## **The Daily Shows Five Questions From Comedy Central:**

**The Daily Show's Five Questions from Comedy Central** Comedy Central (Performing group), 1998 Celebrity interviewing takes hipness to a new level on Comedy Central's THE DAILY SHOW thanks to its hugely popular Five Questions segment Host Craig Kilborn's quirky unexpected questions regularly amuse, startle and titillate celebrities This book gathers the funniest interviews Kilborn has done since the show began in 1996 *A History of Television News Parody in America* Curt Hersey, 2022-07-26 In this book Curt Hersey explores the history of U S media demonstrating how news parody has entertained television audiences by satirizing political and social issues and offering a lighthearted take on broadcast news Despite shifts away from broadcast and cable delivery comedians like Samantha Bee Michael Che and John Oliver continue this tradition of delivering topical humor within a newscast format In this history of the television news parody genre Hersey critically engages with the norms and presentational styles of television journalism at the time of their production News parody has increasingly become part of the larger journalistic field with viewers often turning to this parodic programming as a supplement and corrective to mainstream news sources Beginning in the 1960s with the NBC program That Was the Week That Was the history of news parody is analyzed decade by decade by focusing on presidential and political coverage as well as the genre's critiques of television network and cable journalism Case studies include Saturday Night Live's Weekend Update HBO's Not Necessarily the News Comedy Central's original Daily Show The Daily Show with Jon Stewart and The Colbert Report and HBO's Last Week Tonight with John Oliver Scholars of media history political communication and popular culture will find this book particularly useful *TV Guide*, 2007 *The Daily Show (The Book)* Chris Smith, 2016-11-22 The complete uncensored history of the award winning The Daily Show with Jon Stewart as told by its correspondents writers and host For almost seventeen years The Daily Show with Jon Stewart brilliantly redefined the borders between television comedy political satire and opinionated news coverage It launched the careers of some of today's most significant comedians highlighted the hypocrisies of the powerful and garnered 23 Emmys Now the show's behind the scenes gags controversies and camaraderie will be chronicled by the players themselves from legendary host Jon Stewart to the star cast members and writers including Samantha Bee Stephen Colbert John Oliver Steve Carell Lewis Black Jessica Williams John Hodgman and Larry Wilmore plus some of The Daily Show's most prominent guests and adversaries John and Cindy McCain Glenn Beck Tucker Carlson and many more This oral history takes the reader behind the curtain for all the show's highlights from its origins as Comedy Central's underdog late night program hosted by Craig Kilborn to Jon Stewart's long reign to Trevor Noah's succession rising from a scrappy jester in the 24 hour political news cycle to become part of the beating heart of politics a trusted source for not only comedy but also commentary with a reputation for calling bullshit and an ability to effect real change in the world Through years of incisive election coverage Jon Stewart's emotional monologue in the wake of 9/11 his infamous confrontation on Crossfire passionate debates with President Obama and Hillary Clinton feuds with Bill O'Reilly and

Fox the Indecisions Mess O Potamia and provocative takes on Wall Street and racism The Daily Show has been a cultural touchstone Now for the first time the people behind the show s seminal moments come together to share their memories of the last minute rewrites improvisations pranks romances blow ups and moments of Zen both on and off the set of one of America s most groundbreaking shows **Cumulated Index to the Books** ,1999 The Publishers Weekly ,2004

Writer's Guide to Book Editors, Publishers and Literary Agents, 2001-2002 Jeff Herman,2000 The classic reference guide for book authors has been completely revised and updated with the names and specific areas of interest of thousands of editors at over 500 book publishing houses **The Complete Directory to Prime Time Network and Cable TV Shows, 1946-Present** Tim Brooks,Earle F. Baum,2011-10-16 The American public has consistently declared itself less concerned with foreign affairs in the post Cold War era even after 9 11 than at any time since World War II How can it be then that public attentiveness to U S foreign

policy crises has increased This book represents the first systematic attempt to explain this apparent paradox Matthew Baum argues that the answer lies in changes to television's presentation of political information In so doing he develops a compelling byproduct theory of information consumption The information revolution has fundamentally changed the way the mass media especially television covers foreign policy Traditional news has been repackaged into numerous entertainment oriented news programs and talk shows By transforming political issues involving scandal or violence especially attacks against America into entertainment the soft news media have actually captured more viewers who will now follow news about foreign crises due to its entertainment value even if they remain uninterested in foreign policy Baum rigorously tests his theory through content analyses of traditional and soft news media coverage of various post WWII U S foreign crises and statistical analyses of public opinion surveys The results hold key implications for the future of American politics and foreign policy For instance watching soft news reinforces isolationism among many inattentive Americans Scholars political analysts and even politicians have tended to ignore the soft news media and politically disengaged citizens But as this well written book cogently demonstrates soft news viewers represent a largely untapped reservoir of unusually persuadable voters

