The Blokes Guide To Pregnancy:

The Bloke's Guide To Pregnancy Jon Smith, 2004-07-01 This book takes a warts and all sensible yet humorous look at the many stages of pregnancy. It explores the changes physical and emotional that any man can expect to see in his partner and in their relationship over the coming months. Becoming pregnant involved two people. The rearing of a child will involve two people. There is every reason that your partner's pregnancy should also involve the two of you together. For any man that has been put off reading pregnancy books because he doesn't feel he was the intended audience or that something about the tone of these books was alien to him, yet he still has questions that need answers, then *The Blokes Guide to Pregnancy* is the book he's been looking for. As a father himself, Jon Smith realised when his partner Lisa became pregnant that there was nothing out there that he could relate to. *The Bloke's Guide to Pregnancy* is the result. Jon takes a comical yet informed look at the ups and downs of life as a father to be.

The Male Survival Guide to Pregnancy Lee Hobin, 2009-09 Danny Harper could never see himself as a one woman kind of guy. As a teenager, he often had a girl on each arm, a beer in each hand and a betting slip in his back pocket. He graduated to become a gambling drinking womanizer who could care less about settling down with anyone. Anyone that is, until he meets Sara Gillespie. Finally discovering the woman who makes his life worth more than poker chips and tequila shots, Danny throws aside his wicked vices of weekly nights with the boys and the occasional party girl for a lifetime of, for better or worse, with the remarkable Sara. Follow the lives of Danny and Sara as they learn the ropes of what it's like to be married with children. See how they manage to deal with the stresses, aches and pains of their first pregnancy while struggling to maintain control of their work, their relationship and, above all, their sanity. A lighthearted look at the most confusing time in a man's life. *The Male Survival Guide to Pregnancy* will entertain if not enlighten. Lee Hobin is a financial advisor from Bolton, England, who always had the desire to become a writer. *The Male Survival Guide to Pregnancy* is his first published book. He has survived two pregnancies with his wife Ruth, resulting in two wonderful daughters, Alexandra and Francesca.
