Speeches and Writings on Canadian Unity

STÉPHANE DION

Straight Talk Speeches And Writings On Canadian Unity

John Erik Fossum

Straight Talk Speeches And Writings On Canadian Unity:

Straight Talk Stéphane Dion, 1999 Contains a collection of speeches and writings by Stéphane Dion Canada's Minister of Intergovernmental Affairs since 1996 Dion's writings are organized into four sections the spirit of federalism the practice of federalism identity and secession Advocating in favor of Canadian unity he asserts the importance of diversity and unity and argues the Quebec question is not a constitutional question but one that concerns identity Lacks an index Paper edition unseen 22 95 Canadian card order number C99 900603 7 Annotation copyrighted by Book News Inc Portland OR *Straight Talk* Stéphane Dion, 1999-11-19 So begins this collection of Stéphane Dion's speeches from 1996 to 1998 Organized around four central themes *Straight Talk* shows the breadth and strength of Dion's convictions Dion believes that Canada is first and foremost a nation of caring people in contrast to the image projected by the endless dry constitutional debate He argues that the melding of diversity and unity that is the basis of this nation is possible only because of the particular federalism that Canadians have invented This federalism however is far from perfect and it is the responsibility of government to continue to work to improve it always remembering that its core must be the quality of service it provides to Canadians Dion believes that the Quebec question is not a constitutional question but one that concerns identity many francophones believe that their identity and culture are not respected in the rest of Canada and see the anglophone majority as a force for assimilation while many in other provinces feel that separatists do not share the same values of openness and tolerance He believes strongly that the secession process the Parti Québécois has proposed effecting independence on the basis of incorrect legal theory an unclear referendum question and a majority of fifty percent plus one is difficult to reconcile with democracy and raises questions that must be discussed openly and resolved democratically *Straight Talk* is a refreshingly honest and frank discussion about a matter that has been at the forefront of Canadian's thoughts for too many years [Branding Canada](#) Evan H. Potter, 2009 Looking at Canada's public diplomacy abroad through culture international education and international broadcasting *Canada's Odyssey* Peter H. Russell, 2017-01-01 In *Canada's Odyssey* renowned scholar Peter H Russell provides an expansive accessible account of Canadian history from the pre Confederation period to the present day

Beyond the Ivory Tower Richard Davis, 2023-06-23 While academics often treat their subject matter with a posture of detached objectivity some have moved beyond the ivory tower of academia toward a more personal and active engagement with their area of research The field of political science lends itself particularly well to this kind of activity given the relevance impact and importance of civic engagement and the political landscape of our daily lives Early in the discipline Woodrow Wilson Charles Merriam and other leaders of the American Political Science Association were civically engaged citizens as well as active scholars and teachers However discipline and institutional barriers have discouraged contemporary engagement In *Beyond the Ivory Tower The Case for Civically Engaged Political Scientists* Richard Davis tells the stories of past and present academics who have ventured beyond the academy He frames his own story of political activism in Utah

within the context of the need for political scientists to step away from the cloistered affairs of academia toward more public and political engagement Davis discusses different ways to remain active in academic life while also becoming more publicly engaged in one's community and state This book shows how political scientists may find alternative ways to explore their passion for politics and not only advocate civic engagement but also become actively engaged citizens themselves Beyond the Ivory Tower skillfully discusses the institutional and cultural barriers to academic civic engagement and proposes solutions to overcome them while offering examples of political scientists who have been active citizens in a variety of forums including running for office serving in government and founding and leading nonprofit organizations

The Public Intellectual in Canada Nelson Wiseman, 2013-01-01 The all star cast of contributors in this collection is a truly impressive assembly Many are widely known and will be familiar to the reader All of them have influenced public affairs in Canada as doers as well as thinkers and they span the ideological spectrum With them we explore and examine the place of the public intellectual in the context of a rapidly changing and diverse Canadian society in an increasingly interdependent world Contributors Michael Adams Maude Barlow Sylvia Bashevkin Gregory Baum Stephen Clarkson Tom Flanagan Pierre Fortin Alain G Gagnon Mark Kingwell John Richards Doug Saunders Hugh Segal Margaret Somerville Janice Gross Stein Nelson Wiseman page 4 of cover

