Gardner, 2011-05-02 In *City of Strangers* Andrew M Gardner explores the everyday experiences of workers from India who have migrated to the Kingdom of Bahrain Like all the petroleum rich states of the Persian Gulf Bahrain hosts an extraordinarily large population of transmigrant laborers Guest workers who make up nearly half of the country's population have long labored under a sponsorship system the kafala that organizes the flow of migrants from South Asia to the Gulf states and contractually links each laborer to a specific citizen or institution In order to remain in Bahrain the worker is almost entirely dependent on his sponsor's goodwill The nature of this relationship Gardner contends often leads to exploitation and sometimes violence Through extensive observation and interviews Gardner focuses on three groups in Bahrain the unskilled Indian laborers who make up the most substantial portion of the foreign workforce on the island the country's entrepreneurial and professional Indian middle class and Bahraini state and citizenry He contends that the social segregation and structural violence produced by Bahrain's kafala system result from a strategic arrangement by which the state insulates citizens from the global and neoliberal flows that paradoxically are central to the nation's intended path to the future *City of Strangers* contributes significantly to our understanding of politics and society among the states of the Arabian Peninsula and of the migrant labor phenomenon that is an increasingly important aspect of globalization *Sex with Strangers* Laura Eason, 2015-05-15 How far will you go to get what you want Will you be the same person if you do When twenty something star sex blogger and memoirist Ethan tracks down his idol the gifted but obscure forty-ish novelist Olivia he finds they each crave what the other possesses As attraction turns to sex and they inch closer to getting what they want both must confront the dark side of ambition and the trouble of reinventing oneself when the past is only a click away
