Problem type: Property Crime  
District: 2

Response Goals  
Not Met

We have a consistent problem with individuals rummaging through their unlocked vehicles, stealing any belongings or loose change. This has been a long-persistent problem in the neighborhood and I believe is associated with commuters parking their cars in the strip yard nearby.

### Garden Poaching

Evaluated on: 2/1/2023  
Problem type: Disorder/Quality of Life  
District: 2

Response Goals  
Not Met

Someone is coming into the community garden plots at nighttime and picking produce and destroying the individual plots. This is very frustrating for those of us who spend a lot of time and effort to cultivate these gardens.

### Evaluation Summary

Evaluation Completed On: 1/23/2023  
Completed By: Julie Huntington

#### Response details

3 robberies during the fall semester

#### Implementation evaluation

**Position:** Police collaboration was excellent. We were able to quickly coordinate, and conducted nightly premise checks of known offenders, resulting in several violations leading to information relevant to this problem as well as others. CPD knock and talks were highly productive. Additional intelligence was gained that led to further suspect information, ultimately resulting in the arrest of two individuals. **Area of Improvement:** Too much demonstrated output for focused patrols. Several times, assigned cars ended up performing proactive stops outside of the problem area. Surveillance generated minimal output. In both cases, the lack of a specific focus decreased the effectiveness of these resources.

#### Strength of statistical evidence for reduction
