounts about three central events in American history from the 1950s to 1970s the Great Red Scare the Kennedy assassination and the Watergate scandal Thalmann shows that a veritable conspiracist subculture emerged in the 1970s as conspiracy theories were pushed out of the legitimate marketplace of ideas and conspiracy theory became a commodity not unlike pornography alluring in its illegitimacy commonsensical and highly profitable This will be of interest to scholars and researchers interested in American history culture and subcultures as well of course to those fascinated by conspiracies Robert Lowell's Imitations and the Cold War Simon van

Schalkwyk, 2025-08-07 The first book length study focusing on Robert Lowell's career long preoccupation with the liberal mode of translational adaptation known as imitation Robert Lowell's Imitations and the Cold War argues that Lowell's imitations are simultaneously symptomatic of and critically responsive to familiar nodes of Cold War ideology such as containment and contamination secrecy and security post imperial U S expansion and Empire It departs from studies focused solely on Imitations 1961 Lowell's book length collection of translational adaptations by demonstrating how imitation shadows Lowell's work from his earliest collections Land of Unlikeness 1944 and Lord Weary's Castle 1946 through his celebrated mid career collections Life Studies 1959 and For the Union Dead 1964 and to later works such as Near the Ocean 1969 and his contributions of adaptations from the Russian of Anna Akhmatova and Osip Mandelstam collected in Olga Carlisle's anthology Poets on Street Corners 1967 Simon van Schalkwyk excavates the imitational substrate undergirding and informing Lowell's compositional method and poetic imagination throughout the course of his career In so doing he shows how imitation enacts at the level of form Lowell's restless investment in Cold War geopolitics and literary networks in ways that inform develop and complicate his more conventional canonization as an unquestionably American poet preoccupied solely and simplistically with personal or autobiographical modes of poetic confession As literary sites at which containment's dualities porosities leakages and contaminants are most clearly displayed Lowell's imitations simultaneously challenge and develop our understanding of confession's presumably strict preoccupation with the personal regional and national frameworks through which Lowell has commonly been understood

When somebody should go to the book stores, search inauguration by shop, shelf by shelf, it is in fact problematic. This is why we present the book compilations in this website. It will very ease you to see guide **The Culture Of The Cold War The American Moment** as you such as.

By searching the title, publisher, or authors of guide you essentially want, you can discover them rapidly. In the house, workplace, or perhaps in your method can be all best place within net connections. If you endeavor to download and install the The Culture Of The Cold War The American Moment, it is completely easy then, back currently we extend the member to purchase and create bargains to download and install The Culture Of The Cold War The American Moment therefore simple!
