Arnold, 2021-05-20 2 Peter 3 1 7 says Beloved I now write to you this second epistle in both of which I stir up your pure

minds by way of reminder that you may be mindful of the words which were spoken before by the holy prophets and of the commandment of us the apostles of the Lord and Savior knowing this first that scoffers will come in the last days walking according to their own lusts and saying Where is the promise of His coming For since the fathers fell asleep all things continue as they were from the beginning of creation For this they willfully forget that by the Word of God the heavens were of old and the earth standing out of water and in the water by which the world that then existed perished being flooded with water But the heavens and the earth which are now preserved by the same Word are reserved for fire until the day of judgment and perdition of ungodly men      **High King of Heaven** John MacArthur,2018-03-06 Featuring contributions from Al Mohler John MacArthur Mark Dever and more Curating insights from some of America s greatest Christian minds High King of Heaven is a series of reflections on Christology one of the church s central doctrines It contains essays from over twenty well known pastors and theologians including John MacArthur Mark Dever Albert Mohler Miguel Nu ez and Ligon Duncan Each essay in this collection not only elucidates an aspect of Christ s person and work but also demonstrates how it applies to the life of the church After reading High King of Heaven readers will Have a deeper understanding of Jesus nature and redemptive work Be inspired to worship Christ with greater passion and reverence Come away motivated and equipped to defend the orthodox view of Christ Be equipped to better teach and preach about Jesus divinity and humanity Be conversant with current challenges and debates in the area of Christology      **When God Is Not Enough** John Greer,2015-12-09 Faith is messy We are often disappointed if not disillusioned with God Disappointment divorce sin and suffering often dominate our Christian landscape When these things come our way our response is often to find our needs met outside of God ministry or the church Consciously or not we say I tried God failed I ll meet my needs myself This often leads us down a path of even more disappointment broken relationships unsatisfied ambitions and heartfelt needs Is God really enough for all we need When God Is Not Enough brings to light God s sovereignty and love within the biblical narrative and through some of the characters of Scripture He has so lovingly chosen to reveal His glory In viewing His story and theirs we find meaning and purpose in our own and this not just for ourselves but also for the life of the world But this story would be incomplete without its fulfillment in Jesus Christ and what He has done When God Is Not Enough takes a hard look at what it truly means to be not only a Christian but a disciple of Jesus Christ With Christ as our life we find it is in dying that we truly live and so to live is really to truly die This is the way Christ has made for us If Jesus in living this life to the fullest lost His life on the cross then it will surely cost us no less in attempting to do the same When God Is Not Enough gives an honest look at what it takes to live a life for God and what is truly available through Him for our joy and for the life of the world      All Authority in Heaven and on Earth Ron Craig,2009-10-27 Due to the many misunderstandings regarding the subject of authority in both the world and the church today this book had to be written to dispel many of those dubious ideas about and misuses of authority in both realms In place of such erroneous concepts and practices this book offers literally

hundreds of Scripture passages that address the issue with divine truth which cannot be lightly dismissed Thus this book dispels the prevailing darkness surrounding that subject by turning on the gospel light All those who are honest with themselves and God will surely read and heed

The Captivity of Innocence Andre LaCocque,2010-04-02 In this study the third panel of a trilogy on J s tales about evil and innocence in the primeval era the author turns to Genesis 11 1 9 another parable this time on the so called Tower of Babel The Captivity of Innocence analyzes a systemic robotization of society as a way of keeping innocence behind bars contending that innocence never fails to offend never fails to stir envy and hate Here evil is not wrought by an individual like Cain or Lamech but by all the earth so that the summit of evil is now reached before Abraham s breakthrough in Genesis following chapter The present analysis uses a variety of techniques to interpret the biblical text including historical critical literary sociopolitical psychoanalytic and deconstructive approaches The inescapable conclusion is that Babel is the Kafkaesque image of our world and is a powerful paradigm of our hubristic contrivances and constructions Des Tours de Babel says Derrida in order to deny our finiteness Then innocence is trampled upon but it is not overcome Babel Babylon s fate is to crumble down and to bring up from her ashes the Knight of Faith