Secession and Self Gregory Millard, 2008 The possibility of Quebec's departure has long haunted Canadian politics and English speaking Canadians have resisted such a break But why and how does Quebec's membership in the existing constitutional order matter to Canadians outside Quebec *Secession and Self* goes beyond debates over the economic and institutional effects of Quebec separation to look at the normative dimensions of resistance to secession Drawing from Charles Taylor James Tully and many others Gregory Millard explores the central role Quebec plays in ideas of what makes Canada worthwhile He argues that a break with Quebec would impair Canada's ability to realize ideals such as liberalism fraternity and developmental accounts of citizenship and would undercut attempts to locate Canadian identity in narratives of history and place In lieu of a single argument against the departure of Quebec Millard considers the variety and richness of the affirmations involved in Quebec in Canada as a particular kind of multinational state Taking into account the many efforts to grapple with one of the deepest challenges in Canadian history *Secession and Self* provides an insightful account of the variegated ties between Canada Quebec and visions of the good

The Ties that Bind John Erik Fossum, 2009 Modern states and novel multinational polities such as the European Union have to contend with greater degrees and more complex forms of diversity What elements keep complex post national political entities together What are the ties that bind people together in a world where they cannot rely on the safety of established national identifications if they ever could This collection of essays by leading political scientists philosophers and legal academics from Canada and Europe provides a transatlantic dialogue on the ways in which complex states such as Canada and non states the EU may broach the modes of difference and diversity that confront them Authors engage in insightful diagnoses of contemporary forms and modes of

diversity as well as critical appraisals of a number of normative responses meant to answer these challenges These responses range from reasonable accommodation and multinationalism to cosmopolitanism They include the recognition of post national multinational or deterritorialised democracy and constitutional patriotism as well as plural or denationalised citizenship

A Justifiable Obsession' P.E. Bryden,2013-01-01 A Justifiable Obsession traces the evolution of Ontario s relationship with the federal government in the years following the Second World War Through extensive archival research in both national and provincial sources P E Bryden demonstrates that the province s successive Conservative governments played a crucial role in framing the national agenda although this central relationship has received little attention compared to those that have been more volatile As such Bryden s study sheds light on an important but largely ignored chapter in Canadian political history Bryden focuses on the politicians and strategists who guided the province through the negotiation of intergovernmental economic social and constitutional issues including tax policies the design of the new social welfare net and efforts to patriate the constitution Written in a lucid engaging style that captures the spirit of the politics of postwar Canada A Justifiable Obsession is a significant contribution to our understanding of Ontario s politics and political culture

The Judicial Role in a Diverse Federation Robert Schertzer,2016-01-01 In The Judicial Role in a Diverse Federation Robert Schertzer uses the example of the Supreme Court of Canada to examine how apex courts manage diversity and conflict in federal states Schertzer argues that in a diverse federation where the nature of the federal system is contested the courts should facilitate negotiation between conflicting parties rather than impose their own vision of the federal system Drawing on a comprehensive review of the Supreme Court federalism jurisprudence between 1980 and 2010 he demonstrates that the court has increasingly adopted this approach of facilitating negotiation by acknowledging the legitimacy of different understandings of the Canadian federation This book will be required reading both for those interested in Canada s Supreme Court and for those engaged in broader debates about the use of federalism in multinational states

Thank you unconditionally much for downloading **Straight Talk Speeches And Writings On Canadian Unity**. Maybe you have knowledge that, people have seen numerous times for their favorite books afterward this Straight Talk Speeches And Writings On Canadian Unity, but stop up in harmful downloads.

Rather than enjoying a good book subsequently a cup of coffee in the afternoon, otherwise they juggled in the same way as some harmful virus inside their computer. **Straight Talk Speeches And Writings On Canadian Unity** is affable in our digital library an online entrance to it is set as public fittingly you can download it instantly.
