Stranger At The Party A Memoir:

Stranger at the Party Helen Lawrenson, 1975 **Stranger at the Party** Helen Lawrenson, 1975 **The Publisher** Alan Brinkley, 2011-04-05 Acclaimed historian Alan Brinkley gives us a sharply realized portrait of Henry Luce arguably the most important publisher of the twentieth century As the founder of Time Fortune and Life magazines Luce changed the way we consume news and the way we understand our world Born the son of missionaries Henry Luce spent his childhood in rural China yet he glimpsed a milieu of power altogether different at Hotchkiss and later at Yale While working at a Baltimore newspaper he and Brit Hadden conceived the idea of Time a news magazine that would condense the week's events in a format accessible to increasingly busy members of the middle class They launched it in 1923 and young Luce quickly became a publishing titan In 1936 after Time's unexpected success and Hadden's early death Luce published the first issue of Life to which millions soon subscribed Brinkley shows how Luce reinvented the magazine industry in just a decade The appeal of Life seemingly cut across the lines of race class and gender Luce himself wielded influence hitherto unknown among journalists By the early 1940s he had come to see his magazines as vehicles to advocate for America's involvement in the escalating international crisis in the process popularizing the phrase World War II In spite of Luce's great success happiness eluded him His second marriage to the glamorous playwright politician and diplomat Clare Boothe was a shambles Luce spent his later years in isolation consumed at times with conspiracy theories and peculiar vendettas The Publisher tells a great American story of spectacular achievement yet it never loses sight of the public and private costs at which that achievement came **A Stranger's Journey** David Mura, 2018-08-01 Long recognized as a master teacher at writing programs like VONA the Loft and the Stonecoast MFA with *A Stranger's Journey* David Mura has written a book on creative writing that addresses our increasingly diverse American literature Mura argues for a more inclusive and expansive definition of craft particularly in relationship to race even as he elucidates timeless rules of narrative construction in fiction and memoir His essays offer technique focused readings of writers such as James Baldwin ZZ Packer Maxine Hong Kingston Mary Karr and Garrett Hongo while making compelling connections to Mura's own life and work as a Japanese American writer In *A Stranger's Journey* Mura poses two central questions The first involves identity How is writing an exploration of who one is and one's place in the world Mura examines how the myriad identities in our changing contemporary canon have led to new challenges regarding both craft and pedagogy Here like Toni Morrison's *Playing in the Dark* or Jeff Chang's *Who We Be* *A Stranger's Journey* breaks new ground in our understanding of the relationship between the issues of race literature and culture The book's second central question involves structure How does one tell a story Mura provides clear insightful narrative tools that any writer may use taking in techniques from fiction screenplays playwrighting and myth Through this process Mura candidly explores the newly evolved aesthetic principles of memoir and how questions of identity occupy a central place in contemporary memoir Through a Woman's I Patricia K. Addis, 1983 **Autobiography of William H.**

Schwarz, 1981 By anyone's standards Bernard M Baruch was a giant among Americans of this century Although he was never elected to public office his influence on American public policy was staggering A Jew who amassed a fortune from Wall Street speculation in raw materials Baruch became one of the most powerful interesting and enigmatic personalities in Washington politics The Speculator Bernard M Baruch in Washington 1917-1965 is the first complete study of Baruch President Wilson appointed him chairman of the War Industries Board in 1918 and asked for his economic advice at the Paris Peace Conference Thereafter Baruch adopted the roles of background political strategist and of publicist on national issues such as price stabilization He became extraordinarily influential during the 1920s the New Deal and World War II By the end of Franklin D Roosevelt's presidency Baruch's fame as a presidential advisor and his network of friends had made him one of the most respected and feared men in Washington Jordan A Schwarz's biography not only reinterprets Baruch but also illuminates the major figures and events of his time Through Baruch's eyes we gain an enhanced understanding of Woodrow Wilson Herbert Hoover Franklin D Roosevelt Harry S Truman Dwight D Eisenhower and other prominent Americans Schwarz's analysis offers us insights into the persistence of Wilsonian liberalism in public policy the drive for corporatist planning during the New Deal the organization of war mobilization the development of the Baruch Plan for control of atomic energy during the cold war and the failure of anti inflation efforts during the 1940s and 1950s Schwarz's definitive study is the result of extensive research in Baruch's large manuscript collection and in dozens of other library collections throughout the country including those at the Hoover Truman and Roosevelt libraries [The Memoirs of Alexander Herzen, Parts I and II](#) Aleksandr Herzen, 2022-08-21 In The Memoirs of Alexander Herzen Parts I and II Aleksandr Herzen offers a profound exploration of his life thoughts and the tumultuous socio political landscape of 19th century Russia Written in a reflective and often lyrical style Herzen's memoirs navigate the intricate interplay between personal experiences and broader historical narratives The autobiographical work engages with themes of exile revolution and the quest for freedom revealing the complexity of a man torn between his intellectual ideals and the stark realities of his time Herzen's narrative serves as a lens through which readers can examine the cultural and philosophical currents that shaped Russian society during a period of significant upheaval and transformation Aleksandr Herzen often revered as the father of Russian socialism was a quintessential figure of the intelligentsia Born into a noble family his early life was marked by an acute awareness of social injustice and a burgeoning anti establishment fervor His exile from Russia pushed him to articulate his revolutionary ideas and this memoir reflects not only his personal journey but
