Griffin, Cheryl J. Fish, 1999-05-01 Dispatches diaries memoirs and letters by African American travelers in search of home justice and adventure from the Wild West to Australia *New Monthly Magazine, and Universal Register*, 1837 **The New Monthly Magazine and Humorist**, 1837 **The New Monthly Magazine and Universal Register**, 1837 **Robidoux Chronicles** Hugh M. Lewis, 2004-10-25 Robidoux Chronicles treats with comprehensive documentary detail the factual history of the Robidoux lineage in North America from the first progenitor who arrived in Quebec in about 1665 through the famous six brothers who distinguished themselves as Mountain Men up until even recent times on reservations in the US Many members of the Robidoux family were intimately connected to the entire history of the North American fur trade The six brothers born in St Louis before the coming of Lewis Clark were important fur traders during the classical Rendezvous era of the North American fur trade They became key players in the organization articulation of the Overland Trail only to die soon afterward in relative obscurity upon the plains of Kansas Nebraska By the 1950 s the story of the Robidoux had been almost entirely forgotten Subsequent historians had lost all but a scant fragmentary knowledge of the true role exploits of the Robidoux their French Indian compatriots upon the frontiers of the old west Antoine Robidoux was the first to establish permanent trading settlements west of the Rockies in the Inter Montane corridor his brother Michel was one of the first expeditions to traverse the length of the Grand Canyon The eldest brother Joseph became one of the earliest established traders on the upper Missouri founded St Joseph Missouri which was later to be the primary starting point of the Overland Trail His younger brother Louis became one of the earliest ranch owners in California becoming Don of the Jurupa that encompassed the areas known today as Riverside San Bernardino San Jacinto San Timoteo An entire inter tribal French Indian ethnocultural orientation had developed upon the plains prairies mountains of the Trans Mississippi west a good fifty years before the coming of the Iron Horse the Pony Express has been carried on today in proximity to the reservations of Kansas Oklahoma South Dakota Wyoming **The Essex and the Whale** R. D. Madison, 2016-03-28 This fascinating anthology introduces readers to the literary side of Herman Melville s whaling world with an unprecedented collection of the original whaling texts from which Melville drew to create his masterpiece *Moby Dick* The notorious 1820 sinking of the whaleship *Essex* inspired Herman Melville s *Moby Dick* as recounted in Nathaniel Philbrick s bestselling book *In the Heart of the Sea: The Tragedy of the Whaleship Essex* now a major motion picture But how exactly did Melville transmute the historic tragedy of the *Essex* into what is arguably the Great American Novel Here for the first time R D Madison collects together Melville s personal

library of whaling and whale lore into a single volume and presents these primary sources in a way that readers can readily see how a horrific whaling tragedy became a literary masterpiece But where did *Moby Dick* begin Prompted by sailor author Richard Henry Dana Jr Melville supplemented his own firsthand experience as a whaleman in the South Pacific with libraries of books that he swum through to create his whaling masterpiece Scholars and lay readers alike have long wondered how he did it and over the past 60 years a very tight theory of inspiration and creation has emerged It is very likely wrong This volume gathers together for the first time all of the main texts that Melville encountered including the accounts of the unique sinking of the *Essex* by a sperm whale that provided the climax for *Moby Dick* Melville scholar R D Madison examines what critics have said about Melville's response to the sinking and offers the challenging thesis that Melville did not even begin the book at all until spurred on by Dana in the spring of 1850
