The Bondwomans Narrative Educational Companion Package:

The Bondwoman's Narrative Educational Companion Package Henry Louis Gates, Jr., 2002-08 **A Companion to American Fiction, 1780 - 1865** Shirley Samuels, 2008-04-15 This Companion presents the current state of criticism in the field of American fiction from the earliest declarations of nationhood to secession and civil war Draws heavily on historical and cultural contexts in its consideration of American fiction Relates the fiction of the period to conflicts about territory and sovereignty and to issues of gender race ethnicity and identity Covers different forms of fiction including children s literature sketches polemical pieces historical romances Gothic novels and novels of exploration Considers both canonical and lesser known authors including James Fennimore Cooper Hannah Foster Nathaniel Hawthorne Herman Melville and Harriet Beecher Stowe Treats neglected topics such as the Western novel science and the novel and American fiction in languages other than English *The Bondwoman's Narrative* Hannah Crafts, 2002-04-02 Thought to be the first novel written by a Black female slave this work is both a historically important literary event and a gripping autobiographical story When her master is betrothed to a woman who conceals a tragic secret Hannah Crafts a young slave on a wealthy North Carolina plantation runs away in a bid for her freedom up North Pursued by slave hunters imprisoned by a mysterious and cruel captor held by sympathetic strangers and forced to serve a demanding new mistress she finally makes her way to freedom in New Jersey Her compelling story provides a fascinating view of American life in the mid 1800s and the literary conventions of the time Written in the 1850 s by a runaway slave The Bondswoman s Narrative is a provocative literary landmark and a significant historical event that will captivate audiences Includes an updated preface adding additional context about the author s incredible life *Engaging Tradition, Making It New* Stephanie Brown, Éva Tettenborn, 2020-12-15 Engaging Tradition Making It New offers a rich collection of fresh scholarly and pedagogical approaches to new African American literature Organized around the theme of transgression the collection focuses on those writers who challenge the reading habits and expectations of students and instructors whether by engaging themes and literary forms not usually associated with African American literature or by departing from traditional modes of approaching historical social or legal struggles Each chapter offers a specific reading of a particular novel memoir or poetry collection sometimes in concert with a second related text and suggests both a useful critical context and one or more pedagogical approaches Engaging Tradition Making It New points the way toward exciting new methods of teaching and researching authors in this dynamic field Black Issues in Higher Education , 2002-02 *A Web of Words* Richard J. Gray, 2007 Helps readers understand how any literary tradition involves an open conversation between its texts a web of words that stretches from the local to the transnational This book charts 3 different intertextual practices involving writings both within and outside the South **Teaching African American Women's Writing** G. Wisker, 2010-09-29 The essays in Teaching African American Women s Writing provide reflections on issues problems and pleasures raised by studying the texts They will be of use to those teaching and

studying African American women's writing in colleges, universities, and adult education groups as well as teachers involved in teaching in schools to A level

American Women Writers of the 19th Century Heidi M. Hanrahan, 2025-03-17

The nineteenth century was a period of prolific literary production from women writers including figures such as Louisa May Alcott, Harriet Jacobs, and Zitkala-ah, who played pivotal roles in American literary history. Despite facing societal forces aimed at silencing them, women writers found ways to assert their voices and contribute to the intellectual and political debates of the era. Their works contribute to conversations on a wide range of topics including art, gender, social reform, slavery, abolition, economic and social inequality, national expansion, Native American dispossession, and the changing identity of the nation. Both retrospective and forward-looking, their written works found diverse audiences of men, women, and children. This book functions as a comprehensive guide to understanding the breadth of nineteenth-century women's writing, exploring not only the writers and their texts but also the literary periods, genres, and key cultural, historical, and social movements that shaped their works. By examining these authors' impact on American literary traditions and their role in cultural discourse, it highlights the lasting relevance of their work in both historical and contemporary contexts.

Fugitive Texts Michaël Roy, 2022-09-06

Antebellum slave narratives have taken pride of place in the American literary canon. One key aspect of the genre, however, has been left unexamined: its materiality. In *Fugitive Texts*, Michael Roy offers the first book-length study of the slave narrative as a material artifact. Drawing on a wide range of sources, he reconstructs the publication histories of a number of famous and lesser-known narratives, placing them against the changing backdrop of antebellum print culture. Published to rave reviews in *French*, *Fugitive Texts* illuminates the heterogeneous nature of a genre often described in monolithic terms and ultimately paves the way for a redefinition of the literary form we have come to recognize as the slave narrative.

