*The BIG Book of Reading, Rhyming, and Resources* Beth Christina Maddigan, Stefanie Drennan, Roberta E. Thompson, 2005-10-30. Promote reading and literacy with this wonderful assortment of lively fast-paced fun-filled children's programs specifically designed for children aged 4 through 8. You and the children will delight in such program themes as Creepy Crawlies, Forest Friends, Frosty Frolics, and After School Adventures. The book presents an entertaining mix of multisensory activities that appeal to a variety of literacy levels and learning styles, rhymes and songs, awesome activities, crafty crafts, and great games. Unlike other programming guides, this one uses a developmental approach with literature-based activities fitted to specific learning needs. More than an idea book, it includes all the nuts and bolts for initiating children's programs, from foundations and guidelines for understanding various stages of learning to everything you need to get started, book lists, step-by-step instructions, reproducible patterns, and illustrations, even tips on publicity and public relations. Whether you're a novice or a seasoned children's programmer, this book gives you fresh programming ideas that foster lifelong literacy and love of reading. Grades PreK-3.

**Crash Course in Children's Services** Penny Peck, 2014-09-26. Useful for newcomers to the children's library staff as well as longtime children's librarians, the second edition of this popular handbook provides easy-to-follow instructions to make innovations in children's library materials work for you. Addressing everything from the basics of reference to the complex and highly specialized duties of program development, this handbook is perfect for both librarians and support staff who are assigned to the children's department of a library. This second addition of *Crash Course in Children's Services* covers many of the new issues facing children's library staff, including eBooks, using apps in programming, other online reading options, book trailers, nonfiction, and the Common Core curriculum. It also describes expanded programming options such as makerspaces, gaming, dog reading programs, and play at storytime. Ideal for new children's librarians as well as experienced library staff who have not worked with children recently and longtime children's librarians looking to add new skills to their tool kits, the book familiarizes readers with all the new developments of the past few years, from online reading options to the wealth of new programming aimed at youth. You'll learn about subjects such as pop-up and passive programming, offering online homework help, and outreach and services to special needs children, and then quickly implement new practices into use at your library.