**Emmy Award Winning Nighttime Television Shows, 1948-2004** Wesley Hyatt, 2015-09-11 Since the early days of television well before most households had a set the Academy of Television Arts and Sciences has been handing out honors for the industry's best efforts Now fans can read about their favorites and perhaps rediscover some forgotten pleasures in this reference to prime time and nighttime Emmy winners Beginning with the heated charade contest known as Pantomime Quiz which won Most Popular Program of 1948 in the first Emmy Awards ceremony held in 1949 each of more than 100 winning shows gets star treatment with an entry that includes the year of award or awards air times hosts guests casts and a full discussion of the show's history and run Many of the entries include original interviews with cast or crew members With such rich information each show's entry constitutes a chapter in the history of television through the story of the show and the people who made it happen The best of variety drama game shows comedies adventures and many more categories are featured An appendix offers interesting facts and figures and ranks shows according to such statistics as longest run longest delay from debut to win and most Emmys won

**Television and New Media** Jennifer Gillan, 2010-10-18 Television and New Media introduces students to the ways that new media technologies have transformed contemporary television production distribution and reception practices Drawing upon recent examples including *Lost* 24 and *Heroes* this book closely examines the ways that television programming has changed with the influx of new media transforming nearly every TV series into a franchise whose on air online and on mobile elements are created simultaneously and held together through transmedia storytelling This book is essential for understanding how creative and industrial forces have worked together in the new media age to transform the way we watch TV

**100 Entertainers Who Changed America** Robert C. Sickels, 2013-08-08 This fascinating and thought provoking read challenges readers to consider entertainers and

entertainment in new ways and highlights figures from outside the worlds of film television and music as influential pop stars. Comprising approximately 100 entries from more than 50 contributors from a variety of fields, this book covers a wide historical swath of entertainment figures chosen primarily for their lasting influence on American popular culture, not their popularity. The result is a unique collection that spotlights a vastly different array of figures than would normally be included in a collection of this nature and appeals to readers ranging from high school students to professionals researching specific entertainers. Each subject individual's influence on popular culture is analyzed from the context of his or her time to the present in a lively and engaging way and through a variety of intellectual approaches. Many entries examine commonly discussed figures' influence on popular culture in ways not normally seen, for example, the widespread appeal of Woody Allen's essay collections to other comedians or the effect of cinematic adaptations of Tennessee Williams' plays in breaking down Hollywood censorship.

*Wordplay* Creators of the Hit Documentary, 2006-06-13 Think Inside the Box Solve Puzzles from the Hit Movie Learn to Construct Your Own Crosswords and Much More Irresistible punsters, linguists, and crossword puzzle fanatics everywhere couldn't ask for a more bracing tribute. Buoyant and exhilaratingly brainy, *Variety* on the movie *Wordplay*: Are you a crossword fan? Or have you always wondered about the appeal of these puzzles but never tried them yourself? With the premiere of *Wordplay*, a documentary about crossword puzzles, legendary New York Times puzzle editor Will Shortz and the legions of solvers who devour his creations, here's your chance to become a part of the puzzle craze. Featuring some of the greatest puzzles from The New York Times and the American Crossword Puzzle Tournament. With an introduction by Will Shortz, the story of how he created the famous *Wordplay* crossword from constructor Merl Reagle, the inside crossword dope from Jon Stewart, Ken Burns, and others, and the inside story of the movie's creation from producer Christine O'Malley and director Patrick Creadon. Learn how to create your own crossword, read what Bill Clinton and Bob Dole thought of the famous 1996 Election Day crossword, try the only New York Times crossword that can't be solved completely with a regular pen or pencil, hint: it features the Indigo Girls, and much more. *Wordplay* has potential to capture the commercial audience that made hits out of documentaries such as *Spellbound* and *Mad Hot Ballroom*. Associated Press.

*Angry Optimist* Lisa Rogak, 2014-09-09 A New York Times Bestseller Since his arrival at *The Daily Show* in 1999, Jon Stewart has become one of the major players in comedy as well as one of the most significant liberal voices in the media. In *Angry Optimist*, biographer Lisa Rogak charts his unlikely rise to stardom. She follows him from his early days growing up in New Jersey through his years as a struggling standup comic in New York and on to the short-lived but acclaimed *The Jon Stewart Show*. And she charts his humbling string of near misses passed over as a replacement for shows hosted by Conan O'Brien, Tom Snyder, and even the fictional Larry Sanders, before landing on a half-hour comedy show that at the time was still finding its footing amidst roiling internal drama. Once there, Stewart transformed *The Daily Show* into one of the most influential news programs on television today. Drawing on interviews with current and former colleagues, Rogak reveals how things work and sometimes

don't work behind the scenes at The Daily Show led by Jon Stewart a comedian who has come to wield incredible power in American politics

