The Damndest Yankees Ethan Allen And His Clan:

The Damndest Yankees Edwin Palmer Hoyt, 1976 Tells the story of the Allen family a breed of heroes scoundrels and plain honest men and women who lived and helped shape the life of the New England frontier and inspired the infant American Republic from p 4 of book jacket Ethan Allen Brenda Haugen, Andrew Santella, 2005 Profiles the life of the proud patriot and soldier who along with Benedict Arnold led the Green Mountain Boys in capturing Fort Ticonderoga from the British

The Historical Origins of Terrorism in America Robert Kumamoto, 2014-02-05 When we think of American terrorism it is modern individual terrorists such as Timothy McVeigh that typically spring to mind But terrorism has existed in America since the earliest days of the colonies when small groups participated in organized and unlawful violence in the hope of creating a state of fear for their own political purposes Using case studies of groups such as the Green Mountain Boys the Mollie Maguires and the North Carolina Regulators as well as the more widely known Sons of Liberty and the Ku Klux Klan Robert Kumamoto introduces readers to the long history of terrorist activity in America Sure to incite discussion and curiosity in anyone studying terrorism or early America *The Historical Origins of Terrorism in America* brings together some of the most radical groups of the American past to show that a technique that we associate with modern atrocity actually has roots much farther back in the country's national psyche *American Military Leaders* John C. Fredriksen, 1999-06-18 A comprehensive collection of biographies of the most prominent military leaders in American history *American Military Leaders* contains over 400 A-Z biographies of individuals such as Admiral Elmo Zumwalt who ended hundreds of years of tradition by allowing women to serve on Navy ships and Francis Marion the Swamp Fox whose rules of clandestine warfare are still followed by the U.S. Special Forces Coverage centers on the outstanding generals sergeants fighter aces militiamen theorists doctors and nurses who make up America's military history This volume presents their backgrounds contributions and significance to America's fortunes in war This title also cites works for further research includes a list of leaders organized by their military titles and a comprehensive index **Taking Sides in Revolutionary New Jersey** Maxine N.

Lurie, 2022-08-12 The American Revolution in New Jersey lasted eight long years during which many were caught in the middle of a vicious civil war Residents living in an active war zone took stands that varied from Loyalist to Patriot to neutral and or trimmer those who changed sides for a variety of reasons Men and women Blacks and whites Native Americans and those from a wide variety of ethnic backgrounds with different religious affiliations all found themselves in this difficult middle ground When taking sides sometimes family was important sometimes religion or political principles the course of the war and location also mattered Lurie analyzes the difficulties faced by prisoners of war the refugees produced by the conflict and those Loyalists who remained left as exiles or surprisingly later returned Their stories are interesting often dramatic and include examples of those literally caught in the crossfire They illustrate the ways in which this was an extremely difficult time and place to live In the end more of the war was fought in New Jersey than elsewhere resulting in the highest number of

casualties and a great deal of physical damage The costs were high no matter what side individuals took Taking Sides uses numerous brief biographies to illustrate the American Revolution s complexity it quotes from documents pamphlets diaries letters and poetry a variety of sources to provide insight into the thoughts and reactions of those living through it all It focuses on people rather than battles and provides perspective for the difficult choices we make in our own times

Supplemental Instructor Resources for Taking Sides in Revolutionary New Jersey Questions <https://d3tto5i5w9ogdd.cloudfront.net/wp-content/uploads/2022/07/19144155-Taking-Sides-Supplementary-Instructor-Resources-Questions.pdf> Bibliography <https://d3tto5i5w9ogdd.cloudfront.net/wp-content/uploads/2022/07/19144154-Taking-Sides-Supplementary-Instructor-Resources-Bibliography.pdf>

A Few Lawless Vagabonds David Bennett,2014-05-19 This surprising true story of Vermont s collusion with the British may be the best American Revolutionary War era book to come out in years Military Review This riveting work of political and military history provides an account of the three way relationship between Ethan Allen the Republic of Vermont 1777 1791 and the British in Canada during the American Revolution Ethan Allen was a prime mover in the establishment of the Republic then led the fight to maintain its independence from the predatory states of New Hampshire New York and Massachusetts from the American Continental Congress and from British attacks on the new state In order to defend Vermont s independence Ethan Allen even went so far as engaging in secret unlawful negotiations with the British in Canada aimed at turning Vermont into a separate Government under the Crown The attempts of the Allen family to maintain Vermont s independence from its neighbors were unsuccessful Vermont became the fourteenth state in 1791 *A Few Lawless Vagabonds* is the first systematic attempt using archival sources to show that the Allens were utterly serious in their aim to turn Vermont into a Crown colony a project which came close to success in late 1781 The portrait of Ethan Allen that emerges in this book is not of a warrior hero of the American Revolution but of a successful Vermont nationalist who is justly celebrated as the principal founder of the State of Vermont a rare combination of patriot and betrayer of the public trust

