A Packhorse Called Rachel Marcelle Kellermann, 2010-08-08 A story of courage fear and defiance based on the authors own personal experience A Pack Horse Called Rachel is the remarkable tale of a young woman half Jewish caught in the extraordinarily brutal world of France in 1944 Rachel moves through the pages of the book with her faithful dog Nourse touching lives as her work with the Maquis based in the Auvergne takes her perilously close to danger on a day to day basis The story is based on personal experience the description of historical events is as true as memory will allow it is an elegantly written story capturing first hand Kellermann s painful and lonely life as a resistance fighter within the Maquis amidst the harsh beauty of the Auvergne Beset by the freezing cold climate prevailing in winter the Vichy traitors amongst the normal French Population and the hostility of ordinary people afraid for their own lives Rachel overcomes the initial animosity and mistrust of the lecherous and alcoholic farmer Raboullet on whom she comes to rely the wrath of the Gestapo the betrayal of St Pr a full and passionate love affair tragic loss and yet she survives Marcel Kellermann notes with descriptive talent and intricate detail that only someone especially observant could recall From the opening raid to the closing trial the book gives an incisive view as we understand the mind and soul of the resistance better with each page This is the story of a young woman paralleled with the struggle of a nation as it regains its courage to fight back *Locusts and Wild Honey* Donald

John Keats Walter Jackson Bate, 2009-07-01 The life of Keats provides a unique opportunity for the study of literary greatness and of what permits or encourages its development Its interest is deeply human and moral in the most capacious sense of the words In this authoritative biography the first full length life of Keats in almost forty years the man and the poet are portrayed with rare insight and sympathy In spite of a scarcity of factual data for his early years the materials for Keats s life are nevertheless unusually full Since most of his early poetry has survived his artistic development can be observed more closely than is possible with most writers and there are times during the period of his greatest creativity when his personal as well as his artistic life can be followed week by week The development of Keats s poetic craftsmanship proceeds simultaneously with the steady growth of qualities of mind and character Mr Bate has been concerned to show the organic relationship between the poet s art and his larger more broadly humane development Keats s great personal appeal his spontaneity vigor playfulness and affection are movingly recreated at the same time his valiant

attempt to solve the problem faced by all modern poets when they attempt to achieve originality and amplitude in the presence of their great artistic heritage is perceptively presented In discussing this matter Mr Bate says The pressure of this anxiety and the variety of reactions to it constitute one of the great unexplored factors in the history of the arts since 1750 And in no major poet near the beginning of the modern era is this problem met more directly than it is in Keats The way in which Keats was somehow able after the age of twenty two to confront this dilemma and to transcend it has fascinated every major poet who has used the English language since Keats s death and also every major critic since the Victorian era Mr Bate has availed himself of all new biographical materials published and unpublished and has used them selectively and without ostentation concentrating on the things that were meaningful to Keats Similarly his discussions of the poetry are not buried beneath the controversies of previous critics He approaches the poems freshly and directly showing their relation to Keats s experience and emotions to premises and values already explored in the biographical narrative The result is a book of many dimensions not a restricted critical or biographical study but a fully integrated whole Alibi Sharon Shinn,2024-11-12

Teleportation makes everything possible It allows Taylor Kendall to live in Chicago work in Houston and take a part time job tutoring the teenaged son of the richest man in America But the more time she spends in Duncan Phillips lavish home the more uneasy she becomes She adores Quentin who is suffering from a fatal degenerative disease She s strongly attracted to Bram Cortez who heads up security for the household But she s growing increasingly afraid of Duncan Phillips who makes it clear he has no interest in his dying son and far too much interest in Taylor When Duncan Phillips turns up dead Taylor s on the short list of suspects who could have killed him Sure she was in Atlanta on the night of the murder But Atlanta is only a few minutes away by teleport **The Oversight** Charlie Fletcher,2014-05-06 Exciting exhilarating scary and moving in equal measure The Oversight is a teeming world of dark deeds and dark magics brilliantly realized M R Carey The Oversight of London has been sworn for millennia to prevent the natural and the supernatural worlds from preying on each other Now at its lowest ebb with its headquarters destroyed and its last members scattered far and wide this secret society will battle for survival and face the harshest foe it has ever met itself **The Pencil** Henry Petroski,1992-11-10 Henry Petroski traces the origins of the pencil back to ancient Greece and Rome writes factually and charmingly about its development over the centuries and around the world and shows what the pencil can teach us about engineering and technology today **Slavery, Empathy, and Pornography** Marcus Wood,2002-11-21 Slavery Empathy and Pornography considers the operations of slavery and of abolition propaganda on the thought and literature of English from the late eighteenth to the mid nineteenth centuries Incorporating materials ranging from canonical literatures to the lowest form of street publication Marcus Wood writes from the conviction that slavery was and still is a dilemma for everyone in England and seeks to explain why English society has constructed Atlantic slavery in the way it has He takes on the works of canonic eighteenth and nineteenth century white authors which claimed when written to account for slavery and asks with some scepticism what kind of truth they hold

Taking an interdisciplinary approach chapters focus on the writings of the major Romantic poets English Radicals William Cobbett and John Thelwall the Surinam writings of John Stedman the full range of slavery texts generated by Harriet Martineau John Newton and the social prophets Carlyle and Ruskin Slavery Empathy and Pornography also contains a radical new critique of the operations of slavery within the work of Austen and Charlotte Bront

Dickinson's Nerves, Frost's Woods William Logan, 2018-06-05 In Dickinson's Nerves Frost's Woods William Logan the noted and often controversial critic of contemporary poetry returns to some of the greatest poems in English literature He reveals what we may not have seen before and what his critical eye can do with what he loves In essays that pair different poems Ozymandias On First Looking Into Chapman's Homer In a Station of the Metro The Red Wheelbarrow After great pain a formal feeling comes and Stopping by Woods on a Snowy Evening among others Logan reconciles history and poetry to provide new ways of reading poets ranging from Shakespeare and Shelley to Lowell and Heaney In these striking essays Logan presents the poetry of the past through the lens of the past attempting to bring poems back to the world in which they were made Logan's criticism is informed by the material culture of that world whether postal deliveries in Regency London the Metro lighting in 1911 Paris or the wheelbarrows used in 1923 Deeper knowledge of the poet's daily existence lets us read old poems afresh providing a new way of understanding poems now encrusted with commentary Logan shows that criticism cannot just root blindly among the words of the poem but must live partly in a lost world in the shadow of the poet's life and the shadow of the age
