#### The Convict Colonel A Romance:

The Convict Colonel Fortune Du Boisgobey, 2004-03-01 Fortune du Boisgobey was a prolific writer of detective fiction and his work had the undoubted effect of popularizing this type of story in France Moreover there is no doubt that he influenced Conan Doyle if indeed Doyle did not go to him for actual suggestions Boisgobey's first detective work was Le Forcat Colonel which appeared in 1872 and this was followed by Les Gredins La Tresse Blonde Les MystPres du Nouveau Paris Le Billet Rouge Le Cri du Sang La Bande Rouge and others La Main Froide was published as late as 1889 Le forcat colonel. The convict colonel. A romance Fortuné DU BOISGOBEY,1923 21 MYSTERY & ROMANCE NOVELS: From Whose Bourne, The Triumph of Eugéne Valmont, Jennie Baxter, Lord Stranleigh Abroad, The Sword Maker, Lady Eleanor, The Herald's of Fame, A Chicago Princess... Robert Barr, 2016-06-12 This carefully crafted ebook 21 MYSTERY ROMANCE NOVELS From Whose Bourne The Triumph of Eug ne Valmont Jennie Baxter Lord Stranleigh Abroad The Sword Maker Lady Eleanor The Herald's of Fame A Chicago Princess is formatted for your eReader with a functional and detailed table of contents The Triumph of Eug ne Valmont Jennie Baxter Journalist Tekla A Romance of Love and War In the Midst of Alarms From Whose Bourne One Day's Courtship The Herald's of Fame The Strong Arm A Woman Intervenes A Prince of Good Fellows The O Ruddy A Romance with Stephen Crane A Rock in the Baltic The Measure of the Rule The Sword Maker Young Lord Stranleigh Lord Stranleigh Abroad Lady Eleanor Lawbreaker Cardillac A Chicago Princess Over the Border A Romance The Victors A Romance of Yesterday Morning and This Afternoon Literary Article Canadian literature Robert Barr 1849 1912 was a Scottish Canadian short story writer and novelist born in Glasgow Scotland His famous detective character Eug ne Valmont fashioned after Sherlock Holmes is said to be the inspiration behind Agatha Christie's Hercule Poirot Excerpt When I say I am called Valmont the name will convey no impression to the reader one way or another My occupation is that of private detective in London but if you ask any policeman in Paris who Valmont was he will likely be able to tell you unless he is a recent recruit If you ask him where Valmont is now he may not know yet I have a good deal to do with the Parisian police The The History and Romance of Crime: Prisons Over Seas Arthur George Frederick Triumph of Eug ne Valmont Griffiths, 2020-09-28 It will hardly be denied after an impartial consideration of all the facts I shall herein set forth that the British prison system can challenge comparison with any in the world It may be no more perfect than other human institutions but its administrators have laboured long and steadfastly to approximate perfection Many countries have already paid it the compliment of imitation In most of the British colonies the prison system so nearly resembles the system of the mother country that I have not given their institutions any separate and distinct description No doubt different methods are employed in the great Empire of India but they also are the outcome of experience and follow lines most suited to the climate and character of the people for whom they are intended Cellular imprisonment would be impossible in India Association is inevitable in the Indian prison system Again it is the failure to find suitable European subordinate officers that has brought

about the employment of the best behaved prisoners in the discipline of their comrades a system as I have been at some pains to point out quite abhorrent to modern ideas of prison management As for the retention of transportation by the Indian government when so clearly condemned at home it is defensible on the grounds that the penalty of crossing the sea the Black Water possesses peculiar terrors to the Oriental mind and the Andaman Islands are moreover within such easy distance as to ensure their effective supervision and control Nearer home we may see Austria adopting an English method the movable or temporary prison by the use of which such works as changing the courses of rivers have been rendered possible and the prison edifices of Lepoglava Aszod and Kolosvar erected in imitation of Chattenden Borstal and Wormwood Scrubs France has also constructed in the outskirts of Paris a new prison for the department of the Seine and she may yet find that the British progressive system is more effective for controlling habitual crime than transportation to New Caledonia In a country where every individual is ticketed and labelled from birth where police methods are quite despotic and the law claims the right in the interests of the larger number to override the liberty of the subject the professional criminal might be held at a tremendous disadvantage It is true that the same result might be expected from the Belgian plan of prolonged cellular confinement but as I shall point out this system is more costly and can only be enforced with greater or less but always possible risks to health and reason The History and Romance of Crime. Prisons Over Seas Arthur Griffiths, 2016-09-01 It will hardly be denied after an impartial consideration of all the facts I shall herein set forth that the British prison system can challenge comparison with any in the world It may be no more perfect than other human institutions but its administrators have laboured long and steadfastly to approximate perfection Many countries have already paid it the compliment of imitation In most of the British colonies the prison system so nearly resembles the system of the mother country that I have not given their institutions any separate and distinct description No doubt different methods are employed in the great Empire of India but they also are the outcome of experience and follow lines most suited to the climate and character of the people for whom they are intended Cellular imprisonment would be impossible in India Association is inevitable in the Indian prison system Again it is the failure to find suitable European subordinate officers that has brought about the employment of the best behaved prisoners in the discipline of their comrades a system as I have been at some pains to point out quite abhorrent to modern ideas of prison management As for the retention of transportation by the Indian government when so clearly condemned at home it is defensible on the grounds that the penalty of crossing the sea the Black Water possesses peculiar terrors to the Oriental mind and the Andaman Islands are moreover within such easy distance as to ensure their effective supervision and control Nearer home we may see Austria adopting an English method the movable or temporary prison by the use of which such works as changing the courses of rivers have been rendered possible and the prison edifices of Lepoglava Aszod and Kolosvar erected in imitation of Chattenden Borstal and Wormwood Scrubs The Bookseller .1897 The Publishers Weekly ,1924 Bookseller and the Stationery Trades' Journal ,1904

Character Sketches of Romance, Fiction and the Drama Ebenezer Cobham Brewer, 2004-03 Originally published in 1892 the object of this Handbook is to supply readers and speakers with a lucid but very brief account of such names as are used in allusions and references whether by poets or prose writers to furnish those who consult it with the plot of popular dramas the story of epic poems and the outline of well known tales The number of dramatic plots sketched out is many hundreds Another striking and interesting feature of the book is the revelation of the source from which dramatists and romancers have derived their stories and the strange repetitions of historic incidents It has been borne in mind throughout that it is not enough to state a fact It must be stated attractively and the character described must be drawn characteristically if the reader is to appreciate it and feel an interest in what he reads This work an American reprint of The Reader's Handbook by E Cobham Brewer while retaining all of the original material that can interest and aid the English speaking student gives also characters and sketches found in American novels poetry and drama
