**The Cup of Destiny** Trevor Ravenscroft,1982-08-01 Who is Parzival In The Cup of Destiny Trevor Ravenscroft sought to answer the many questions posed by readers of his enormously well received *Spear of Destiny* and to address a growing interest in the spiritual significance of the quest sagas of the Middle Ages Mind Control, Oswald & JFK Lincoln Lawrence,Kenn Thomas,1997 Rev ed of *Were we controlled* Lincoln Lawrence **The Grail Legend in Modern Literature** John Barry Marino,2004 The Grail legends have in modern times been appropriated by a number of different scholarly schools of thought their approaches are analysed here This study shows how modern including postmodern adaptations of the Grail legend correspond to trends in the scholarly community and how the legend has been appropriated by competing world views There are three parallel trends in Grail scholarship and modern adaptations of the legend controversy over Christian or pagan origins secularization by way of humanism and esoteric mysticism These three trends reflect movements in popular culture Relativism and multiculturalism influence Christian pagan cultural conflict in the adaptations Mythographers maintain the legend's appeal in a humanist culture by considering the Grail metaphor rather than material actuality modern adaptations then transform the Grail from a particularly Christian symbol to one with universal application in an increasingly secular society Modern esoteric spiritualities allow the Grail actuality with flexible meaning This study then demonstrates how the Grail legend is transformed and adapted from medieval to modern cultures and continues to evolve today JOHN B MARINO is adjunct instructor Maryville University and Saint Louis University **Where Were You Before the Tree of Life? **Quest of the Holy Grail** Charles Brumm,1921      **Encyclopedia of the Holy Grail** Jeffrey John Dixon,2023-03-31 In the twelfth century a French poet wrote a verse romance about a young knight who witnesses a mysterious procession centered on a radiant vessel a grail Left unfinished the poem inspired other writers of prose and verse until the story was completely rewritten into the Arthurian romances in which the vessel becomes a relic of the Last Supper the Holy Grail For hundreds of years the Grail story has haunted the western imagination But the original medieval texts are full of inconsistencies as different writers attempted to complete the story in varied ways This encyclopedia illuminates a path through the Perilous Forest of literature and legend Entries summarize the stories of the principal characters sacred objects and places associated with the Grail An Afterword shows how mysteries of the grail continue to enchant the scholars and creative writers who have transformed the medieval legend into modern mythology      **Myths and Legends of the Second World War** James Hayward,2009-09-23 The Second World War gave rise to a rich crop of legends many of which persist in the public consciousness today Some are well known such as the escape of an undead Hitler to South America Allied aircraft buzzed by Foo Fighters and UFOs German parachutists dressed as nuns and a failed German invasion of Suffolk in 1940 Others are more subtle such as the vaunted Dunkirk spirit which portrayed the disaster of 1940 as a victory and the conspiracy theories surrounding Rudolf Hess Did he fly to Scotland to negotiate a peace treaty with members of the Royal Family Was the aged prisoner who died in Spandau Prison a double From tales of betrayal at Dieppe and Arnhem to Hitler's obsession with the occult and Nazi U boat bases in Ireland James Hayward offers a refreshing and intriguing perspective on the myths legends and folk memories of the Second World War      *From Spiritual Knowledge to Immortality* William Stansmore,2021-06-22 This work is an attempt to re establish the importance of absolute values in a world where such values re becoming increasingly irrelevant and the necessity of preserving those immutable and self evident truths upon which was established our nation's framework and foundation To this end I propose to establish in the field of education a curriculum of the civilizing arts whose purpose is to clarify and strengthen the original commitments which underlie and empower the United States Constitution and Declaration of Independence      *Realm of the Bear* S. R. Sorel,2008-09-19 An epic retelling of the timeless tales of King Arthur and the Knights of the Round Table Volume II continues the story      **The Second Messiah**,1997 Donation      *Invented Knowledge* Ronald H. Fritze,2009-05-15 This incredible exploration of the murky world of pseudo history reveals the mix of proven facts informed speculation and pure fiction behind lost continents ancient super civilizations and conspiratorial cover ups as well as the revisionist historical foundations of religions such as the Nation of Islam and the Church of Jesus Christ of Latter day Saints Drawing on the best scholarship available Ronald H Fritze shows that in spite of strong mainstream historical evidence to the contrary many of these ideas have proved durable and gained widespread acceptance As the examples in *Invented Knowledge* reveal pseudo historians capitalize on and exploit anomalies in evidence to support their claims rather than examining the preponderance of research as a whole      **Freedom Through**

**Spiritual Enlightenment** William Stansmore, 2020-05-29 This book was inspired by my old friend and scholar Norman Dodd who many years ago brought to my attention the idea of a Natural Order an order laid down by God as a means to bring our country back to the course first established by our nation s Founding Fathers a course from which we have dangerously strayed It is my contention that such a natural order does exist and there will truly never be peace in the world until humanity is made aware of understands and ultimately conforms to that order In light of experience two conclusions may be observed 1 History attests to the sensitivity of men to the existence of this order 2 That sensitivity has been intelligently nullified It is our intention to present the nature of The Natural Order to indicate why our sensitivity to that order has been nullified and to demonstrate the means by which that order may restored implemented and made universally known This work is an attempt to re establish the importance of absolute values in a world where such values are becoming increasingly irrelevant and the necessity of preserving those immutable and self evident truths upon which was established our nation s framework and foundation Norman Dodd s dream was to establish and implement a Curriculum of The Civilizing Arts whose purpose is to clarify and strengthen the original commitments which underlie and empower the United States Constitution and Declaration of Independence It is my purpose to help make his dream a reality As such it is a compilation of our shared ideas and mutual dreams I was born in England but spent most of my life on the east coast of the United States I am intent on protecting preserving and implementing the hopes and aspirations of our country s Founding Fathers My formal education consists of a BA from Brown University Masters of Divinity M Div from Yale University and a Ph D from Trinity College Cambridge University England Bringing Up Daddy Stella Bruzzi, 2019-07-25 Offering a broad perspective on the Hollywood dad looking at important Hollywood fathers and discussing films from many genres this book adopts a multi faceted theoretical approach making use of psychoanalysis sociology and masculinity studies and contextualising the father figure within both Hollywood and American history *The Theosophist* Helena Petrovna Blavatsky, Henry Steel Olcott, Annie Besant, George Sydney Arundale, 1990 **The Secret Quest** S.M. Martins, 2010-08-02 In 1917 three impoverished children from a small town in Portugal are visited by a beautiful angelic being they called the Virgin Mother Lucia and her cousins gather at her feet as the Lady reveals three secret prophecies to the three children The first is a vision of the dark realm some call hell The second is a frightening vision of the future if humanity doesnt amend its corrupted ways The third and most important is a prophetic code that is to remain secret until the time is right Almost one hundred years later in present day Toronto three adults come face to face with the final secret described by the prophecy James Christopher has lost everything his home his job and his wife and unborn son to tragic circumstances Sarah Green is a teenage runaway fleeing a home where her parents are seemingly uninterested in her life Lumar Hirk Tenting Jr is a gang member trying to find the way to a better life They have little in common but they have been unknowingly selected not only to uncover the truth behind Fatimas legendary third secret but also to reveal a hidden truth that may change the course of mankind forever The

Stone of Destiny Jim Ware, 2011 Morgan Izaak learns that there is an Irish Stone of Destiny in his own town and sets out to find it in order to save his dying mother but he and his friend Eny must battle mysterious creatures who are also looking for the object
