Love and Loss Betty Hibod,2025-10-06 Many books have been written as histories recounting events that shaped the life of a group society nation or civilization or as biographies recounting events and achievements relating to one person s life and work Many books have been written putting forth ideas philosophies and words of wisdom to live by Some of these we call holy books or scripture Fewer books have been written like this one which go behind the scenes of history lay bare the feelings behind the philosophies and document the painful and joyful inner path along which historical events and philosophical ideas emerge This book is intensely even shockingly personal not clinical or abstract or detached It is an intimate detailed sensual and sometimes disturbing account of a life lived on the cusp that bridges time and eternity Its focus is narrow it does not reveal much at all about anyone s visible public life or accomplishments but it explores in great depth the invisible contents of minds hearts and souls The scriptures and scriptural commentaries of most religions describe a path to salvation or bliss and provide instructions or guideposts for moving along the path but they are still only theoretical hypothetical mythical or metaphorical accounts This book seeks to show how the theories and hypotheses play out pragmatically in real time and space how the myths come alive in flesh and spirit how the metaphors become the very things they symbolize How does daily life look from inside someone in the throes of awakening How does she know who or what she is How is her destiny revealed How do seemingly ordinary mundane events become miracles This book begins to answer those questions

Skillful Grace Rinpoche Urgyen (Tulku), Adeu Rinpoche, 2007. Tara is one of the most inspiring of Buddhist deities, embodying the most compelling and vital qualities of the feminine: beauty, grace, and the ability to nurture, care for, and protect. This complex goddess, whose practice transcends sect and class, is also a true warrior, vanquishing fear and ignorance. In a sense, she is the earliest known incarnation of Buddhist feminism. *Skillful Grace* is an elegant introduction to practice and meditation techniques based on the Vajrayana path. The book is divided into three main sections. The first contains the basic text of Tara practice, *The Essential Instruction on the Threefold Excellence*, which connects the seeker to the profound essence of Tara as revealed by Chokgyur Lingpa. The other two sections feature enlightening commentaries on the text by Tulku Urgyen Rinpoche, Jamgön Kongtrül, and Adeu Rinpoche. *Skillful Grace* includes all the preliminaries of Tara practice as well as its main part and the subsequent yogas. Tara Bennett Goleman's foreword, Marcia Schmidt's introduction, and various appendixes and footnotes add useful context.
