## **The Damnable Question:**

*The Damnable Question* George Dangerfield, 1979      *The Damnable Question* George Dangerfield, 1999 Ireland holds fiercely to her identity Starting with the Act of Union in the 1800s historian George Dangerfield dives into the Irish Question Dealing with such events as the Easter Rising and the famine *The Damnable Question* explains Ireland's intense patriotism even after so many people immigrated to the United States Publisher      *The Damnable Question* George Dangerfield, 1983

*Out of Due Time* Paschal Scotti, 2006-02 Wilfrid Ward 1856-1916 the great biographer of Cardinal Newman was a leading Catholic voice in English society during the early twentieth century Friend to many of its major intellectual figures and a frequent writer in its most prestigious journals he was also the editor of the *Dublin Review* the leading Catholic journal in the English speaking world Founded by Daniel O'Connell and Nicholas Wiseman in 1836 the *Dublin Review* was edited by Ward from 1906 to 1916 and under his guidance it entered its golden age attracting the best of England's Catholic writers and much attention outside the household of faith Under his editorship the journal featured well known contributors such as G.K. Chesterton Hilaire Belloc Francis Thompson Alice Meynell Herbert Thurston C.C. Martindale and Robert Hugh Benson Ward's lifetime goal was the reconciliation of the Church with the mind of the age and his editorship of the *Dublin* was the culmination of his efforts It was a time when the English Catholic Church had reached a certain maturity and depth that made her universalistic ambitions a real possibility It was also a time of conflict within the Church about how far she could adapt herself to modernity It was while he was editor that the Modernist Crisis erupted a crisis with which he was intimately involved Following the tradition of the great literary quarterlies the journal discussed every aspect of human endeavor and *Out of Due Time* offers a fine opportunity to view the best of the Catholic mind in an extraordinary period It is a book for both the specialist and the general reader Unsympathetic to extreme views Ward was much misunderstood in his own time and is generally ignored in our own This volume seeks to give him and his work due recognition Paschal Scotti O.S.B. is a teacher in the Portsmouth Abbey School and chairman of the Christian Doctrine Department PRAISE FOR THE BOOK An absorbing study of Wilfrid Ward Scotti is extraordinarily well read in the wider history of his period as well as in Ward's Roman Catholic background the erudition of the work is most impressive especially in its biographical aspect of summarizing briefly the lives of the contributors to the *Dublin* The work offers an interesting perspective on the public life of England for the period it surveys and a critical view upon the scope and limitations of the *Dublin*'s coverage of it Sheridan Gilley University of Durham *Out of Due Time* is full of fascinating facts about the intellectual climate of Edwardian and early Georgian England and specifically about the Catholic contribution to that climate as expressed in the pages of the *Dublin Review* under Wilfred Ward's editorship Joseph Pearce *First Things* Scotti's study of Ward's editorship gives the reader an absorbing portrait of the era He also uncovers interesting vignettes about many of the now forgotten figures who dominated Church life in the years leading up to the First World War David McLaurin *The Tablet* *Out of Due Time* by Dom Paschal Scotti Catholic University of

America Press 2006 69 95 is a study of Wilfred Ward and the Dublin Review perhaps the leading Catholic journal in the English speaking world Robert G Lowery Irish Literary Supplement Wilfrid Ward would have good reason to be pleased with this magnificently written and informative examination of his tenure 1906 16 as editor of the Dublin Review the leading Catholic journal in the British Isles After two superb chapters on the earlier life of Ward and the previous history of the journal the author carefully studies its contents in seven chapters extensive excerpts being provided from many of the articles The editing of the book is flawless and the work of **Who's Afraid of the Easter Rising? 1916-2016** James Heartfield, Kevin Rooney, 2015-11-27 One hundred years ago Easter 1916 Irish revolutionaries rose against the British Empire proclaiming a Republic from the steps of the General Post Office in Dublin The men and women of the Easter Rising were defeated by the overwhelming force of the British Army in five days of intense fighting Their leaders were executed But the Easter Rising lit a fire that ended with the whole country turning against Westminster's rule and founding a nation But today the heirs to the Irish state are embarrassed about 1916 They are ashamed that their state owes its origins to a revolution Along with academics and other commentators in the press and on television they dismiss the Rising as the work of violent fanatics and the defeat of constitutional politics Who's Afraid of the Easter Rising explains why today's Dublin elite are recoiling from the origins of their state in a popular struggle Where the critics paint the Rising as an armed conspiracy we explain that it was in fact a revolt against war not a militaristic upsurge but the first challenge to the awful slaughter of the First World War The Statesmen of Europe sacrificed millions upon the altar of war Their recruiting sergeants in Ireland Edward Carson and John Redmond sent 200 000 Irishmen into the slaughter and nearly 50 000 were killed The Easter Rising drew a halt to British recruitment and the blow to the Empire was the first crack in a growing revolt against the war followed by the Russian Revolution in 1917 and the German revolution the following year which ended the conflict The Easter Rising was an inspiration to those who were challenging the Empires of Europe from India to Vietnam from New Zealand to Moscow it was an inspiration to British activists like John Maclean and Sylvia Pankhurst and it was an inspiration to the Irish men and women who rose up against British rule to free their nation

