Hobson, 1995 When H L Mencken died in 1956 he left behind well ordered diaries letters and personal papers that biographer Fred Hobson has collected in the definitive portrait of a complex and colorful life In *Mencken A Life* Hobson quotes liberally from Mencken's writings on every subject from Americans the most timorous sniveling poltroonish ignominious mob of serfs and goose-steppers ever gathered under one flag to the English England gave us Puritanism Germany gave us Pilsner from his thoughts on Jews both the most unpleasant race ever heard of and the chief
