Story Telling Edna Lyman Scott,1915

Story Telling Edna Lyman Scott,1926

Story Telling Edna Lyman,1923

Story Telling; What to Tell and How to Tell It Edna Lyman Scott,2013-09 This historic book may have numerous typos and missing text Purchasers can usually download a free scanned copy of the original book without typos from the publisher Not indexed Not illustrated 1910 edition Excerpt CHAPTER IV ARRANGING THE PROGRAM OF MISCELLANEOUS STORIES Comparison between the construction of a musical program and one of stories illustrative programs stories for a Japanese program stories for a Spring program IT is probable that the teacher and the fireside story teller will find one story or at the most two sufficient for the requirements of their story hours but the library storyhour will often necessitate the arrangement of a number of miscellaneous stories so that they can be given one after the other during a specified time Some of the larger libraries have undertaken a series of story hours at each of which a single story is told the stories all having the same hero and taken together forming a cycle but by far the greater number have used what may be termed the miscellaneous program This kind of program seems best adapted for children who have not learned to be good listeners and for younger children as they lack the fully developed power of concentration which is needed if they are to listen for a long period at one time without the relief which comes from a break in the stories and a change of subject It is claimed that the spirit of the artist is revealed in his ability to build programs and if this is true I am afraid that many story hours have little claim to rank above vaudeville performances for they merely shift from one attraction to another without sequence or relation of any kind There is of course some gain to the child from the stories themselves provided the selection has been a good one but the effect of one story is often much lessened because of the character of the one which preceded or which followed it The construction of a program for an entertainment or for an

Story Telling Edna Lyman Scott,1923 *Story Telling* Edna Lyman Scott,2015-07-04 Excerpt from *Story Telling What to Tell and How to Tell It* The demand for stories has been carried by the children from the school and the library to the home with the result that those who are not like the poet born to the art have asked of any who would listen What shall we tell and how shall we tell it About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works