**Stephen Colbert** Catherine M. Andronik, 2012-06-21 This book explores how comedian Stephen Colbert's satiric views of American life have captured the imagination of viewers around the world and sharpened these individuals' own critical interpretations and opinions on current events Stephen Colbert may be just a comedian one not all audiences find funny especially among those who have been mercilessly lampooned by him but there is no arguing that the condescending bombastic and largely ignorant pundit he plays on Comedy Central has brought awareness of current events and political happenings to a substantially larger portion of the American population The only available biography on Stephen Colbert this book examines his life story and details how he became one of the most influential people on current American culture Beginning with coverage of Colbert's childhood the chapters discuss his education highlighting his interest in drama describe his introduction to the world of comedy review his contributions as a correspondent on The Daily Show with Jon Stewart and focus on Colbert's accomplishments and antics as the star of his faux news program that debuted in the fall of 2005 The Colbert Report

**No Job for a Man** John Ross Bowie, 2022-11-01 A darkly witty deeply affecting and finely crafted memoir by the Big Bang Theory and Speechless star and comedian John Ross Bowie From his earliest memories of watching Rhoda with his parents in their tiny Hell's Kitchen apartment John knew that he wanted to be an actor The strange alternate world of television where people always cracked the perfect joke lived in glamorous Upper East Side buildings and made up immediately after fighting seemed far better than his own home life with a mother and father on the brink of divorce and a neighborhood full of crumbling pre-war architecture and not so occasional muggings And yet that other world also seems unattainable Besides crippling stage fright which would take him years to overcome John's father ever aloof and cynical has instilled within him the notion that acting is no job for a man His father would impart that while theater film and television should be consumed and even debated to create was no way to make a living or support a family Putting aside his acting dreams John stumbles through his twenties He tries his hand at teaching and other traditional occupations but nothing feels nearly as fulfilling as playing with his fleetingly on the map punk band Egghead When he and his bandmates break up John lands a joyless job copywriting for a consulting agency and slips into a dark depression He loses weight begins drinking heavily and his relationships flounder But everything changes when John discovers improv and anti-depressants As a part of New York's now famous Upright Citizens Brigade John not only explores his passion for acting and comedy and begins to envision himself doing so professionally he also meets his future wife and fellow actor Jamie Denbo No Job for a Man follows the couple as they relocate to Los Angeles and try to make it in the arts meeting success and failure wins and losses despair and hope along the way Though his father chronically refuses to acknowledge pride in his adult son's accomplishments John comes to realize what being a man truly means

Watching TV Harry Castleman, Walter J. Podrazik, 2024-12-16 Castleman and Podrazik present a season by season narrative that encompasses the eras of American television from the beginning in

broadcast through cable and now streaming They deftly navigate the dizzying array of contemporary choices so that no matter where you start on the media timeline Watching TV provides the context and background to this multi billion dollar enterprise Drawing on decades of research the authors weave together personalities popular shows corporate strategies historical events and changing technologies enhancing the main commentary with additional elements that include fall prime time schedule grids for every season date box timelines highlighted key text and selected photos Full of facts firsts insights and exploits from now back to the earliest days Watching TV is the standard chronology of American television and reading it is akin to channel surfing through history The fourth edition updates the story into the 2020s and looks ahead to the next waves of change This new edition is the first to also be available in a digital format **Studs Terkel** Alan

Wieder,2016-08-26 Studs Terkel was an American icon who had no use for America s cult of celebrity He was a leftist who valued human beings over political dogma In scores of books and thousands of radio and television broadcasts Studs paid attention and respect to ordinary human beings of all classes and colors as they talked about their lives as workers dreamers survivors Alan Wieder s Studs Terkel Politics Culture But Mostly Conversation is the first comprehensive book about this man Drawing from over one hundred interviews of people who knew and worked with Studs Alan Wieder creates a multi dimensional portrait of a run of the mill guy from Chicago who in public life became an acclaimed author and raconteur while managing in his private life to remain a mensch We see Studs the eminent oral historian the inveterate and selfless supporter of radical causes especially civil rights We see the actor the writer the radio host the jazz lover whose early work in television earned him a notorious place on the McCarthy blacklist We also see Studs the family man and devoted husband to his adored wife Ida Studs Terkel Politics Culture But Mostly Conversation allows us to realize the importance of reaching through our own daily realities increasingly clogged with disembodied impersonal interaction to find value in actual face time with real humans Wieder s book also shows us why such contact might be crucial to those of us in movements rising up against global tyranny and injustice The book is simply the best introduction available to this remarkable man Reading it will lead people to Terkel s enormous body of work with benefits they will cherish throughout their lives **Networks** Sydney University

alumni staff and students,2022-03-01 Our world is built around the people groups and communities we surround ourselves with They form networks of connections beliefs and ideas that can help to shape the people we become These networks have become vital in a time where lockdowns have pushed us apart and reinforced the need to be a part of something whole This anthology examines the ways we find joy in lockdown keep people and places alive through memory and search for connection in an increasingly digital age Featuring poetry short stories and visual art it introduces bold new voices that will command your attention and prompt you to think differently about the relationships that make everyday life worthwhile

Eventually, you will very discover a supplementary experience and deed by spending more cash. nevertheless when? get you take that you require to get those all needs subsequent to having significantly cash?
