Profiles in Ignorance Andy Borowitz,2022-09-13 NEW YORK TIMES BESTSELLER WALL STREET JOURNAL BESTSELLER WASHINGTON POST BESTSELLER Andy Borowitz one of the funniest people in America CBS Sunday Morning brilliantly chronicles our embrace of anti intellectualism Walter Isaacson in American politics from Ronald Reagan to Dan Quayle from George W Bush to Sarah Palin to its apotheosis in Donald J Trump Andy Borowitz has been called a Swiftian satirist The Wall Street Journal and one of the country s finest satirists The New York Times Millions of fans and New Yorker readers enjoy his satirical news column The Borowitz Report Now in Profiles in Ignorance he delivers a wittily alarming polemic that tracks the evolution of American politics from grounds for gravitas to festival of idiocy The New York Times Borowitz argues that over the past fifty years American politicians have grown increasingly allergic to knowledge and mass media have encouraged the election of ignoramus by elevating candidates who are better at performing than thinking Starting with Ronald Reagan s first campaign for governor of California in 1966 and culminating with the election of Donald J Trump to the White House Borowitz shows how during the age of twenty four hour news and social media the US has elected politicians to positions of great power whose lack of the most basic information is terrifying In addition to Reagan Quayle

Bush Palin and Trump Borowitz covers a host of congresspersons senators and governors who have helped lower the bar over the past five decades Profiles in Ignorance aims to make us both laugh and cry laugh at the idiotic antics of these public figures and cry at the cataclysms these icons of ignorance have caused But most importantly the book delivers a call to action and a cause for optimism History doesn't move in a straight line and we can change course if we act now **The Cumulative Book Index** ,1901 A world list of books in the English language **Minimum Wage Restoration Act of 1987** United States. Congress. Senate. Committee on Labor and Human Resources,1988 Should Obama Be Impeached? Thomas R. Meinders,2011-05 Should Obama Be Impeached The United States of America is currently in three wars What the American people would like to know is why we engaged in any of them since the President of the United States doesn't make a commitment to winning them The President has stated that we would start withdrawing troops from Afghanistan within a few months If we are going to withdraw the troops in a few months without any hope of winning the war it makes more sense to withdraw them immediately The Taliban is just waiting for the troops to withdraw The Taliban already knows that they have won the war The President needs to make the commitment to win the war or get out now This is a huge waste of the resources of the United States with no hope for a positive outcome If the President is going to have a plan to win the war then he needs to discuss it with the Generals in charge The President does not know who we are fighting or why When Obama was asked who the rebels are in Libya there was complete silence Why are we there when no one knows who we are supporting Then the President has made comments that Gadhafi must go Then in the next sentence Obama states that we will not target Gadhafi with the air strikes The President can not have it both ways Either eliminate Gadhafi and his leaders or forget about winning this war When you cut off the head of the dog the rest of the dog is going to stop functioning This does not seem like a very hard decision to make Get serious about winning or get out of the game **In Other Words** Anthony DeCurtis,2006-08-01 Book Now in paperback In this collection of interviews conducted between 1982 and 2004 music journalist cultural commentator and Rolling Stone contributing editor Anthony DeCurtis conjures themes of songwriting spirituality making music and filmmaking out of his subjects They include such icons as Keith Richards Bono Johnny Cash Iggy Pop Woody Allen Eminem Trey Anastasio Paul McCartney George Harrison Bruce Springsteen Phil Spector Martin Scorsese and Al Pacino Few are as qualified as DeCurtis to take you along for the ride be it in Harrison's black Ferrari or in his other revealing sit downs with pop culture's most captivating figures Rolling Stone
