The Box Man:

The Box Man Kobo Abe, 2001-07-10 Kobo Abe the internationally acclaimed author of *Woman in the Dunes* combines wildly imaginative fantasies and naturalistic prose to create narratives reminiscent of the work of Kafka and Beckett In this eerie and evocative masterpiece the nameless protagonist gives up his identity and the trappings of a normal life to live in a large cardboard box he wears over his head Wandering the streets of Tokyo and scribbling madly on the interior walls of his box he describes the world outside as he sees or perhaps imagines it a tenuous reality that seems to include a mysterious rifleman determined to shoot him a seductive young nurse and a doctor who wants to become a box man himself *The Box Man* is a marvel of sheer originality and a bizarrely fascinating fable about the very nature of identity Translated from the Japanese by E Dale Saunders

Behind the Great Wall James Whitlark, 1991 This work explores what lies behind the fantastic barrier in a borderland that C G Jung called the unconscious the avant garde writer Kafka termed incomprehensible and Whitlark argues is an entire spectrum of muted awareness

Intercourse Andrea Dworkin, 2008-08-01 Andrea Dworkin once called Feminism s Malcolm X has been worshipped reviled criticized and analyzed but never ignored The power of her writing the passion of her ideals and the ferocity of her intellect have spurred the arguments and activism of two generations of feminists Now the book that she s best known for in which she provoked the argument that ultimately split apart the feminist movement is being reissued for the young women and men of the twenty first century *Intercourse* enraged as many readers as it inspired when it was first published in 1987 In it Dworkin argues that in a male supremacist society sex between men and women constitutes a central part of women s subordination to men This argument was quickly and falsely simplified to all sex is rape in the public arena adding fire to Dworkin s already radical persona In her introduction to this twentieth anniversary edition of *Intercourse* Ariel Levy the author of *Female Chauvinist Pigs* discusses the circumstances of Dworkin s untimely death in the spring of 2005 and the enormous impact of her life and work Dworkin s argument she points out is the stickiest question of feminism Can a woman fight the power when he shares her bed

Lehar,2003-01-30 The World In Your Head A Gestalt View of the Mechanism of Conscious Experience represents a bold assault on one of the greatest unsolved mysteries in science the nature of consciousness and the human mind Rather than examining the brain and nervous system to see what they tell us about the mind this book begins with an examination of conscious experience to see what it can tell us about the brain Through this analysis the first and most obvious observation is that consciousness appears as a volumetric spatial void containing colored objects and surfaces This reveals that the representation in the brain takes the form of an explicit volumetric spatial model of external reality Therefore the world we see around us is not the real world itself but merely a miniature virtual reality replica of that world in an internal representation In fact the phenomena of dreams and hallucinations clearly demonstrate the capacity of the brain to construct complete virtual worlds even in the absence of sensory input Perception is somewhat like a guided hallucination based on sensory stimulation This insight allows us to examine the world of visual experience not as scientists exploring the external world but as perceptual scientists examining a rich and complex internal representation This unique approach to investigating mental function has implications in a wide variety of related fields including the nature of language and abstract thought and motor control and behavior It also has implications to the world of music art and dance showing how the patterns of regularity and periodicity in space and time apparent in those aesthetic domains reflect the periodic basis set of the underlying harmonic resonance representation in the brain **The Selected Works of Eric Partridge** Eric Partridge,2021-07-14 This set reissues important selected works by Eric Partridge covering the period from 1933 to 1968 Together the books look at many and diverse aspects of language focusing in particular on English Included in the collection are a variety of insightful dictionaries and reference works that showcase some of Partridge s best work The books are creative as well as practical and will provide enjoyable reading for both scholars and the more general reader who has an interest in language and linguistics *Intimacy and Other Plays* Thomas Bradshaw,2015-09-28 Bradshaw has proved in play after play that he has a confident vision of the theater that is his own The politically incorrect plots jump merrily from one outrage to another never pausing to explain motivation or linger on subtext His dramas ask What would happen if every dark urge lingering resentment and unedited ugly insult that popped into your head came spilling out of your mouth No playwright applies as ruthlessly Hitchcock s definition of drama as life with the boring parts taken out The New York Times Interracial couple Jerry and Pat borrow tools from their recently widowed white evangelical neighbor James and they even share the same Latino contractor the mysterious Fred Everything s suburban bliss until James after discovering his neighbors daughter Janet is a budding porn star shuns the family But what James doesn t know is that his aspiring filmmaker son Matthew has other ideas An outrageous and revealing comedy about