Professional Journal of the United States Army ,1976

Shays's Rebellion Leonard L. Richards,2014-11-29 During the bitter winter of 1786 87 Daniel Shays a modest farmer and Revolutionary War veteran and his compatriot Luke Day led an unsuccessful armed rebellion against the state of Massachusetts Their desperate struggle was fueled by the injustice of a regressive tax system and a conservative state government that seemed no better than British colonial rule But despite the immediate failure of this local call to arms in the Massachusetts countryside the event fundamentally altered the course of American history Shays and his army of four thousand rebels so shocked the young nation s governing elite even drawing the retired General George Washington back into the service of his country that ultimately the Articles of Confederation were discarded in favor of a new constitution the very document that has guided the nation for more than two hundred years and brought closure to the American Revolution The importance of Shays s Rebellion has never been fully appreciated chiefly because Shays and his followers have always been viewed as a small group of poor

farmers and debtors protesting local civil authority In Shays s Rebellion The American Revolution s Final Battle Leonard Richards reveals that this perception is misleading that the rebellion was much more widespread than previously thought and that the participants and their supporters actually represented whole communities the wealthy and the poor the influential and the weak even members of some of the best Massachusetts families Through careful examination of contemporary records including a long neglected but invaluable list of the participants Richards provides a clear picture of the insurgency capturing the spirit of the rebellion the reasons for the revolt and its long term impact on the participants the state of Massachusetts and the nation as a whole Shays s Rebellion though seemingly a local affair was the revolution that gave rise to modern American democracy **Ira Allen** J. Kevin Graffagnino,2024-09-13 Land speculator revolutionary pamphleteer politician and empire builder Ira Allen 1751 1814 was a key figure on the Green Mountain frontier In a remarkable Vermont pioneer generation that included such noteworthy leaders as Ethan Allen Thomas Chittenden Moses Robinson Isaac Tichenor and Stephen Row Bradley Ira Allen stood out for his extraordinary energy vision and accomplishments He helped create and sustain the independent State of Vermont held such important state offices as treasurer surveyor general and member of the Governor s Council published hundreds of pages defending Vermont against a host of internal and external enemies and represented Vermont in negotiations with the British Empire other American states and Congress As an entrepreneur Allen amassed a Champlain Valley land portfolio of 120 000 acres and dreamed of developing the commercial and industrial potential of northwestern Vermont to establish profitable trade networks with Canada England and France When his financial reach exceeded his grasp in the 1790s he devised an audacious plan for a French Canadian rebellion against British authority that he hoped would restore his fortunes and turn his dreams into reality At the end of his life alone and destitute in Philadelphia Allen remained true to his revolutionary roots throwing his support behind an ill fated filibustering expedition against Mexican control of what two decades later became Texas J Kevin Graffagnino s biography ably details Ira Allen s extraordinary life As the first published examination of Allen s career in nearly a century this book shines new light on Allen and his prominent role in Vermont s formative decades *Vermont History* ,1989 **American Military Leaders [2**

Volumes] John C. Fredriksen,1999-06-18 American Military Leaders contains over 400 A Z biographies of individuals such as Admiral Elmo Zumwalt who ended hundreds of years of tradition by allowing women to serve on Navy ships and Francis Marion the Swamp Fox whose rules of clandestine warfare are still followed by the U S Special Forces Coverage centers on the outstanding generals sergeants fighter aces militiamen theorists doctors and nurses who make up America s military history This volume presents their backgrounds contributions and significance to America s fortunes in war This title also cites works for further research includes a list of leaders organized by their military titles and a comprehensive index Yankee ,1976 **Military Review** ,1976 *Quarterly Review of Military Literature* ,1976 *Freedom and Unity*

Michael Sherman, Gene Sessions, P. Jeffrey Potash, 2004 **No Turning Point** Theodore Corbett, 2014-11-05 The Battle of

Saratoga in 1777 ended with British general John Burgoyne's troops surrendering to the American rebel army commanded by General Horatio Gates. Historians have long seen Burgoyne's defeat as a turning point in the American Revolution because it convinced France to join the war on the side of the colonies thus ensuring American victory. But that traditional view of Saratoga overlooks the complexity of the situation on the ground. Setting the battle in its social and political context, Theodore Corbett examines Saratoga and its aftermath as part of ongoing conflicts among the settlers of the Hudson and Champlain valleys of New York, Canada, and Vermont. This long more local view reveals that the American victory actually resolved very little. In transcending traditional military history, Corbett examines the roles not only of enlisted Patriot and Redcoat soldiers but also of landowners, tenant farmers, townspeople, American Indians, Loyalists, and African Americans. He begins the story in the 1760s when the first large influx of white settlers arrived in the New York and New England backcountry. Ethnic and religious strife marked relations among the colonists from the outset. Conflicting claims issued by New York and New Hampshire to the area that eventually became Vermont turned the skirmishes into a veritable civil war. These pre-Revolution conflicts which determined allegiances during the Revolution were not affected by the military outcome of the Battle of Saratoga. After Burgoyne's defeat, the British retained control of the upper Hudson, Champlain valley, and mobilized Loyalists and Native allies to continue successful raids there even after the Revolution. The civil strife among the colonists continued into the 1780s as the American victory gave way to violent strife amounting to class warfare. Corbett ends his story with conflicts over debt in Vermont, New Hampshire, and finally Massachusetts where the sack of Stockbridge, part of Shays's Rebellion in 1787, was the last of the civil disruptions that had roiled the landscape for the previous twenty years. No Turning Point complicates and enriches our understanding of the difficult birth of the United States as a nation.

American Writers Before 1800 James Levernier, Douglas R. Wilmes, 1983. Recommended for public and academic libraries and for historical collections. Secondary school libraries will also do well to consider it. Reference Books Bulletin

Genealogies in the Library of Congress Marion J. Kaminkow, 2012-09. A complement to genealogies in the Library of Congress. t p of fifth v. Historic World Leaders: North & South America (A-L) Anne Commire, 1994. This is volume four in a five volume biographical resource which presents the lives, times, and significant contributions of social, political, and religious leaders from earliest recorded times to the present, both the best known and lesser known figures. This particular volume deals with Africa and the Middle East. **Biographical Books, 1950-1980** R.R. Bowker Company. Department of Bibliography, 1980.