**The Question of Questions, which rightly resolv'd resolves all our questions in religion. This Question is, Who ought to be our judge in all these differences. ... The second edition** James Mumford, 1767 **Unsettled States, Disputed Lands** Ian S. Lustick, 2018-07-05 No detailed description available for Unsettled States Disputed Lands [The Life of Thomas E. Scrutton](#) David Foxton, 2013-09-26 A biography of Thomas Scrutton who has been described as the greatest English speaking commercial judge of a century

**Outrage in the Age of Reform** Jay R. Roszman, 2022-09-22 Reveals how fear of Irish agrarian violence fundamentally shaped British political culture during the pivotal period of 19th century reform [The Flim-Flam City](#) Elvin C. Bell, 2020-09-09 A sip and flip thriller The reader will meet elected officials who rule their custom made government through murder corruption and cover up The strong determination of a victim's widow to see justice done takes matters into her own

hands until finally the Federal Strike Force shows up But there are new dangerous obstacles to face before law and order is restored

**David Lloyd George** Jerry Gaw,2023-02-22 Unlike available biographies of David Lloyd George Jerry Gaw's study focuses on the popular British statesman's religious convictions and his lifelong adherence to Churches of Christ doctrine Gaw explores the way George applied Christian principles to the diplomatic and military crises he encountered beginning with his time in the British legislature Gaw's interpretation of George is largely based on the latter's eleven diaries and more than 3 000 letters written to his brother from 1886 1943 These diaries and letters have been little explored by modern biographers of George Gaw's deep analysis presents an entirely different perspective on David Lloyd George and explains in part how he came to the decisions now enshrined in the annals of political history

*A New History of Ireland, Volume VI* W. E. Vaughan,2010-04-01 A New History of Ireland is the largest scholarly project in modern Irish history In 9 volumes it provides a comprehensive new synthesis of modern scholarship on every aspect of Irish history and prehistory from the earliest geological and archaeological evidence through the Middle Ages down to the present day Volume VI opens with a character study of the period followed by ten chapters of narrative history and a study of Ireland in 1914 It includes further chapters on the economy literature the Irish language music arts education administration and the public service and emigration

*Catholic Converts* Patrick Allitt,2018-08-06 From the early nineteenth to the mid twentieth century an impressive group of English speaking intellectuals converted to Catholicism Outspoken and gifted they intended to show the fallacies of religious skeptics and place Catholicism once again at the center of western intellectual life The lives of individual converts such as John Henry Newman G K Chesterton Thomas Merton and Dorothy Day have been well documented but Patrick Allitt has written the first account of converts collective impact on Catholic intellectual life His book is also the first to characterize the distinctive style of Catholicism they helped to create and the first to investigate the extensive contacts among Catholic convert writers in the United States and Britain Allitt explains how despite the Church's dogmatic style and hierarchical structure converts working in the areas of history science literature and philosophy maintained that Catholicism was intellectually liberating British and American converts followed each other's progress closely visiting each other and sending work back and forth across the Atlantic The outcome of their labors was not what the converts had hoped Although they influenced the Catholic Church for three or four generations they were unable to restore it to the central place in Western intellectual life that it had enjoyed before the Reformation