*The Quest For Truth* Michael Dedivonai,2012-08 This book is for the reader who takes interest in an age old issue that remains contemporary with every succeeding generation When how and why we are here are questions that have caused countless generations of thinkers and laymen alike to intuitively seek at the very least the semblance of an answer to questions that have become more of an outlook than a science and in turn spring up among the problems of modern life as opposed to allowing for a resolution to that which was intended to clarify instead of further complicate Free from the shackles and bias imposed by the various schools of religious scientific and philosophical thought the examinations offered herein are rooted in systematic analyses of the scientific philosophical ethical social and finally the religious which in turn allows for the explanation and justification of concepts that enable the reader to adopt a perspective relevant to the distinctions of absolute truth and relativistic assumptions Our age is accurately referred to as the age of advancement and technology and for good reason The rapid pace of progression over the last century in the life sciences has contributed to a broadened understanding of knowledge itself and its relation to the psychological and sociological aspects of our existence As a result of the significant expansion of the sciences the desire for an understanding of self and simply of why has in many ways been diluted thus negating the never ending questions that once tugged at man s conscious in the middle of the night for thousands of years Today s amazing achievements have laid the foundation for a whole series of newer problems and questions that threaten mankind as never before The medical and biological sciences have enabled us to have a life expectancy beyond that of prior generations however coupled with that are the problems of population explosion which in the not too distant future will give rise to serious concerns We have the ability to harness the power of the atom yet along with it comes the ability to destroy all that we hold sacred Taking into consideration the advanced age we live in how does one account for the remarkable

complexity extant throughout the known universe Is one to assume that our consciousness coupled with our overwhelming sense of purpose can be attributed solely to random chance alone The law of causation deals with the need for a preceding event leading to the outcome and despite the fact that this scientific age has left its handprint on every facet of life today it has failed to satisfy the innate question of simply why *1-2 Timothy, Titus, Hebrews* Linda Belleville, Jon Laansma, J. *God's Sabbath with Creation* James W. Skillen, 2019-04-09 The biblical story is about more than sin and salvation It is about the creator's purposes and the fulfillment of those purposes in the climactic revelation of God's glory in Sabbath with creation Christ Jesus is the Alpha and the Omega the one through whom all things are created and all things are fulfilled We are creatures made in God's image called to develop and govern the earth in service to God The exercise of human responsibility in this age plays a major part in the revelation of God's glory Every vocation matters for creation's seventh day fulfillment family friendships worship civic responsibility and our work in every sphere of life The Son of God became one with us He died for sinners while they still rebelled and he was raised to life as the last Adam the life giving Spirit of the age to come Christ is reconciling all things to God including all that belongs to the responsibility of God's sixth day royal priesthood That is why God's promise in Christ is that those who die in the Lord will rest from their labors and their deeds will follow them *God Reveals Himself* Chuck Russell, 2008-11-14 This book is designed for group bible study with open ended discussion questions at the end of each chapter For beginners and more seasoned Bible readers *Jumpin' Jehovah* Paul Tice, 2007-07 With this book your views on God will never be the same With clear Biblical evidence Jehovah is shown to be an entity with no sense of ethics forgiveness or compassion Was Jehovah a god or a demon Why did he never promise a

heaven or any kind of reward to his followers Does any entity that murders thousands of devoted followers deserve to be worshiped Jehovah has stopped punishing people in terrible ways so its probably safe to buy this book      **Why Was Man Created?** Sam Oputa,2016-10-11 In the beginning God created the earth and He looked upon it in His cosmic loneliness And God said Let Us make living creatures out of mud so the mud can see what We have done And God created every living creature that now moveth and one was man Mud as man alone could speak God leaned close to mud as man sat up looked around and spoke Man blinked What is the purpose of all this he asked politely Everything must have a purpose asked God Certainly said man Then I leave it to you to think of one for all this said God And He went away Kurt Vonnegut Cat s Cradle Most people must have at one point or another asked themselves the question why am I here One thing is certain we were not here from the beginning Some have asked questions like What is life all about Many others have wondered What is the nature of life and What is the nature of reality These questions can be a passing thought that launches into a full on existential exploration What are we anyway We are born We grow into adults and before you can bat an eyelid you are in the old people s home waiting to die How fulfilling is that Do you now wonder why some people ask the question What are we here for anyway Some great people have asked these questions What is my purpose It is a difficult and profound question and a common conclusion is that we were created for God s glory That may be a religious truth but is it logical There must be a far more specific reason for our creation In Sam Oputa s Why Was Man Created he explores this question from many angles spirituality religion psychology philosophy and other sciences but mostly he draws from the Holy Books which contain a wealth of scientific evidence The result of years of research and soul searching Why Was Man Created is a fascinating and sometimes controversial study of the age old question of creation and evolution The answers to these questions are not easy to resolve but the answers are out there      **Judah Moscato Sermons** Gianfranco Miletto,Giuseppe Veltri,2010-12-07 Judah ben Joseph Moscato c 1533 1590 was one of the most distinguished rabbis authors and preachers of the Italian Jewish Renaissance The book Sefer Nefu ot Yehudah belongs to the very centre of his important homiletic and philosophical oeuvre Composed in Mantua and published in Venice in 1589 the collection of 52 sermons addresses the subject of the Jewish festivals focussing on philosophy mysticism sciences and rites This and subsequent volumes will provide a critical edition of the original Hebrew text accompanied by an English translation