The Stanford Companion to Victorian Fiction John Sutherland, 1989

An engaging guide to a rich literary heritage, *The Stanford Companion* presents a fascinating parade of novels, authors, publishers, editors, reviewers, illustrators, and periodicals that created the culture of Victorian fiction. Its more than 6,000 alphabetical entries provide an incomparable range of useful and little-known source material, its scholarship enlivened by the author's wit and candor.

The Transatlantic Gothic Novel and the Law, 1790-1860 Bridget M. Marshall, 2016-02-17

Tracing the use of legal themes in the gothic novel, Bridget M. Marshall shows these devices reflect an outpouring of anxiety about the nature of justice. On both sides of the Atlantic, novelists like William Godwin, Mary Shelley, Charles Brockden Brown, and Hannah Crafts question the foundations of the Anglo-American justice system through their portrayals of criminal and judicial procedures and their use of found documents and legal forms as key plot devices. As gothic villains from Walpole's *Manfred* to Godwin's *Tyrrell* to Stoker's *Dracula* manipulate the law and legal system to expand their power, readers are confronted with a legal system that is not merely ineffective at stopping villains but actually enables them to inflict ever greater harm on their victims. By

invoking actual laws like the Black Act in England or the Fugitive Slave Act in America gothic novels connect the fantastic horrors that constitute their primary appeal with much more shocking examples of terror and injustice Finally the gothic novel s preoccupation with injustice is just one element of many that connects the genre to slave narratives and to the horrors of American slavery

Sacred Femininity and the Politics of Affect in African American Women's Fiction Vicent Cucarella Ramón,2018-10-25 This book presents the way in which African American women writers Hannah Crafts Zora Neale Hurston and Toni Morrison have followed the spiritual endeavor of black Christianity as created by early nineteenth century spiritual narratives to construct a sacred reading of the black female self The sacred femininity that puts the ethics and aesthetics of African American women at the center of a certain mode of African Americanness relies on a view of spirituality that joins women ontologically and validates affective modes of representation as an innovative means to obtain social and personal empowerment

In the Shadow of the Civil War Nat Brandt,Yanna Brandt,2007 Six years before the onset of the Civil War two courageous figures one a free white man and one an enslaved black woman risked personal liberty to ensure each other s freedom in an explosive episode that captured the attention of a nation on the brink of cataclysmic change In this deeply researched account of the rescue of the slave Jane Johnson by the Philadelphia Quaker and fervent abolitionist Passmore Williamson of the federal court case that followed and of Johnson s selfless efforts to free the jailed Williamson veteran journalist Nat Brandt and Emmy winning filmmaker Yanna Kroyt Brandt capture the heroism and humanity at the heart of this important moment in American history written plea from Johnson and rushed to the Camden ferry dock to liberate her and her two children from their master in a daring confrontation Unbeknownst to the abolitionists Johnson s owner Col John Hill Wheeler was connected to the highest levels of government and was a personal friend of President Franklin Pierce As a result Wheeler was able to have Williamson arrested and confined to Moyamensing Prison an institution notorious for harboring Philadelphia s worst criminals with famous leaders of the abolitionist movement black and white visiting the prisoner In one of the episode s most dramatic moments Johnson returned to Philadelphia risking her own freedom to testify on Williamson s behalf There were petitions in many states to impeach Judge John Kintzing Kane who stubbornly refused to release Williamson The case became a battle of wills between a man who was unwavering in his defiance of slavery and another determined to defend the so called rights of the slave owner Williamson s martyrdom spotlighted Philadelphia as one northern city where the growing rifts between states rights federal mandates and personal liberties had come to the fore drama and the rise of a cult of celebrity the Brandts brisk narrative takes readers into the lives of the central participants in this complex episode Passmore Williamson Jane Johnson William Still Colonel Wheeler and Judge Kane are brought vibrantly to life as fully developed and flawed characters drawn unexpectedly into the annals of history In the Shadow of the Civil War chronicles events that presage the divisive national conflict that followed and that underscore the passionate views on freedom and justice that continue to define the American experience

Enterprising Youth Monika Elbert,2008-06-09 Recommended by Choice Enterprising Youth examines the agenda behind the shaping of nineteenth century children s perceptions and world views and the transmission of civic duties and social values to children by adults The essays in this book reveal the contradictions involved in the perceptions of

children as active or passive as representatives of a new order or as receptacles of the transmitted values of their parents The question then is whether the business of telling children's stories becomes an adult enterprise of conservative indoctrination or whether children are enterprising enough to read what many of the contributors to this volume see as the subversive potential of these texts This collection of literary and historical criticism of nineteenth century American children's literature draws upon recent assessments of canon formations gender studies and cultural studies to show how concepts of public private male female and domestic foreign are collapsed to reveal a picture of American childhood and life that is expansive and constrictive at the same time