**The Irish through British Eyes** Edward Lengel,2002-05-30 The mainstream British attitude toward the Irish in the first half of the 1840s was based upon the belief in Irish improvableity Most educated British rejected any notion of Irish racial inferiority and insisted that under middle class British tutelage the Irish would in time reach a standard of civilization approaching that of Britain However the potato famine of 1846 1852 which coincided with a number of external and domestic crises that appeared to threaten the stability of Great Britain led a large portion of the British public to question the optimistic liberal attitude toward the Irish Rhetoric concerning

the relationship between the two peoples would change dramatically as a result Prior to the famine the perceived need to maintain the Anglo Irish union and the subservience of the Irish was resolved by resort to a gendered rhetoric of marriage Many British writers accordingly portrayed the union as a natural necessary and complementary bond between male and female maintaining the appearance if not the substance of a partnership of equals With the coming of the famine the unwillingness of the British government and public to make the sacrifices necessary not only to feed the Irish but to regenerate their island was justified by assertions of Irish irredeemability and racial inferiority By the 1850s Ireland increasingly appeared not as a member of the British family of nations in need of uplifting but as a colony whose people were incompatible with the British and needed to be kept in place by force of arms

**Ireland** Joseph Coohill, 2024-08-01 From the first prehistoric inhabitants of the island to the Windsor Framework for Northern Ireland this uniquely concise account of Ireland and its people reveals how modern Irish society is the product of a rich multivalent history Combining factual information with a critical approach Coohill covers all the key events including the Great Famine Home Rule the Good Friday Agreement and Brexit Newly revised and updated this highly accessible and balanced account will continue to provide a valuable resource to all those wishing to acquaint themselves further with the complex history of Ireland and Irish people

**A New History of Ireland: Ireland under the Union, II, 1870-1921** Daibhi O. Croinin, William Edward Vaughan, 2005

**James Larkin: Lion of the Fold** Donal Nevin, 2014-03-12 This book is a detailed compilation of writings and lectures about the life of James Larkin It reviews his influence in history and on various movements across the country and abroad James Larkin Lion of the Fold includes writing by James Larkin and is a timely reminder of the long road that the Irish people have travelled together The book considers much of the history of the early Irish Labour Movement and includes a vast range of opinion on James Larkin

**Historical Dictionary of Ireland** Frank A. Biletz, 2013-11-14 All places undergo change but in few has this change been quite as sweeping as Ireland both the independent Republic of Ireland and dependent Northern Ireland so it is good to see where it is heading at present Obviously that has to be judged on the background of where it is coming from not only over the past decade or so but over centuries and indeed millennia This new edition of Historical Dictionary of Ireland is an excellent resource for discovering the history of Ireland This is done through a chronology an introductory essay and an extensive bibliography The cross referenced dictionary section has over 600 entries on significant persons places and events political parties and institutions including the Catholic church with period forays into literature music and the arts This book is an excellent resource for students researchers and anyone wanting to know more about Ireland

**The Shaping of Modern Ireland** Eugenio Biagini, Daniel Mulhall, 2016-02-01 Originally published in 1960 and edited by Conor Cruise O'Brien The Shaping of Modern Ireland was a seminal work surveying the lives of prominent early twentieth century figures who influenced Irish affairs in the years between the death of Charles Stewart Parnell in 1891 and the Easter Rising of 1916 The chapters were written by leading historians and commentators from the Ireland of the 1950s

some of whom personally knew the subjects of their essays This volume draws its inspiration from that seminal work Written by some of today s leading figures from the world of Irish history politics journalism and the arts it revisits a crucial phase in the country s history one that culminated in the Easter Rising and the Revolution when everything changed utterly With chapters on men and women of the stature of Carson Connolly and Markievicz but also industrialists such as Guinness who contributed to shaping modern Ireland in the social and economic sphere this book offers an important contribution to the renewal of the debate on the country s history

**The Home Rule Crisis 1912-14** Gabriel Doherty, 2014-08-01 The Home Rule Bill passed by the British parliament in 1912 was due when it came into effect in 1914 to give Ireland some control over her own affairs for the first time since the Act of Union in 1800 However this was postponed when the First World War broke out and by the time the war had ended the political landscape in Ireland had changed irrevocably The nationalist movement split into the followers of John Redmond who chose to fight for the British in the war in the hope that their loyalty would be rewarded and those on the other side who felt that this was just a delaying tactic and that England s difficulty was Ireland s opportunity Meanwhile the Unionists were violently opposed to any form of Irish self government believing that Home rule is Rome rule and this led to the signing of the Ulster Covenant and the establishment of the Ulster Volunteers The respected historians who have contributed to this book examine the reaction to the Home Rule Bill across many shades of political opinion across these islands and give a fascinating analysis of what might have been if external events had not overtaken local ones
