**Strangers in a Strange Land** Paul Manning, 2019-08-28 Manning examines the formation of nineteenth century intelligentsia print publics in the former Soviet republic of Georgia both anthropologically and historically At once somehow part of Europe at least aspirationally and yet rarely recognized by others as such Georgia attempted to forge European style publics as a strong claim to European identity These attempts also produced a crisis of self definition as European Georgia sent newspaper correspondents into newly reconquered Oriental Georgia only to discover that the people of these lands were strangers In this encounter the community of strangers of European Georgian publics proved unable to assimilate the people of the strange land of Oriental Georgia This crisis produced both notions of Georgian public life and European identity which this book explores *Engaging with Strangers* Debra McDougall, 2016-01-01 The civil conflict in Solomon Islands 1998 2003 is often blamed on the failure of the nation state to encompass culturally diverse and politically fragmented communities Writing of Ranongga Island the author tracks engagements with strangers across many realms of life pre colonial warfare Christian conversion logging and conservation even post conflict state building She describes startling reversals in which strangers become attached to local places even as kinspeople are estranged from one another and from their homes Against stereotypes of rural insularity she argues that a distinctive cosmopolitan openness to others is evident in the rural Solomons in times of war and peace **Here All Along** Sarah Hurwitz, 2019-09-03 A renowned political speechwriter rediscovers Judaism finding timeless wisdom and spiritual connection in its age old practices and traditions Sarah Hurwitz was Michelle Obama s head speechwriter and with this book she becomes Judaism s speechwriter Adam Grant New York Times bestselling author of Give and Take Originals and co author of Option B After a decade as a political speechwriter serving as head speechwriter for First Lady Michelle Obama a senior speechwriter for President Barack Obama and chief speechwriter for Hillary Clinton on her 2008 presidential campaign Sarah Hurwitz decided to apply her skills as a communicator to writing a book about Judaism And no one is more surprised than she is Hurwitz was the quintessential lapsed Jew until at age thirty six after a tough breakup she happened upon an advertisement for an introductory class on Judaism She attended on a whim but was blown away by what she found beautiful rituals helpful guidance on living an ethical life conceptions of God beyond the judgy bearded man in the sky none of which she had learned in Hebrew school or during the two synagogue services she grudgingly attended each year That class led to a years long journey during which Hurwitz visited the offices of rabbis attended Jewish meditation retreats sat at the Shabbat tables of Orthodox families and read hundreds of books about Judaism all in dogged pursuit of answers to her biggest questions What she found transformed her life and she wondered How could there be such a gap between the richness of what Judaism offers and the way so many Jews like her understand and experience it Sarah Hurwitz is on a mission to close this gap by sharing the profound insights she discovered on everything from Jewish holidays ethics and prayer to Jewish conceptions of God death and social justice In this entertaining and

accessible book she shows us why Judaism matters and how its message is more relevant than ever and she inspires Jews to do the learning questioning and debating required to make this religion their own Searching for meaning in the ancient scripture and traditions of Judaism Sarah Hurwitz takes us along on an enriching journey of discovery In Here All Along she explores her birthright as a Jew and finds timeless and valuable life lessons David Axelrod director of the University of Chicago Institute of Politics and former senior advisor to President Barack Obama *Stranger Dangers* Hedley Griffin,2011-06-02 It is the day of Halloween and Harey the hare brained rabbit and his friends go playing and looking for ghosts in a disused factory building with dangerous results They are approached several times during the day by a strange man and woman That night they dress up and go out knocking on people s doors when Harey is finally kidnapped by the two strangers but rescued in the end 32 pages full colour no stickers **A Year of Strangers** Yoï Pawlowska,1912 *A Study Guide for Anton Chekhov's "The Bear"* Gale, Cengage Learning,2016 A Study Guide for Anton Chekhov s The Bear excerpted from Gale s acclaimed Drama For Students This concise study guide includes plot summary character analysis author biography study questions historical context suggestions for further reading and much more For any literature project trust Drama For Students for all of your research needs *A Study Guide for Sam Shepard's "True West"* Gale, Cengage Learning, A Study Guide for Sam Shepard s True West excerpted from Gale s acclaimed Drama For Students This concise study guide includes plot summary character analysis author biography study questions historical context suggestions for further reading and much more For any literature project trust Drama For Students for all of your research needs *A Study Guide for William Congreve's "Love for Love"* Gale, Cengage Learning,2016 A Study Guide for William Congreve s Love for Love excerpted from Gale s acclaimed Drama For Students This concise study guide includes plot summary character analysis author biography study questions historical context suggestions for further reading and much more For any literature project trust Drama For Students for all of your research needs **A Study Guide for Oscar Wilde's "Salome"** Gale, Cengage Learning,2016 A Study Guide for Oscar Wilde s Salome excerpted from Gale s acclaimed Drama For Students This concise study guide includes plot summary character analysis author biography study questions historical context suggestions for further reading and much more For any literature project trust Drama For Students for all of your research needs **A Study Guide for Pierre Corneille's "Le Cid"** Gale, Cengage Learning,2016 A Study Guide for Pierre Corneille s Le Cid excerpted from Gale s acclaimed Drama For Students This concise study guide includes plot summary character analysis author biography study questions historical context suggestions for further reading and much more For any literature project trust Drama For Students for all of your research needs
